Section C: The League Competition

The League Competition

C.1. Subject to Rules C.1A, C.1B, C.18 and C.25 to C.30, each Club shall play two League Matches against each other Club in the Competition during each Season, being the Home Club in respect of one such League Match and the Visiting Club in respect of the other.

C.1A. In respect of Season 2021/22, the Match Day Protocol (COVID-19) shall apply to each League Match.

C.1B. Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19) and the Home Club is unable to secure a safety certificate in respect of that specific League Match, that League Match will be played on a neutral ground, the date, the time and the venue of which shall be determined by the Board.

Guidance
Rule A.1.94 defines the Home Club as ‘the Club at whose Stadium a League Match is or was or should be or should have been played or, where the Clubs participating in that League Match share a Stadium, the Club whose name first appears on the League’s fixture list’ (emphasis added). Accordingly, save where specifically expressed to the contrary in these Rules, the rights and obligations set out in these Rules in respect to the Home Club shall remain in place, irrespective of whether the League Match(es) to which they relate are required to be held at a neutral ground in accordance with Rule C.1B.

C.2. The winner of a League Match shall score three points. Each Club participating in a League Match which is drawn shall score one point.

C.3. The results of League Matches shall be recorded by the Board in the League Table containing, in respect of each Club, the following information:

C.3.1. the number of League Matches played in the Competition during that Season;

C.3.2. the number of League Matches won, drawn and lost as a Home Club in the Competition during that Season;

C.3.3. the number of League Matches won, drawn and lost as a Visiting Club in the Competition during that Season;

C.3.4. the number of goals scored in League Matches by and against that Club in the Competition during that Season; and

C.3.5. the number of points scored in the Competition during that Season.

C.4. The position of Clubs in the League Table shall be determined by the number of points scored in the Competition during that Season, the Club having scored the highest number of points being at the top of the League Table and the Club having scored the lowest number of points being at the bottom.

C.5. If any two or more Clubs have scored the same number of points their position in the League Table shall be determined on goal difference, that is to say, the difference between the total number of goals scored by and against a Club in League Matches in the Competition during that Season (“Goal Difference”), and the higher or highest placed Club shall be the Club with the higher or highest Goal Difference.

C.6. If any two or more Clubs have scored the same number of points and have the same Goal Difference the higher or highest placed Club shall be the Club having scored the most goals in League Matches in the Competition during that Season.

C.7. Subject to Rule C.17, if any two or more Clubs have scored the same number of points, have the same Goal Difference and have scored the same number of goals in League Matches in the Competition during that Season, they shall be deemed to occupy the same position in the League Table.

Determination and Accreditation of Goals

C.8. Goal Line Technology shall be utilised at League Matches (save that, for the avoidance of doubt, a League Match shall proceed even if Goal Line Technology is unavailable for part or all of it). The referee’s decision as to whether a goal has been scored shall be final.

C.9. The League shall keep a record of the scorer of each goal in each League Match.

C.10. The Board will review all goals scored in every League Match, and if there are any in respect of which the identity of the scoring Player is in doubt, then the issue shall be resolved by such means as the Board determines in advance of each Season.

The League Championship

C.11. Subject to Rules C.25 to C.30, the Club which is at the top of the League Table following the completion of the Competition shall be the League Champions.

C.12. The League Champions shall receive a trophy which it shall return to the Board in good order and condition not later than three weeks before its final League Match of the subsequent Competition.

C.13. The League Champions shall further receive 40 commemorative medals to be presented by the Club to its Manager and to such of its Players and Officials as it thinks fit provided that any Player who has entered the field of play in a minimum of five of its League Matches that Season shall receive from the Club a commemorative medal. Additional medals may only be presented with the consent of the Board which shall only be given if the total number of Players who have entered the field of play that Season in a minimum of five of the Club’s League Matches exceeds 39.

Relegation

C.14. Subject to Rules C.15 and C.25 to C.30, the bottom three Clubs in the League Table following the completion of the Competition shall be relegated to The Football League.

C.15. If any Club ceases during the Season to be a member of the League, the record of the League Matches in which it has participated in that Season’s Competition shall be expunged from the League Table and, subject to Rules C.25 to C.30, the number of Clubs to be relegated following the completion of the Competition shall be reduced so as to maintain at 20 (or, if less, as near thereto as may be) the number of Clubs in membership of the League at the beginning of the next Season.

C.16. If any Club ceases to be a member of the League other than by reason of relegation following the completion of the Competition but before the Board has fixed the dates of League Matches for the next Competition, the Board may invite the relegated club which attained the highest position in the League Table referred to in Rule C.3 following the completion of the previous Competition to rejoin the League.
### Determination of League Table Placings

**C.17.** Notwithstanding Rules C.25 to C.30, if following the completion of the Competition either the League Champions or the Clubs to be relegated or the question of qualification for other competitions cannot be determined because two or more Clubs are equal on points, Goal Difference and goals scored, the relative position in the League Table of the Clubs will be determined by the following means:

**C.17.1.** the total points scored by the relevant Clubs in the League Matches in that Season’s Competition contested by those Clubs (“Head-to-Head Matches”), with the Club having scored the highest number of points in Head-to-Head Matches occupying the highest position in the League Table and the Club having scored the lowest number of points in Head-to-Head Matches occupying the lowest position in the League Table;

**C.17.2.** if the Clubs cannot be separated by operation of Rule C.17.1, the Club scoring the higher number of goals whilst the Visiting Club in Head-to-Head Matches occupying the higher position in the League Table; and

**C.17.3.** if two Clubs cannot be separated by operation of Rule C.17.1 and C.17.2, a play-off on a neutral ground, the format, timing and venue of which shall be determined by the Board.

### Interruption to and/or Curtailment of a Competition

**C.18.** Where the Board, acting reasonably, considers it necessary in order to ensure the completion of the Competition, it shall have the power to require any of the following (and shall have the power to disapply or modify such Rules as are necessary to give effect to these powers):

**C.18.1.** Clubs to stage League Matches without spectators being admitted to the Stadium;

**C.18.2.** that a League Match be played on a neutral ground, the date, the time and the venue of which shall be determined by the Board, where a safety certificate cannot be obtained for the staging of the League Match at the Home Club’s Stadium;

**C.18.3.** Clubs to participate in a League Match, notwithstanding the fact that Goal Line Technology and/or VAR will not be utilised;

**C.18.4.** having given due consideration to the health and safety of participating Players, that Clubs must participate in League Matches at more frequent intervals than initially scheduled in accordance with Rule L.1; and

**C.18.5.** Clubs to comply with such protocols (whether in respect of training or staging of League Matches) as it deems necessary in the circumstances, including the Competition Interruption – Squad Management Protocol at Appendix 17 to these Rules.

**C.19.** Where the Board intends to exercise any of the powers conferred on it under Rule C.18, it will confirm the same to all Clubs in writing, following which any failure by a Club to comply with the requirements under Rule C.18 shall be a breach of these Rules, liable to be dealt with under the provisions of Section W (Disciplinary).

**C.20.** Without prejudice to the powers conferred on the Board pursuant to Rule C.18, where a Force Majeure Event occurs, in order to ensure the completion of the Competition, the Board may, by written notice to all Clubs and subject to Rule C.21, issue a directive.

D.30. Rule D.29 shall not apply to any assignment, charge or other grant of security by a Club of its future entitlement to Central Funds as part of a fixed and floating charge over the entirety of its assets and undertaking on usual commercial terms.

D.31. Without the express, prior consent of the Board, no Club or Relegated Club may charge, assign or otherwise grant security over its entitlement to Central Funds in accordance with Rule D.29 to any Person other than a Financial Institution.

D.32. Without prejudice to Rule D.31, above, the Board may still refuse to permit any proposed charge, assignment or grant of security under Rule D.29 by a Club or Relegated Club to a Financial Institution, where the ownership or structure of that Financial institution conflicts with any of these Rules.

Financial Consequences of the Curtailment of a Competition

D.33. Where a Competition is curtailed in accordance with Rules C.25 or C.29, the methods of distribution of Central Funds to Clubs and Relegated Clubs detailed in Rules D.15 to D.26 shall be varied as necessary to give effect to the following process:

D.33.1. The total amount of Central Funds that would have been payable in respect of that Competition, less any reduction as a result of the curtailment shall hereinafter be referred to as “Reduced Central Funds”. Each Club and Relegated Club receives its Forecast Central Funds completed Competition (the “Forecast Live TV Picks”);

D.33.2. Reduced Central Funds shall be allocated to Clubs and Relegated Clubs as follows:

D.33.2.1. the Club’s relative place in the League Table at the point of curtailment shall be identified using the processes detailed in Rule C.30 (its “Forecast League Position”);
D.33.2.2. the Board shall forecast the facility fees that would have been payable to each Club had the Competition been completed by: (a) pro-rating the number of its League Matches that had been televised live prior to curtailment; (b) pro-rating the number of League Matches that had been announced for live broadcast in the UK but not yet played prior to curtailment and (c) respecting the minimum Club guaranteed facility fee allocation as budgeted for that Competition (its “Forecast Live TV Picks”);
D.33.2.3. the Board shall then calculate the percentage share of Central Funds that would have been allocated to each Club and Relegated Club for that Competition, had the Competition been completed (in the case of Clubs) by reference to its position in the League Table and Forecast Live TV Picks for the completed Competition (the “Forecast Central Funds Percentage”);
D.33.2.4. the Reduced Central Funds shall then be allocated so that each Club and Relegated Club receives its Forecast Central Funds Percentage.

D.34. For the avoidance of doubt, Central Funds distributed prior to the point of curtailment will form part of each Club’s (and Relegated Club’s) share of Reduced Central Funds resulting in a balancing amount due to or from the League to give effect to the process outlined in Rule D.33.
Guidance

By way of example of the operation of Rule D.33.2, where:

- the Reduced Central Funds in respect of a Competition is £1 billion;
- using the methods referred to in Rule D.33.2.1, Club A’s place in the League Table is 10th, with 15 League Matches televised live and a further 3 League Matches due to be televised live;
- the Board determines that, had the Competition been completed as scheduled, Club A would have had 25 League Matches televised live and if finishing the Competition in 10th place in the League Table, the Club would have received 10% of the total Central Funds payable in respect of that Competition, Club A will receive £100 million from the Reduced Central Funds.

Each Club shall notify the League forthwith of any circumstances which may materially and adversely affect any of the information or representations submitted to the League pursuant to this Section E, and on consideration of those circumstances the Board may, if it considers it appropriate, amend any decision or determination that it made based on such information or representations.

E.47.2. what constitutes its Fair Market Value.

E.48. If the aggregation of a Club’s Earnings Before Tax for T-1, T-2 and T-3 results in a loss, any consideration from Related Party Transactions having been adjusted (if appropriate) pursuant to Rule E.46, then the Club must submit to the Board the calculation of its Adjusted Earnings Before Tax for each of T, T-1, T-2 and T-3.

E.49. If the PSR Calculation results in a loss of up to £15m, then the Board shall determine whether the Club will, until the end of T+1, be able to pay its liabilities described in Rule E.14.7.1 and fulfill the obligations set out in Rules E.14.7.2 and E.14.7.3.

E.51.1. the Board may exercise its powers set out in Rule E.15; and
E.51.2. the Club shall be treated as being in breach of these Rules and accordingly the Board shall refer the breach to a Commission constituted pursuant to Section W of these Rules.

### Appeal against Disqualification of a Director

**F.13.** Any Person or Club who receives notice under Rule F.6 has a right to appeal the disqualification notice(s) in accordance with the following Rules. However, for the avoidance of doubt, unless and until any such appeal is upheld, the disqualification notice(s) will remain in full effect.

**F.14.** Any Person or Club wishing to appeal a disqualification notice must, within 21 days of the date of that notice, send or deliver to the Board a notice of appeal, setting out full details of the grounds of appeal of that Person or Club, together with a deposit of £1,000.

**F.15.** The only grounds upon which a Person or Club may appeal a disqualification notice are:

- **F.15.1.** none of the Disqualifying Events set out in Rule F.1 apply;
- **F.15.2.** in respect of a Conviction of a court of foreign jurisdiction under Rule F.1.7, or a finding of the conduct referred to in Rule F.1.8 or a suspension or ban by a sport ruling body under Rule F.1.13, or a suspension, disqualification or striking-off by a professional body under Rule F.1.14, or a finding of a breach of rule by a ruling body of football pursuant to Rule F.1.17.2, there are compelling reasons why that particular Conviction, suspension, ban, finding, disqualification or striking-off, should not lead to disqualification;
- **F.15.3.** it can be proven that the Disqualifying Event has, or will within 21 days of the notice of appeal, cease to exist;
- **F.15.4.** the Disqualifying Event is a Conviction imposed between 19th August 2004 and 5 June 2009 for an offence which would not have led to disqualification as a Director under the Rules of the League as they applied during that period; or
- **F.15.5.** the Disqualifying Event is a Conviction which is the subject of an appeal which has not yet been determined and in all the circumstances it would be unreasonable for the individual to be disqualified as a Director pending the determination of that appeal.

**F.16.** An appeal under the provisions of Rule F.13 shall lie to an appeal tribunal which shall hear the appeal as soon as reasonably practicable. The appeal tribunal shall be appointed by the Chair of the Judicial Panel and shall comprise three members of the Judicial Panel including a legally qualified member who shall sit as chairman of the tribunal.

**F.17.** The chairman of the appeal tribunal shall have regard to the procedures governing the proceedings of Commissions and Appeal Boards set out in Section W of these Rules (Disciplinary) but, subject as aforesaid, shall have an overriding discretion as to the manner in which the appeal is conducted.

**F.18.** The Person or Club advancing the appeal shall have the burden of proving the complaint. The standard of proof shall be the balance of probabilities.

**F.19.** The appeal tribunal shall make its decision unanimously or by majority. No member of the appeal tribunal may abstain.

**F.20.** The appeal tribunal shall give written reasons for its decision.

**F.21.** The appeal tribunal shall have the following powers:

- **F.21.1.** to allow the appeal in full;
- **F.21.2.** to reject the appeal;
- **F.21.3.** if it determines that a Disqualifying Event exists, to determine that the individual concerned should not be banned for that period during which they will remain subject to it and substitute such period as it shall reasonably determine, having regard to all of the circumstances of the case;
- **F.21.4.** to declare that no Disqualifying Event ever existed or that any Disqualifying Event has ceased to exist;
- **F.21.5.** to order the deposit to be forfeited to the League or to be repaid to the appellant person or Club;
- **F.21.6.** to order the appellant person or Club to pay or contribute to the costs of the appeal including the fees and expenses of members of the appeal tribunal.

**F.22.** The decision of the appeal tribunal shall be final and binding on the appellant person and Club.

- **F.23.2.** no funds or economic resources may be made available, directly or indirectly, to or for his/her benefit.

### Acquisition of Control

**F.24.** If any Person proposed to acquire Control of a Club:

- **F.24.1.** the Club and/or the Person shall, as far in advance of the proposed acquisition of Control as reasonably possibly and in any event no later than 10 Working Days prior to the date on which it is anticipated that such acquisition of Control will take place:
  - **F.24.1.1.** submit to the Board a duly completed Declaration in respect of each Person who will become a Director upon the proposed acquisition of Control, and
  - **F.24.1.2.** submit to the Board up-to-date Future Financial Information prepared to take into account the consequences of the acquisition of Control on the Club’s future financial position; and
- **F.24.2.** the Board shall have power to require the Club and/or the Person who proposed to acquire Control to appear before it and to provide evidence of the source and sufficiency of any funds which that Person proposes to invest in or otherwise make available to the Club.

**F.25.** In relation to any proposed acquisition of Control of a Club by a Person, the Board shall have the powers set out in Rule E.15 and/or the ability to impose such other conditions as in each case it may determine in order to monitor and/or ensure compliance with Sections E, F, G and/or I of these Rules (and their successor or replacement provisions).
### Section F: Owners’ and Directors’ Test

**F.26.** No Person may acquire Control of a Club and no Club may permit a Person to acquire Control of it until such time as:

- **F.26.1.** the Board provides confirmation that all Persons that are required to do so have complied with the process set out in Rule F.24.1.1 and no such Persons are liable to be disqualified as a Director under the provisions of Rule F.1;

- **F.26.2.** the Board provides confirmation of its satisfaction with the information provided pursuant to Rule F.24.1.2; and

- **F.26.3.** the Club and Person proposing to acquire Control have acceded to any powers and/or accepted any conditions imposed pursuant to Rule F.25.

**F.27.** Any Director or Official of a Club who (whether intentionally, negligently or recklessly) causes, allows or permits any Person to acquire Control of the Club in breach of Rule F.26 shall be in breach of these Rules and will be liable to be dealt with in accordance with the provisions of Section W of these Rules (Disciplinary). Without limitation to the foregoing, where any act of the Club, any Group Undertaking or any Director or Official thereof recognises:

- **F.27.1.** any Person as meeting the definition of Director; or

- **F.27.2.** any form of transfer (legal or beneficial) or any trust or joint ownership arrangements in relation to any share and the rights which may be exercised by a shareholder,

without having first complied with Rule F.26 in full, it will constitute a breach of these Rules by that Club.

- **G.1.1.** holds;
- **G.1.2.** acquires, or

K.58. Subject to Rule K.59A, the tunnel interview positions shall be:
K.58.1. located in the same stand as, and in close proximity to, the tunnel and the Players’ dressing rooms;
K.58.2. designed so that television interviews within them can be conducted against the Interview Backdrops; and

The size requirements of the additional tunnel interview positions required by Rules K.57.1 and K.57.2 will be agreed by the League and the relevant Club in each case.

K.59A. Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the obligations at Rules K.57. K.58 and K.59 shall not apply and instead the Home Club may make available a suitable alternative, indoor or covered space in which it may elect (with the agreement of the League) to conduct the interviews required by Rules K.112 to K.132.

K.60. Each Club shall provide at each League Match played at its Stadium Hardwired positions for television cameras in accordance with the requirements of Appendix 3, save that in respect of all League Matches, the Home Club shall also provide a Hardwired fixed, unmanned camera position in the tunnel.

K.61.2. ensure there is safe access to and egress from (including in case of emergency) the required camera positions for all persons and equipment.

Guidance
A pod is a pair of scaffolding tubes fixed (at an equal distance apart) to the front of the camera position to support a camera mount. A hoist is a rope and pulley system for lifting equipment from floor level to working height. When fitting pods, Clubs should consult the League who will offer guidance on the dimensions required.

Camera Positions: Team and Supporter Arrivals

K.62. Each Club shall provide at its Stadium a sufficient number of separate and static Hardwired camera positions to enable the filming of the arrivals of each team before each League Match.

Guidance
With respect to Rule K.62, ordinarily a ‘sufficient number’ of camera positions will be achieved by the provision of two separate camera positions per entry point to the Stadium (so if the Home Club and the Visiting Club arrive at the same point, two positions will be required, and if they arrive at different points, four positions will be required).

K.63. Each Club shall permit TV Broadcasters to film coverage of supporters outside its Stadium before each League Match.

Television Studios

K.64. Subject to Rules K.40 and K.43, each Club shall provide at each League Match played at its Stadium at least two Hardwired studios for the use of Broadcasters and each such studio shall:

TV Broadcasters: Observer Seats

K.65. Subject to Rule K.43, each Club shall make available at each League Match played at its Stadium at least 25 seats for the use of accredited representatives of TV Broadcasters, to be situated in close proximity to the half-way line, with easy access to the tunnel area and Mixed Zone and a clear view of a television monitor throughout the League Match.

Guidance

These seats will be for the use of working personnel of TV Broadcasters. The tickets for these seats will be distributed by the League who will also monitor their use.

Where necessary, Clubs shall take appropriate steps to ensure that any television monitors installed for accredited representatives of TV Broadcasters cannot be observed during the League Match by supporters of either participating Club.

Reporter, Floor Manager and Match Manager Positions

K.66. Each Club shall provide at least eight seats (the positions of which shall be Hardwired) at each League Match played at its Stadium for the use of accredited representatives of UK Broadcasters, International Broadcasters and the League. Such seats shall be situated as near to the trainers’ benches as practicable and must provide a full, clear view of the whole pitch.

K.67. Each Club shall provide one position at each League Match played at its Stadium for the use of the Match Manager, which must be situated:

K.67.1. sufficiently close to the position of the fourth official to enable the Match Manager to easily communicate with the fourth official during the League Match without needing to enter either technical area to do so; and

K.67.2. so as to enable the Match Manager to easily communicate with the floor manager(s) of the League and the host broadcaster (where applicable) during a League Match. If the Club is unable to fulfil this requirement at its Stadium, it must permit the League to install a system to facilitate such communication.

Guidance

Where reasonably possible, Clubs should provide additional positions for the floor managers of the host broadcaster (where applicable) and the League, located in close proximity to the Match Manager’s position and so as to enable easy communication with the fourth official.

It is envisaged that Broadcasters may use some of the seats allocated for reporters for technical equipment.

References to “the League” in Rules K.66 and K.67 mean Premier League Productions, the League’s appointed production partner, which undertakes the broadcast of all League Matches on behalf of the League.

Visiting Club Analyst Positions

K.68. Each Club shall provide at each League Match played at its Stadium three dedicated positions for the use of analysts of the Visiting Club, each of which shall:

K.68.1. consist of one seat situated as near to the half-way line, the tunnel and the Visiting Club’s dressing room as reasonably practicable and provide a clear view of the whole pitch;

K.68.2. be sufficiently Hardwired for the receipt of three separate Broadcaster feeds (the “world feed”, the “tactical feed” and one ‘high behind’ feed) by monitors in place at the relevant position;

K.68.3. have internet connectivity in accordance with Rule K.45 and mains power; and

K.68.4. have a desk large enough to hold a monitor and a laptop computer (and such other equipment as the analyst(s) may reasonably require).

Guidance

Where, due to the configuration of the Stadium, a Club is unable to provide three positions for the use of analysts of the Visiting Club, it may seek dispensation from the League to provide two such positions.

Mixed Zone

K.69. Subject to Rule K.71A, each Club shall provide at each League Match played at its Stadium a Mixed Zone in which media interviews with Players and Managers may be conducted.

K.70. Subject to Rule K.71A, the Mixed Zone shall:

K.70.1. be located between the Players’ dressing rooms and the Players’ point of exit from the Stadium;

K.71. Subject to Rule K.71A, each Home Club shall permit into the Mixed Zone:

K.71.1. accredited representatives of Broadcasters who wish to conduct interviews in the Mixed Zone (up to a maximum of 20), who shall have priority entry into the Mixed Zone over those listed in Rules K.71.1.2 and K.71.1.3;

K.71.1.2. accredited representatives of radio broadcasters with whom the Visiting Club has entered into a Club Radio Contract; and

K.71.2. may, at its discretion, permit into the Mixed Zone such other accredited representatives of the media as it considers appropriate.
Section K: Stadium Criteria and Broadcasters’ Requirements

Guidance
Further discussions will be undertaken with Clubs about the branding of the Mixed Zone. The League’s preference is that Interview Backdrops should be used in Mixed Zones.
Accreditation of representatives of the media will be undertaken by the League or its appointee (currently Football DataCo Limited) on behalf of the League and Clubs.

Access to Tunnel Interview Positions

K.72. Each Club shall at each League Match played at its Stadium permit accredited representatives of TV Broadcasters access to the tunnel interview positions referred to in Rule K.57 to K.59 to prepare for, set up and carry out all activity permitted by these Rules. The Match Manager will manage all such access to ensure that, as far as reasonably practicable, the Persons referred to in this Rule only have access to the tunnel interview positions when needed.

Guidance
TV Broadcasters’ representatives are only permitted access to the tunnel interview positions for the filming of the exchange of team sheets, interviews, team arrivals, match reports, and to conduct unfilmed, informal discussions with coaching staff where the latter choose to speak to broadcast staff (and, for the avoidance of doubt, they are not obliged to engage in such informal discussions although they are encouraged to do so), and all other activities required by these Rules.

K.72A. Notwithstanding Rule K.59A, where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), accredited representatives of TV Broadcasters shall be permitted access to the tunnel area to prepare for and carry out all activity permitted by these Rules, provided that such access is at all times compliant with the Match Day Protocol (COVID-19).

Hardwiring

K.73. Each Club shall:
K.73.1. ensure that, where required to do so by these Rules, it installs Hardwiring to the League’s specification;

K.73.3. provide to the League a certificate in writing in advance of each Season confirming that the Hardwiring at its Stadium is in compliance with Rule K.73.1, such certificate to be provided by an independent Person experienced in the design and installation of permanent outside broadcast cable infrastructure.

K.74. Each Club shall permit the installation of temporary cabling by Broadcasters sufficient to ensure the continuous Transmission of League Matches played at its Stadium in the event of the failure of any Hardwiring required by these Rules (in addition to any other measures that the League may specify in order to ensure such continuous Transmission).

Transmission of Pre-Match Media Conference

K.75. Each Club shall permit the League to install such facilities as are required to allow Broadcasters to enable the Transmission of the Club’s Pre-Match Media Conference, where such facilities are not already in place (subject to any embargo implemented in accordance with Rule K.107).

Guidance
Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the Pre-Match Media Conference shall take place virtually, meaning that no representatives of Broadcasters and other accredited representatives of the media will be present in the room in which the Conference is conducted, with the live feed to be provided to the League and Broadcasters by the Club.

Power Supply

K.76. Each Club shall provide at its Stadium and make available to Broadcasters, at their request, access to electricity supply on the day of each League Match sufficient to power the Broadcasters’ match day operations.

Outside Broadcast Compound

K.79. At each League Match, the Home Club shall provide a secure, level area (with a hard surface suitable for the parking of TV Broadcasters’ vehicles) outside and adjacent to the Stadium of at least 1500m² for the exclusive use of the League’s and TV Broadcasters’ vehicles.

K.80. The Outside Broadcast Compound shall:
K.80.1. have sufficient drainage, toilets and waste disposal facilities, and
K.80.2. include sufficient working lights to enable complete illumination of the area above the League’s and TV Broadcasters’ vehicles, and each Club shall ensure that Broadcasters are given all requested access to the network access facility within the Outside Broadcast Compound located at its Stadium.

K.81. The Outside Broadcast Compound shall have an unobstructed view of the southern horizon such as to allow satellite uplinking or if the Outside Broadcast Compound does not have such unobstructed view, the Club must provide an additional area as close as reasonably practicable to the Outside Broadcast Compound to enable satellite uplinking.
Section K: Stadium Criteria and Broadcasters’ Requirements

Guidance

The identity of the suppliers of the relevant ‘network access facility’ for the purpose of Rule K.80 will be notified to Clubs by the League in advance of each Season.

Guidance

With regard to Rule K.81, if an additional area is needed because satellite uplinking is not reasonably practicable from the Outside Broadcast Compound, then the additional area must be sufficiently large (approximately 120 m²) to accommodate six satellite news gathering trucks.

Guidance

Clubs should be aware of the additional provisions regarding the Outside Broadcast Compound at Rule K.47.

Official Club Team Sheets

K.82. Each Home Club shall provide to the Match Manager the official team sheets of both the Home Club and the Visiting Club as soon as reasonably practicable after they have been submitted to the referee pursuant to Rule L.22.

Guidance

Rule L.22 provides that at least 75 minutes before the kick-off, a representative of each Club must submit to the referee and their opponents a team sheet.

Guidance

The Match Manager will give copies of the team sheets to Broadcasters and to the League’s data providers. Clubs will remain responsible for distributing it to others (e.g. representatives of the written media).

K.83. A Club playing in a League Match shall not publish the teams until 60 minutes before kick-off.

Guidance

Publication of team sheets is strictly embargoed until 60 minutes before kick-off. The League will ensure that Broadcasters comply with this embargo.

This can be the same room as the media working area described in Rule K.84.

Guidance

With regard to Rule K.86.4, ideally the camera platform should be able to accommodate up to 10 cameras.

K.86A. Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the obligation at Rule K.86.1 shall not apply.

Guidance

In respect of any League Match to which the Match Day Protocol (COVID-19) applies, where the media conference room referred to in Rule K.86 is not available as a result of the Club’s requirement to comply with the Match Day Protocol (COVID-19), an alternative location may be utilised for the relevant media conference, provided that the location is agreed in advance with the League.

Press Seats

K.87. Each Club shall provide at each League Match played at its Stadium a minimum of 50 seats for the use of accredited representatives of the media and the League’s data providers. Such seats must be located: (a) near the media working room; and (b) in a position enabling a clear view of the whole pitch.

K.89.4. a working area or wire room of 20 square metres, internet connectivity as set out in Rule K.45, 16 power points, a television monitor, shelves to support laptop computers and refreshment facilities.

Guidance
Accreditation of photographers will be undertaken by the League or its appointee (currently Football DataCo Limited) on behalf of the League and Clubs.

Content Sessions

K.90. Unless otherwise agreed by the League, each Club shall ensure that, during the six days preceding the day of each League Match, there is a period of two hours during which TV Broadcasters (including such number of International Broadcasters as the League may determine) may conduct the discussions and/or record the content and/or conduct the interviews with Players and the Manager required by Rules K.94 to K.103 (“Content Session”). The Content Sessions required by Rules K.94 to K.103 may take place virtually, if so requested by the relevant Club and/or relevant Broadcaster(s), and agreed by the League.

K.91. Each Club must ensure that its training ground includes a suitable, dedicated room in which (subject to Rules K.96 and K.102, below) the recording and interviews required by Rules K.94 to K.103 can be carried out. This room must measure no less than 2.5 metres by 2.5 metres and must be equipped with suitable facilities to enable the recording of interviews by TV Broadcasters, including, for example, mains power, sound proofing, black-out blinds and curtains on all windows and isolated air conditioning.

K.92. Subject to Rule K.92A, at least once per calendar month (with the exception of June, July and August), each Club must permit TV Broadcasters to film and Transmit live at the TV Broadcasters’ request (through the presence of one or more on-site reporters, technicians and/or producers, if required) one uninterrupted period of no less than 15 minutes of a Club training session involving the first team squad. Clubs must give no less than 48 hours’ notice to the League of each such session and may limit the proximity of TV Broadcasters to a maximum of 30m from the pitch on which the training session is to take place.

K.92A. In respect of any League Matches that are to be played in accordance with the Match Day Protocol (COVID-19), the obligation at Rule K.92 shall be amended so that where the relevant TV Broadcasters are unable to perform the filming referred to in Rule K.92, the Club shall instead itself film one uninterrupted period of no less than 15 minutes of a Club training session involving the first team squad and distribute the footage to the League and TV Broadcasters within 24 hours of filming.

Guidance
In the event that any League Matches during Season 2021/22 are not played in accordance with the Match Day Protocol (COVID-19), compliance with Rule K.92 will be assessed on a pro rata basis across Season 2021/22.

Section K: Stadium Criteria and Broadcasters’ Requirements

K.93. Each Club shall ensure that, in each case, its Content Session takes place on a date when its subsequent first team match is a League Match.

Guidance
The League may waive or vary the requirements set out in Rule K.93 (at its absolute discretion) in exceptional circumstances and upon request from a Club if, for example, the proximity in time between a match in the UEFA Europa League or UEFA Europa Conference League competition and the subsequent League Match and/or the location of the relevant UEFA Europa League or UEFA Europa Conference League Match makes it impracticable for the Club to arrange its Content Session at a time when its subsequent first team match is a League Match. A Club seeking a waiver or variation of these requirements from the League in respect of a particular Content Session must notify the League of that fact in good time and abide by the League’s decision as to whether or not to grant the Club’s request.

In lieu of a conventional interview, any Broadcaster entitled to attend a Content Session may apply to the League for permission to use its allotted time in that Content Session for a background briefing with the Players(s) and/or the Manager who will be made available. Such an application will only be granted by the League with the permission of the Club concerned.

UK Content Sessions

K.94. In respect of a League Match to be Transmitted live by a UK Broadcaster, each participating Club shall be required to make its Players and/or its Manager available for a Content Session with that UK Broadcaster (a “UK Content Session”), in accordance with the following requirements.

K.94.1. in advance of the League Match to which the UK Content Session relates, the relevant UK Broadcaster will provide each participating Club with a copy to the League with a shortlist of two Players that it wishes to be made available for the UK Content Session;

K.94.2. subject to Rule K.95, each participating Club must make (at least) one of the two Players selected in accordance with this Rule K.94; and (b) seven days’ notice of the date, time, and location of the UK Content Session;

K.94.3. unless otherwise agreed by the League (and subject to Rules K.94 and K.97), each Club shall make its Players and/or its Manager available for the UK Content Session and must inform the relevant UK Broadcaster at least: (a) six days’ notice of the name(s) of the Player(s) who will be made available for the UK Content Session to which the League Match relates, selected in accordance with this Rule K.94; and (b) seven days’ notice of the date, time, and location of the UK Content Session;

K.94.4. in the event that the Player selected by the Club becomes unable to participate in that UK Content Session due to illness, injury or other exceptional circumstance, the Club must (a) inform the relevant UK Broadcaster (with a copy to the League) as soon as reasonably possible, and (b) ensure that the second Player included on the shortlist referred to at Rule K.94.1, above, is made available as a replacement, or another suitable alternative is provided who is acceptable to the Broadcaster; and

K.94.5. each participating Club must make its Manager available for each UK Content Session, and

K.94.6. each participating Club must ensure that its Player(s) or Manager who is selected in accordance with this Rule K.94, and/or conduct the interviews with Players and the Manager required by Rules K.94 to K.103 ("Content Session") in accordance with the following requirements.

K.94.1. in advance of the League Match to which the UK Content Session relates, the relevant UK Broadcaster will provide each participating Club with a copy to the League with a shortlist of two Players that it wishes to be made available for the UK Content Session;

K.94.2. subject to Rule K.95, each participating Club must make (at least) one of the two Players selected in accordance with this Rule K.94; and (b) seven days’ notice of the date, time, and location of the UK Content Session;

K.94.3. unless otherwise agreed by the League (and subject to Rules K.94 and K.97), each Club shall make its Players and/or its Manager available for the UK Content Session; and

K.94.4. in the event that the Player selected by the Club becomes unable to participate in that UK Content Session due to illness, injury or other exceptional circumstance, the Club must (a) inform the relevant UK Broadcaster (with a copy to the League) as soon as reasonably possible, and (b) ensure that the second Player included on the shortlist referred to at Rule K.94.1, above, is made available as a replacement, or another suitable alternative is provided who is acceptable to the Broadcaster; and

K.94.5. each participating Club must make its Manager available for each UK Content Session, and

K.94.6. each participating Club must ensure that its Player(s) or Manager who is selected in accordance with this Rule K.94, and/or conduct the interviews with Players and the Manager required by Rules K.94 to K.103 ("Content Session") in accordance with the following requirements.

K.94.1. in advance of the League Match to which the UK Content Session relates, the relevant UK Broadcaster will provide each participating Club with a copy to the League with a shortlist of two Players that it wishes to be made available for the UK Content Session;
Guidance

Broadcasters will be encouraged to provide the shortlist referred to at Rule K.94.1 as far in advance of the League Match in question as possible to allow Clubs sufficient time to meet their obligations under Rule K.94.3 (and, in any event, such shortlists should be sent to Clubs no later than 24 hours before the deadline set out in Rule K.94.3). Any delay in the submission of such shortlists by Broadcasters will be taken into account by the League when considering Clubs’ compliance with Rule K.94.3.

The League recognises that there may be weeks in which Clubs play two (or indeed in exceptional cases more than two) League Matches, e.g. over the Christmas period, and the League will take account of this in monitoring compliance with these Rules. The League will monitor Broadcast access during such times to ensure that unreasonable demands are not being placed on Clubs.

K.95. The selection of Players to be made available by Clubs for UK Content Sessions throughout the Season is subject to the following:

K.95.1. subject to Rules K.95.2 and K.95.3, below, each Player listed on a Club’s Squad List must be made available by the Club, in accordance with Rule K.94, for no fewer than 75% of the UK Content Sessions for which he is selected (by his inclusion on the shortlists referred to at Rule K.94.1);

K.95.2. no Club will be required to make any Player available for two consecutive UK Content Sessions;

K.95.3. no Club will be required to make any Player available for UK Content Sessions on more than six occasions per Season; and

K.95.4. each Club is entitled to apply to the Board for special dispensation for a Player to be granted an exemption from the requirements of Rule K.94 for a period of up to four weeks. The Board will only grant such special dispensation in exceptional circumstances and only once per Season in respect of each Player. Should a Club wish to make an application for special dispensation in accordance with this Rule, it must do so in writing to the Board, citing reasons (and, where appropriate, supporting evidence) for its application. The Board’s decision as to whether or not to grant such special dispensation in each case is final and not subject to challenge. Where such dispensation is granted, the Board will confirm to the Club how that dispensation affects the Player’s remaining obligations under Rules K.94 to K.100 for the remainder of the Season.

Guidance

By way of example, should a Player be shortlisted for UK Content Sessions on five occasions throughout the Season, he must be made available by the Club an four of those occasions. If it is determined at the end of the Season that a Player has been made available by his Club for fewer than 75% of the UK Content Sessions for which he has been shortlisted, that Club will be in breach of Rule K.95.

Clubs are free to exceed the minimum requirements referred to at Rule K.95 (by, for example, making a Player available for more than six UK Content Sessions and/or more than 75% of the UK Content Sessions for which he has been shortlisted), should they wish to do so.

K.96. Each Club shall ensure that, on no fewer than six occasions per Season, its UK Content Session takes place at a location other than the dedicated room referred to at Rule K.91, above. The date of such UK Content Session and their location in each case shall be subject to the agreement of the Club and the relevant UK Broadcaster.

Guidance

In the event that any League Matches during Season 2021/22 are played in accordance with the Match Day Protocol (COVID-19), compliance with Rule K.97 will be assessed on a pro rata basis across Season 2021/22 (ie, if half of the Club’s League Matches are played in accordance with the protocol, the Club will only be required to provide three UK Content Sessions of the type referred to in Rule K.96).

K.97. Each Club shall ensure that, on no fewer than five occasions per Season, it makes two or more of its Players available together for a UK Content Session. The date of such Content Session in each case shall be subject to the agreement of the Club and the relevant UK Broadcaster. Where it is agreed between the Club and the relevant UK Broadcaster that two or more Players will be made available together for a Content Session, the identity of the Players to be made available will be determined as follows:

K.97.1. the relevant UK Broadcaster will provide the Club (with a copy to the League) with a shortlist of two Players, from which the Club will select one Player to be made available for the Content Session;

K.97.2. subject to Rule K.95, once the identity of the first Player to be made available is confirmed by the Club to the relevant UK Broadcaster, the UK Broadcaster will then provide a further shortlist of two Players, which may include a Player included on the shortlist referred to at Rule K.97.1 above (with a copy to the League), from which the Club will select one Player to be made available for the Content Session; and

K.97.3. in the event that the relevant UK Broadcaster and the Club agree that one or more further Player(s) will be made available for the Content Session, their identity in each case will be determined by means of the process referred to in Rule K.97.2 above.

Guidance

In the event that any League Matches during Season 2021/22 are played in accordance with the Match Day Protocol (COVID-19), compliance with Rule K.97 will be assessed on a pro rata basis across Season 2021/22 (ie, if a fifth of the Club’s League Matches are played in accordance with the protocol, the Club will only be required to provide four of the Content Sessions of the type referred to in Rule K.97).

International Content Sessions

K.98. Subject to Rules K.101 and K.102 below, in respect of each League Match:

K.98.1. both participating Clubs shall ensure the attendance of (at least) one Player and/or the Manager during the Content Session for discussion and/or recording and/or interview by International Broadcasters, non-UK Broadcasters and the League, for a period of no less than 45 minutes (an “International Content Session”);

K.98.2. both participating Clubs shall give the League at least one weeks’ notice of the date, time and location of their respective International Content Session (subject to Rules K.101 and K.102) and the name(s) of the individual(s) who will be made available for the International Content Session, which may be amended in each case, subject to the agreement of the League, in exceptional circumstances and provided that no such amendment is made within 72 hours of the League Match to which the International Content Session relates; and

K.98.3. any Player(s) to be made available by the Club for an International Content Session must have featured prominently in any of the Club’s previous three League Matches (assessed as at the date when the notice referred to in Rule K.98.2 is provided to the League).

Guidance

There may be occasions in which a Club wishes to make a Player available for an International Content Session who does not meet the criteria specified in Rule K.98.3, but who is nevertheless editorially relevant (for example, a Player who has recently recovered from injury and/or who has been recently signed). In such circumstances, Clubs should consult with the League, which may provide dispensation from the requirements of Rule K.98.3, where it agrees with the editorial relevance of the Player.
Section K: Stadium Criteria and Broadcasters’ Requirements

K.99. In respect of each League Match, each International Content Session must take place by the following deadlines:

<table>
<thead>
<tr>
<th>Day of League Match</th>
<th>Deadline for International Content Session</th>
</tr>
</thead>
<tbody>
<tr>
<td>Saturday, Sunday or Monday</td>
<td>Within six days of the League Match, to start no later than 1.30pm on the immediately preceding Friday.</td>
</tr>
<tr>
<td>Tuesday</td>
<td>Within six days of the League Match, to start no later than 1.30pm on the immediately preceding Monday.</td>
</tr>
<tr>
<td>Wednesday</td>
<td>Within six days of the League Match, to start no later than 1.30pm on the immediately preceding Tuesday.</td>
</tr>
<tr>
<td>Thursday</td>
<td>Within six days of the League Match, to start no later than 1.30pm on the immediately preceding Wednesday.</td>
</tr>
<tr>
<td>Friday</td>
<td>Within six days of the League Match, to start no later than 1.30pm on the immediately preceding Thursday.</td>
</tr>
</tbody>
</table>

Guidance

The League may grant dispensation to Clubs from the deadlines set out in Rule K.99 where training schedules and/or fixtures in other competitions make adhering to such deadline impracticable. In such circumstances, Clubs should seek such dispensation as far in advance of the relevant deadline as reasonably possible to allow the League to consider the request and its effect on Broadcasters.

K.100. Over the course of each Season, each Club shall ensure that:

K.100.1. its Manager is made available for International Content Sessions on no fewer than three occasions;

K.100.2. each of its Players is made available for International Content Sessions as follows:

K.100.2.1. if the Player has been included in his Club’s starting line-up in respect of 30 or more League Matches throughout the Season, that Player must have been made available by his Club for no fewer than three International Content Sessions;

K.100.2.2. if the Player has been included in his Club’s starting line-up in respect of 20 or more League Matches throughout the Season, that Player must have been made available by his Club for no fewer than two International Content Sessions;

K.100.2.3. if the Player has been included in his Club’s starting line-up in respect of 10 or more League Matches throughout the Season, that Player must have been made available by his Club for at least one International Content Session; and

K.100.3. subject to Rules K.98 and K.100.1, every International Broadcaster that wishes to attend one of the Club’s International Content Sessions is permitted to do so and is given no less than 10 minutes of access to interview either (a) one of the Club’s Players, or (b) its Manager.

Guidance

Regardless of the number of International Broadcasters present, Clubs are only required to provide (at least) one Player and the Manager for the 45 minutes specified in Rule K.98. However, Clubs should be aware that the requirement that the Player and/or Manager be made available for a 45 minute period during the International Content Session remains even in the event that no International Broadcasters are in attendance. In those circumstances, the League may use the full 45 minute entitlement, if necessary.

K.101. On no fewer than three occasions during each Season (the dates of which are subject to the agreement of the Club and the League), a Club must make two or more of its Players available together for an International Content Session. In such cases, the League will provide the relevant Club with a shortlist of at least three Players (by no later than seven days prior to the date on which the relevant International Content Session is to take place) from which the Club will select the two or more Players who will be made available for the International Content Session.

Guidance

In the event that any League Matches during Season 2021/22 are played in accordance with the Match Day Protocol (COVID-19), compliance with Rule K.101 will be assessed on a pro rata basis across Season 2021/22 (ie, if a third of the Club’s League Matches are played in accordance with the protocol, the Club will only be required to provide two of the International Content Sessions of the type referred to in Rule K.101).

K.102. At least once per calendar month (with the exception of June and July), each Club must conduct an International Content Session at a location other than the dedicated room referred to at Rule K.91, above (an “International Content Session Plus”). The date and location of each such International Content Session Plus shall be subject to the agreement of the Club and the League in each case.

Guidance

The International Content Sessions referred to at Rules K.101 and K.102 may be carried out in parallel, meaning that (subject to the agreement of the League) a Club may make more than one of its Players available for an International Content Session to take place away from the dedicated room referred to in Rule K.91.

Additional League Content Sessions

K.103. On no fewer than two occasions during each Season, in each case in lieu of its requirement to participate in an International Content Session in accordance with Rule K.98, above, each Club shall instead make available one Player or its Manager for a continuous period of no less than 60 minutes for the recording of additional ‘in-depth’ feature content by the League (the “Feature Session”), subject to the following:

K.103.1. the Feature Session shall take place on either a Monday or a Tuesday at a date and time mutually agreed by the Club and the League;

K.103.2. in advance of the Season, the League shall provide the relevant Club with a shortlist of four individuals (either Players and/or the Manager) from which the Club will select two who will be made available for the two Feature Sessions; and

K.103.3. an individual’s participation in a Feature Session (whether a Player or the Manager) shall count towards the League’s assessment of compliance with Rule K.100.
**Pre-Match Media Conference**

Subject to Rule K.107A, in addition to the requirements of Rules K.94 to K.100, each Club shall ensure that its Manager attends a media conference with Broadcasters and, at its discretion, such other accredited representatives of the media as the Club considers appropriate, to be scheduled as follows:

<table>
<thead>
<tr>
<th>Day of League Match</th>
<th>Day of Pre-Match Media Conference</th>
</tr>
</thead>
<tbody>
<tr>
<td>Saturday, Sunday or Monday</td>
<td>Thursday or Friday to start no later than 1.30pm (save for exceptional circumstances, to be managed and monitored by the League, e.g. in the case of late return from a fixture in the UEFA Europa League).</td>
</tr>
<tr>
<td>Tuesday</td>
<td>Monday to start no later than 1.30pm.</td>
</tr>
<tr>
<td>Wednesday</td>
<td>Monday or Tuesday to start no later than 1.30pm.</td>
</tr>
<tr>
<td>Thursday</td>
<td>Wednesday to start no later than 1.30pm.</td>
</tr>
<tr>
<td>Friday</td>
<td>Thursday to start no later than 1.30pm.</td>
</tr>
</tbody>
</table>

**Guidance**

Whilst not bound to comply with Rule K.104, Clubs that become members of the League in Seasons 2020/21 and 2021/22 are encouraged nevertheless to participate in a similar content session during their membership of the League.

**K.104**

During the period covering Seasons 2019/20, 2020/21 and 2021/22, each Club that remains in membership of the League for that entire period shall use its best endeavours to deliver an additional extended content session to the League, the precise details of which (including the number and identity of the Players to be made available and the time, date and location of the session) shall be subject to the agreement of the Club and the League in each case.

**Guidance**

Within a week of the final League Match of each Season, the League Champions for that Season must participate in five additional features with the League and the UK Broadcaster designated by the League (the “Champions’ Features”) in accordance with the following conditions:

K.105.1. of the five Champions’ Features, no fewer than three must include interviews with one or more Players who have played a significant role in the Club’s performance throughout the Season, and

K.105.2. the content of each of the Champions’ Features must be agreed the Club, the League and the UK Broadcaster designated by the League.

**Guidance**

In the event that the League Champions are required to participate in any other competitions during the week following the final League Match of the Season, making compliance with Rule K.105 impractical, the League and the Club will agree revised dates outside the deadline in Rule K.105 but as soon as possible thereafter.

**K.106**

Subject to Rule K.107A, in addition to the requirements of Rules K.94 to K.100, each Club shall ensure that its Manager attends a media conference with Broadcasters and, at its discretion, such other accredited representatives of the media as the Club considers appropriate, to be scheduled as follows:

**K.107**

Subject to Rule K.107A, each Club must allow UK Broadcasters and the League access to the Pre-Match Media Conference for the Transmission of that conference. Clubs must not delay or otherwise restrict the Transmission of the Pre-Match Media Conference for any longer than 30 minutes after the commencement of that conference.

**K.107A**

Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the Pre-Match Media Conference required by Rules K.106 and K.107 shall take place virtually. No representatives of Broadcasters and other accredited representatives of the media will be present in the room in which the Conference is conducted (save for one camera operator), with the live feed being provided to the League and Broadcasters by the Club.

**Pre-Match Filming**

Subject to Rule K.109A and in addition to the requirements of Rule K.113, by no later than two weeks prior to each Club’s first League Match of the Season, the Club and the League shall agree three positions within the Stadium that may be utilised by Broadcasters for pre-match filming prior to each League Match to be Transmitted live in the UK (“Pre-Match Positions”), one of which shall be the Home Club’s dressing room.

**K.108**

Subject to Rule K.109A and in addition to the requirements of Rule K.113, by no later than two weeks prior to each League Match to be Transmitted live in the UK, the Home Club must notify the League:

K.109.1. which of the Pre-Match Positions will be available to Broadcasters in advance of the League Match; and

K.109.2. a continuous period of 60 minutes, within the period between five hours and two hours prior to kick-off (precise details to be agreed between the League and the Club), when filming can take place by Broadcasters at the designated Pre-Match Position.

**Guidance**

Examples of suitable Pre-Match Positions include the dugout(s), the Manager’s office, the Directors’ Box and/or the tunnel area. The League will ensure that only one Broadcaster at a time is permitted to film at the designated Pre-Match Position.

**K.109A**

Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the obligations set out at Rules K.108 and K.109 shall not apply.

**K.110**

Subject to Rule K.110A, prior to each League Match to be Transmitted live in the UK, the Home Club must agree with the UK Broadcaster the details of a continuous period of 30 minutes, within the period between 120 minutes and 15 minutes prior to kick-off, when it can film and present for a continuous period of no less than 15 minutes from a location on the pitch (the exact pitch position(s) to be mutually agreed between the UK Broadcaster and the Club).

**Guidance**

Where by reason of adverse weather conditions (or other exceptional circumstances), the filming referred to in Rule K.110 poses a risk to the condition of the pitch, the requirements of Rule K.110 may be waived with the agreement of the League.

The League will monitor requests by UK Broadcasters to conduct the filming referred to in Rule K.110 to ensure:

(a) that requests to do so are made sufficiently in advance of the League Match to enable the Club to properly plan and to ensure that the timing and location of the filming can be recorded in the documents circulated by the relevant Match Manager in the week leading up to the League Match; and

(b) that the filming does not in any way impact upon pre-Match warm-ups by either team or negatively affect the quality of the pitch.
**Section K: Stadium Criteria and Broadcasters’ Requirements**

K.110A. Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the UK Broadcaster shall not be permitted to carry out the on-pitch filming as set out at Rule K.110.

**Guidance**

Notwithstanding Rule K.110A, Clubs are encouraged to allow UK Broadcasters access to other areas of their Stadium, in accordance with the Match Day Protocol (COVID-19).

**Interviews - General**

K.111. If interpretation into English is required for any interview taking place pursuant to Rules K.94 to K.100 (Content Sessions) or K.112 (Match Day Pre-Match Interviews), then it must be provided by the Club.

K.111A. Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), all interviews taking place pursuant to Rules K.112 to K.125 shall be carried out either at one of the pitchside positions set out at Rule K.56 or the location set out at Rule K.59A.

**Match Day Pre-Match Interviews**

K.112. Each Club shall ensure that the following are made available for an interview with one TV Broadcaster (or the League) within the period between 45 minutes and 120 minutes before the kick-off of the League Match:

K.112.1. one of its Players (whose identity shall be confirmed by the Club to the Match Manager and UK Broadcaster filming the League Match (the “Host Broadcaster”) at least 15 minutes before the interview) who is to be in the starting line-up of the League Match (but who must not be the Player who was made available for interview prior to the previous League Match) who will be asked no more than three questions, all of which shall be related to that League Match; and

K.112.2. its Manager, such interview to take place after the team sheets have been publicly announced, the exact time to be agreed with the TV Broadcaster and Match Manager (and to be adhered to by the Club and Manager once so agreed).

**Guidance**

With regard to Rule K.112.1, it is appreciated that if the pre-match interview takes place before the announcement of the teams, the Club Official nominating a Player to take part may not be aware of the starting line-up due to timing issues. Clubs may accordingly prefer to ensure that such interviews take place after the announcement of the teams. The League reserves the right to investigate a breach of this provision if the nominated Player is one who could reasonably have been anticipated would not start the League Match, and/or if a Club persistently nominates Players none of whom go on to start the League Matches in question.

If the Manager wishes to be interviewed before the announcement of the teams, this will be acceptable provided that the relevant TV Broadcaster (or the League) agrees, and provided that the Manager discloses his/her team selection to the relevant TV Broadcaster (or the League), who will keep this information strictly confidential until after the teams have been publicly announced, which, as noted in Rule K.83, will not occur until 60 minutes before kick-off.

Either of the interviews referred to at Rule K.112, above, may take place in the Club’s dressing room or any area proposed by the Host Broadcaster, subject to the agreement of the Club.

---

**Section K: Stadium Criteria and Broadcasters’ Requirements**

**Dressing Room Filming**

K.113. Subject to Rule K.113A, in respect of each League Match to be Transmitted live by a UK Broadcaster, each participating Club shall permit the UK Broadcaster or the League to gain access to and film footage of its dressing room between the time that the Club’s Strip has been laid out for the Players and the time that the Players arrive at the Stadium.

**Guidance**

Access to the dressing rooms will be for no longer than five minutes and will be monitored by the Match Manager, who will ensure that only the necessary TV Broadcaster and/or League personnel are present. Any footage will not be transmitted until after the official team sheets have been published.

K.113A. Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the obligation at Rule K.113 shall not apply.

**Half-time Interviews**

K.114. In respect of each League Match to be Transmitted live by a UK Broadcaster, the UK Broadcaster may request that the Manager (or a senior member of the coaching staff) of either or each participating Club provides an interview at the end of the half-time interval, before the re-start of the League Match. The Manager may elect to provide the interview requested or decline to do so, at his/her absolute discretion.

**Guidance**

For the avoidance of doubt, where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the Half-Time Interview (if conducted by the Manager) shall take in accordance with Rule K.111A.

**Post-Match Interviews, Mixed Zone and Post-Match Media Conference**

K.115. After the conclusion of each League Match, each participating Club must ensure that it makes its Player(s) and/or Manager available for interview strictly in accordance with the provisions of Rules K.117 to K.125, below. (For the avoidance of doubt the relevant interviewees must remain so available until the interviews are concluded, even if this is after the times stated below).

K.116. No Player or Manager who has been sent-off in a League Match or is suspended for a League Match will be required to be made available for interview during or after that League Match. In such circumstances, the media obligations relating to a Club’s Manager shall be fulfilled by the Club’s assistant manager or another senior member of its coaching staff.

**‘Super-Flash’ Interviews**

K.117. Prior to the conclusion of each League Match, the Host Broadcaster may notify a participating Club of a shortlist of three Players who participated in the League Match and who the Host Broadcaster wishes to interview immediately after the conclusion of the League Match and before returning to the dressing room (the “Super-Flash Interview”).
Section K: Stadium Criteria and Broadcasters’ Requirements

Guidance
For the avoidance of doubt, where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the Super-Flash Interview shall take place in accordance with Rule K.111A and before the Players return to the dressing room.

K.118. When in receipt of that shortlist, the relevant Club must select at least one of the shortlisted Players to be made available for the Super-Flash Interview, together with one further Player (who may or may not be one of the other Players shortlisted by the Host Broadcaster but must have featured prominently in the League Match) who must also be made available for the Super-Flash Interview.

Guidance
Where the shortlisted Player selected pursuant to Rule K.118 is unable to participate in the Super-Flash Interview due to a need to receive immediate medical treatment that becomes apparent to the Club after the conclusion of the League Match, the Club will not be in breach of Rules K.117 or K.118 in the event that it replaces that injured Player with another shortlisted Player who has already returned to the dressing room before being made available for the Super-Flash Interview.

K.119. In the event that the Host Broadcaster does not wish to carry out the Super-Flash Interview to which it is entitled, any other UK Broadcaster present at the League Match may exercise that right (and in the event that no UK Broadcaster wishes to do so, the League may do so).

UK Broadcasters

K.120. In respect of each UK Broadcaster that has the right to the Transmission of a League Match, that UK Broadcaster is entitled to interview two Players and the Manager from each participating Club (save where that Club has provided a Super-Flash Interview to that UK Broadcaster in accordance with Rule K.117) following each League Match, in accordance with the following requirements:

K.120.1. prior to the conclusion of the League Match, the UK Broadcaster may notify a participating Club of a shortlist of three Players who participated in the League Match and who the UK Broadcaster wishes to interview following the League Match;

K.120.2. when in receipt of that shortlist, the relevant Club must select at least one of the shortlisted Players to be made available for interview with the UK Broadcaster, together with one further Player (who may or may not be one of the other Players shortlisted by the UK Broadcaster but must have featured prominently in the League Match) and the Club’s Manager; and

K.120.3. the relevant Players and the Manager must be made available for interview: (a) within 20 minutes of the conclusion of the League Match for interviews with a UK Broadcaster that has Transmitted the League Match live; and (b) within 45 minutes of the conclusion of the League Match for all other UK Broadcasters.

Guidance
In assessing compliance with the requirements of Rule K.120.3, the League will take account of whether the relevant UK Broadcaster submitted its shortlist to the Club prior to the conclusion of the League Match, as required.

Section K: Stadium Criteria and Broadcasters’ Requirements

International Broadcasters and the League

K.121. In respect of each League Match, each participating Club must ensure that at least one of its Players who featured prominently in the League Match and/or its Manager is made available for interview by International Broadcasters in attendance at the League Match and the League (subject to Rule K.123 below), in accordance with the requirements set out in Rule K.124, below.

K.122. Each participating Club is required to ensure that each International Broadcaster in attendance at the League Match and the League receive an interview by either a Player or its Manager in accordance with the deadlines set out in Rule K.124, below, save that a Club that has lost the League Match shall be required to provide such interviews to at least 15 International Broadcasters and the League (or more International Broadcasters, should they wish to do so). The interviews required by this Rule may take place virtually, if so requested by the relevant Broadcaster(s).

K.123. The identity/ies of the individual(s) to be made available for interview in accordance with Rule K.121, above, may be determined by the Club concerned, however, where it receives one or more requests from International Broadcasters that its Manager be made available for an interview, it must ensure that it makes its Manager available in accordance with the following requirements:

<table>
<thead>
<tr>
<th>No. of requests by International Broadcasters</th>
<th>Minimum no. of interviews for which Manager must be made available</th>

<tbody>

</tbody>
</table>

K.124. Each participating Club must make its Players and/or its Manager available for interviews with International Broadcasters and the League by the following deadlines:

K.124.1. within 20 minutes of the conclusion of the League Match for the League save that: (a) where a Player has provided a Super-Flash Interview to the League, he is not required to provide a further post-match interview to the League, and (b) for each League Match that is broadcast live by a UK Broadcaster, this deadline is extended to 30 minutes for Players/the Manager from a Club that has lost the relevant League Match;

K.124.2. within 30 minutes of the conclusion of the League Match for each International Broadcaster Transmitting the League Match live (save that this deadline is extended to 45 minutes for Players/the Manager from a Club that lost the relevant League Match); and

K.124.3. within 45 minutes for each other International Broadcaster that has Transmitted the League Match.
Section K: Stadium Criteria and Broadcasters’ Requirements

Radio Broadcasters

K.125. Each Club participating in a League Match must ensure that each Radio Broadcaster that has the right to the Radio Transmission of that League Match is permitted to interview: (a) at least one Player who featured prominently in the League Match; and (b) the Manager, following the League Match.

Guidance
For the avoidance of doubt, where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the interviews for Radio Broadcasters as required by Rule K.125 shall take place in accordance with Rule K.111A.

For the avoidance of doubt, all Players selected for doping control following a League Match are still expected to comply with their obligations regarding Broadcaster access (save where the doping control officer refuses to allow the Player to depart from the doping control station as a result of, for example, a lack of available chaperones). However, where selection for doping control affects a Player’s ability to make himself available for interview within the deadlines stipulated by these Rules, that will be taken into account by the Board when determining whether a breach has occurred.

Furthermore, Clubs should ensure that they make a sufficient number of Players available for interview by International Broadcasters present. The League will monitor Broadcaster access to ensure a balance between appropriate language content for International Broadcasters and that unreasonable demands are not being placed on Clubs.

With regard to Rule K.121, the League in this context means Premier League Productions, the League’s appointed production partner which undertakes the broadcast of all League Matches on behalf of the League. The League then distributes content to International Broadcasters.

The League considers it extremely important that, wherever possible, International Broadcasters receive interviews from Players with relevant language skills. Rule K.121 requires Clubs to ensure that either a Player or the Manager is available after the League Match for interviews with the League and all International Broadcasters present. The League will monitor Broadcaster access to ensure a balance between appropriate language content for International Broadcasters and that unreasonable demands are not being placed on Clubs.

Nonetheless, Clubs should ensure that they make a sufficient number of Players available for interview by International Broadcasters and the League to ensure compliance with the deadlines set out at Rule K.124. For example, if a Club makes only one Player available for interview by International Broadcasters and the League, it is unlikely that all such Broadcasters will receive interviews within the relevant deadlines. In such circumstances, where the deadlines are missed as a result of too few Players being made available by a Club, that Club will be in breach of these Rules.

“Radio Broadcasters” means for the purposes of this Rule UK and/or Irish radio broadcasters only.

Interviews with TV Broadcasters which take place pursuant to Rules K.117 to K.121 may take place in any location agreed between the relevant Broadcaster and the relevant Club.

K.126. Before 31 July each year, each Club must confirm to the League whether, in respect of each League Match throughout the Season:
K.126.1. each of the Players listed on its team sheet will walk through the Mixed Zone when exiting the Stadium following the League Match; or
K.126.2. a minimum of six of the Players listed on the team sheet will walk through the Mixed Zone when exiting the Stadium following the League Match and the Club will ensure that each Broadcaster in attendance in the Mixed Zone is able to interview at least one such Player.

K.127. Having made the election referred to at Rule K.126, above, each Club must ensure that it complies with its chosen approach at each League Match.

Guidance
Where a League Match is to be played in accordance with the Match Day Protocol (COVID-19), the interviews for Radio Broadcasters shall take place in accordance with Rule K.125. Each Club participating in a League Match must ensure that each Radio Broadcaster that has the right to the Radio Transmission of that League Match is permitted to interview: (a) at least one Player who featured prominently in the League Match; and (b) the Manager, following the League Match.

K.128. Subject to Rule K.128A, each Home Club shall facilitate a media conference following each League Match (the “Post-Match Media Conference”).

Section K: Stadium Criteria and Broadcasters’ Requirements

Promotional Photographs and Footage

K.133. Each Club shall:
K.133.1. select (and notify the League of) one half day period, no later than 48 hours before the start of each Season, during which its Contract Players and Manager may be photographed and/or filmed by the League or its appointee, and
K.133.2. ensure that each of its Contract Players and its Manager is available for a continuous period of no less than 60 minutes during such half day period for the photography and filming referred to at Rule K.133.1.

K.134. For the purposes of the photography and filming referred to in Rule K.133:
K.134.1. each Contract Player shall wear each of the Strips registered by the Club pursuant to Rule M.17; and,
K.134.2. the Manager shall wear match day attire (such as the Club’s official training kit or blazer or suit).

Guidance

Club media and broadcast channels are permitted to attend the session referred to in Rule K.133, above, provided that any additional filming or photography by such channels in no way interrupts or inhibits that session.

K.135. Each Club shall make available at its Stadium or training ground suitable facilities, the details of which shall be agreed between the Club and the League in advance, with the benefit of mains electric power, for the purposes of the filming and photography referred to in Rule K.133.

K.136. Each Club shall provide to the League by no later than 30 September each year a group photograph of all of the Players included on its Squad List and any Under 21 Players who in the Club’s reasonable opinion will play in a significant number of League Matches in the forthcoming Season.

Guidance

The purpose of this requirement is primarily to provide footage of players to be used in dynamic line-ups by TV Broadcasters. In addition, photographs of players will be used by the League's trading cards partner. The League will hold the copyright in these photographs and licence it to Clubs.

In the event that the League or its appointee is unable to carry out the filming or photography of a Contract Player pursuant to Rule K.133 then the Club should provide to the League a front-on head and body photograph of the Contract Player wearing the Club’s home Strip.

As squads change over the Season, the League will ask Clubs to give access to new Players pursuant to Rule K.133.2. While the League will work with Clubs to schedule these further sessions, they will need to be undertaken before any new Player plays in a League Match.

K.137. By no later than its first League Match of the Season, each Club shall submit to the League the results of a questionnaire (the form and content of which shall be determined by the League) completed by each of its Contract Players and its Manager, indicating his/her hobbies and interests in each case, together with details of each language in which he/she is able to carry out any media duties required by these Rules.

Section K: Stadium Criteria and Broadcasters’ Requirements

K.138. Each Club shall ensure that, when reasonably requested to do so by the League, Players and Managers will take part in recordings for the promotional purposes of Broadcasters and the League.

Guidance

The League will manage the requests for access made by Broadcasters under Rule K.138 to ensure that the demands made of Clubs or of individual Players and Managers are not too onerous.

Pre-Season Content Session

K.139. Each Club shall make no fewer than four Players and its Manager available for a Content Session, lasting for a continuous period of no less than 60 minutes, prior to the start of each Season (“Pre-Season Content Session”). The time, date and location of such Pre-Season Content Session, together with the identities of the Players in attendance shall be determined in accordance with Rules K.140 and K.141, below.

K.140. Each Club must ensure the participation of its captain at its Pre-Season Content Session and must ensure that the remaining Players participating in the Pre-Season Content Session include only Players who were listed in the Club’s starting line-up in no fewer than 20 League Matches during the preceding Season (save that the League may grant dispensation from this requirement at its discretion, for example, where the Club registers one or more new Players).

K.141. By no later than the 10 July preceding each Season, each Club must:
K.141.1. notify the League of the identities of the Players (in addition to its Manager) who will be made available for the Pre-Season Content Session; and
K.141.2. agree with the League the time, date and location of the Pre-Season Content Session (which may run immediately prior to or following or concurrently with the period referred to in Rule K.133, above, provided that it in no way inhibits the ability of the League and/or any Broadcaster to carry out the photography or filming required under that Rule).

Guidance

Participation by a Player or Manager in a Pre-Season Content Session will be taken into account by the League in its assessment of Club compliance with Rules K.95 and K.100, as appropriate.

Floodlights

K.142. On the day of each League Match, each Club shall ensure that its floodlights are operational and comply with the requirements of these Rules for such period as the Board may from time to time specify.

K.143. A Club’s Stadium must have floodlights giving a maintained vertical illuminance of:
K.143.1. an average of at least 1650 lux and a minimum of at least 1000 lux when measured towards the principal camera on the Television Gantry; and
K.143.2. an average of at least 1000 lux and a minimum of at least 650 lux at any one location on the pitch when measured towards the four vertical planes at 0°, 90°, 180° and 270° as shown in the pitch lighting grid set out below; and
K.143.3. an average of at least 1650 lux and a minimum of at least 1000 lux on the horizontal reference plane.
Guidance
The average lux value referred to in Rule K.143.1 is calculated by adding together the readings in each direction taken from each of the 96 measurement points referred to in Rule K.145 and dividing them by 96.
The average lux value referred to in Rule K.143.2 is calculated by adding together the readings taken in the same direction at each of the 96 measurement points referred to in Rule K.145 and dividing the total by 96.
The average lux value referred to in Rule K.143.3 is calculated by adding together the readings taken in the same direction at each of the 96 measurement points referred to in Rule K.145 and dividing the total by 96.
Clubs should also take measurements on the horizontal plane at all 96 measurements as referred to in Rule K.145 for reference. These measurements should be reported in the certificate required by Rule K.154.
All measurements should be taken at 1m above the pitch surface.

Guidance
The requirements of Rule K.144 are often expressed by technical experts as “U1 values” and “U2 values” in the following manner:
*Uniformity (U1 [min/max]) > 0.50
Uniformity (U2 [min/ave]) > 0.60*

Guidance - Pitch Lighting Grid
To illustrate what is meant by this, Clubs are requested to measure and report lux values using a grid as shown below demonstrating each point on the pitch at which a measurement must be taken and recorded:

The certificate to be provided to the League pursuant to Rule K.154 must contain the outcome of the measurement of the lux values at each point and in each direction on the pitch in this format. As five measurements must be taken at each of the 96 points, a total of 480 measurements must be taken (or 576 if including an assessment of illuminance towards the main camera).

K.144. The floodlighting must provide uniformity of maintained vertical illuminance at all locations on the pitch such that the minimum illuminance is no less than half of the maximum illuminance and no less than 60% of the average illuminance.

Guidance
The requirements of Rule K.144 are often expressed by technical experts as “U1 values” and “U2 values” in the following manner:
*Uniformity (U1 [min/max]) > 0.50
Uniformity (U2 [min/ave]) > 0.60*

K.145. Calculation, measurement and reporting of the lux values shall be undertaken on the pitch using 96 measurement points in a grid format and at an equal distance from each other on each axis.

K.146. At each of the 96 measurement points referred to in Rule K.145, five measurements shall be taken at one metre above the pitch and in the following five directions:
K.146.1. one measurement shall be taken on the horizontal plane at each reference point as shown in the pitch lighting grid set out below;
K.146.2. when necessary, one measurement shall be taken towards the main camera on the Television Gantry (represented as position no. 1 on Plan A of Appendix 3); and
K.146.3. four measurements shall be taken in four directions. The measurements shall be taken at 0°, 90°, 180° and 270° planes as shown in the pitch lighting grid set out below.

The certificate to be provided to the League pursuant to Rule K.154 must contain the outcome of the measurement of the lux values at each point and in each direction on the pitch in this format. As five measurements must be taken at each of the 96 points, a total of 480 measurements must be taken (or 576 if including an assessment of illuminance towards the main camera).

K.147. The 12 rows of seating nearest to the pitch (save for such rows in the stand where the Television Gantry is situated) shall be illuminated such that they have a minimum vertical illuminance perpendicular to the pitch of at least 200 lux and provide a comfortable, glare-free environment for spectators.

K.148. The illuminance referred to in Rule K.147 shall be measured by measurements taken at illuminance test reference points located at 10m intervals on the tenth row of seating around the pitch. The illuminance test reference points are required in all seating areas around the perimeter of the pitch save for areas adjacent to the Television Gantry.

K.149. Floodlighting shall be installed and arranged so as not to cause undue glare to Players.
Section K: Stadium Criteria and Broadcasters’ Requirements

Guidance
This is especially important in the goalmouth area where it is recommended by the International Commission on Illumination that no floodlights are installed in the horizontal zone of 5º of either side of the goal line.

K.150. Each Club’s floodlighting shall have:
K.150.1. colour rendering index Re of greater than 80;
K.150.2. an average colour temperature of between 5200kelvin and 6000kelvin, being the average of three measurements taken in the middle of each goal-line and on the centre spot; and
K.150.3. flicker (as measured by flicker factor) of no more than 6% at any one or more of the 96 measurement points referred to in Rule K.145 when measured towards the principal camera on the Television Gantry.

K.151. Each Club must have installed at or adjacent to its Stadium an alternative power source for the floodlights such that the floodlighting shall continue with a minimum average illuminance of greater than 800 lux on the horizontal plane in the event of the failure of the primary power source.

K.152. Details of the alternative power source referred to in Rule K.151, the estimated time before floodlights are available again in the event of failure of the primary power source, and the lux value of the floodlights when powered by the alternative power source must be set out in the annual floodlighting report referred to in Rule K.154 and the procedure referred to in Rule K.156.

K.153. Each Club shall ensure that the floodlighting installation and supporting services at its Stadium are properly designed and maintained.

K.154. In advance of each Season, the League will notify each Club whether it is required to undergo an independent assessment of its compliance with the illuminance requirements of Rules K.143 and K.146 by a Person appointed by the League or, alternatively, whether it is required to provide a certificate signed by a Chartered Electrical Engineer, a member of the Institute of Lighting Professionals or a member of the Society of Light and Lighting (in this Rule “the Signatory”) certifying:
K.154.1. the floodlights have been inspected by the Signatory and in his/her opinion comply with Rules K.143 to K.153;
K.154.2. the illuminance meter used to measure compliance with Rule K.143 was:
K.154.2.1. cosine corrected;
K.154.2.2. suitable for use for measuring the illuminance of floodlighting;
K.154.2.3. fitted with a wide-angle receptive light sensor; and
K.154.2.4. calibrated at least once in the previous 12 months (and a copy of the most recent certificate of calibration shall be attached to the certificate required to be provided in accordance with this Rule); and
K.154.3. the floodlighting installation and its supporting services have been designed to an appropriate standard in compliance with these Rules and have been properly maintained.

K.155. If works are undertaken at a Club’s floodlighting installation and support services after the submission of the certificate referred to in Rule K.154 then the Club must provide a further such certificate to the League within four weeks of those works being concluded.

K.156. Each Club must devise, implement and make available to the League on request, an operation procedure to ensure the minimum possible level of disruption in the event of a power failure at the Stadium (as referred to in Rule K.151) or a failure in any Stadium electrical system, which complies with such guidance as issued by the League from time to time.

L.1. The Board shall:
L.1.1. determine the dates and kick-off times of all League Matches as soon as practicable prior to the commencement of each Season; and

### Section M: Players’ Identification and Strip

| **M.22.** Subject to Rules M.21 and M.23, when playing in League Matches the Players of each participating Club shall wear a Strip which is of a sufficient contrast that Match Officials, spectators and television viewers (including those with colour vision deficiency) will be able to distinguish clearly between the two teams. In selecting the choice of Strip the following order of precedence shall apply unless authorised by the Board:
| **M.22.1.** 1st priority: the outfield players of the Home Club who shall wear their home Strip;
| **M.22.2.** 2nd priority: the outfield players of the Visiting Club;
| **M.22.3.** 3rd priority: the Home Club goalkeeper; and
| **M.22.4.** 4th priority: the Visiting Club goalkeeper.

| **M.23.** The Match Officials shall wear colours that distinguish them from the Strip worn by the two Clubs. In the event of the Match Officials not having distinguishing colours then the Visiting Club goalkeeper must change and if this is not possible the Home Club goalkeeper must do so.

| **M.24.** At least 10 days prior to each League Match the Visiting Club shall notify the Home Club and the League (by such means as advised by the Board from time to time) of the Strip it intends its Players (including for the avoidance of doubt its goalkeeper) to wear.

| **M.25.** The League, in consultation with PGMOL acting on behalf of the referee, will determine any disputes arising between Clubs and no later than three working days prior to each League Match notify both Clubs and the Match Officials of the colours to be worn.

**Guidance**

In respect of each League Match, the League will notify Clubs of the confirmed Strips to be worn by the Home Club and the Visiting Club (together with the uniform to be worn by the Match Officials) in the form of the Match Day Information Sheet.

For the avoidance of doubt, pursuant to the League’s power to resolve disputes arising between Clubs regarding Strips, the League may (if necessary) require one or both Clubs to wear different shirts and/or shorts and/or socks from more than one of their respective registered Strips to ensure sufficient contrast, as required by Rule M.22.

Further, Clubs should be aware that, pursuant to Rule N.6.10, the Match referee is empowered, where there is a clash between the Strip(s) or one or more Clubs participating in a League Match and the ball assistants and/or stewards on duty at the League Match, to require that the ball assistants and/or stewards change their uniform(s) to remove the clash. Clubs are required to bear this in mind when selecting Strips.

| **M.26.** In the event of a dispute arising on the day of a League Match in relation to the Strip to be worn then the referee’s decision shall be final.

| **M.27.** Subject to Rule M.21, no Club shall participate in a League Match wearing a Strip other than its registered home Strip or alternative Strip or a combination of the same (in either case as instructed under Rule M.25 or Rule M.26) except with the prior written consent of the Board.

| **M.28.** Each Club shall ensure that it has available at each League Match a replacement Strip for each Player named on the team sheet which can be used in the event of a Player requiring to change any part of his Strip. Each Player’s replacement Strip shall comply with Rules M.7 and M.8.

| **M.29.** When participating in a League Match no Player shall reveal undergarments that show political, religious or personal slogans, statements or images, or advertising other than a manufacturer’s logo. The Board may proceed under Section W against either the Player or his Club or both for any breach of this Rule.

### Strip Advertising

| **M.30.** Provided that:
| **M.30.1.** the content, design and area of the advertisement is approved by the Board; and

U.24. A Club which transfers or cancels the registration of a Player may not apply to register that Player within a year except with the prior written consent of the Board.

Multiplicity of Registrations

U.25. A Player shall not apply to be registered by more than one Club (or club) at any one time and the Board shall refuse any application made in breach of this Rule.

Monthly Registrations

U.26. There shall be no limit to the number of times a Monthly Contract registration may be extended under Rule U.21 provided that a Club intending to apply to extend the Monthly Contract registration of a Player for a third or subsequent time shall give to the Player not less than seven days’ notice of its intention to do so.

U.27. Notwithstanding the provisions of Rule V.1, a Club may apply at any time to extend a Monthly Contract registration provided it has not been allowed to expire.

Termination of Registrations

U.28. The registration of an Amateur Player:

U.28.1. shall expire at the end of the Season in which it commenced;

U.28.2. may be terminated before its expiry by agreement to that effect between the Club and the Player, such agreement to be notified in writing forthwith by the Club to the Board; and

U.29.4. in the case of a Contract Player, upon his contract being terminated on the ground of his permanent incapacity; and

U.32.3.2. implemented any option provision in respect of him; and

U.32.4. in the case of each Academy Player whose registration it holds and with whom it has entered into a Scholarship Agreement (as defined in the Youth Development Rules), whether or not the Club has:

Section U: Players – Registrations

U.33. The date by which each Club is required by Rule U.32 to give confirmation to the Board shall be extended in the case of a Club which on the third Saturday in May in any year is still participating in the F.A. Cup, the UEFA Champions League, the UEFA Europa League or the UEFA Europa Conference League or has yet to play a League Match the outcome of which could affect:

U.33.1 Identification of the League Champions in accordance with Rule C.11; or
U.33.2 Identification of the Clubs to be relegated in accordance with Rule C.14; or
U.33.3 Qualification for a UEFA Club Competition.

U.34. In the circumstances mentioned in Rule U.33, the Club shall give the Board the information required by Rule U.32 within four days of the last relevant F.A. Cup match, UEFA Champions League Match, UEFA Europa League match, UEFA Europa Conference League match or League Match having been played.

U.35. The particulars contained in Clubs’ lists of Players shall be published by the Board by the second Saturday in June in each year.

Clubs Ceasing to be Members

U.36. Upon a Club (in this Rule and Rule U.37 called “the Former Member”) ceasing to be a member of the League under the provisions of Rule B.5 (other than by reason of its relegation from the League in accordance with Rule C.14), the registrations of its Players (except those held in consequence of a Temporary Transfer) shall vest in the League and thereupon the League shall be at liberty to transfer those registrations as it shall think fit and shall receive any Compensation Fees to which the Former Member would otherwise have been entitled under the provisions of Section V of these Rules (Players – Transfers of Registrations).

U.37. Any Compensation Fees obtained in accordance with Rule U.36 shall belong to the League and out of them the Board shall have power to make a grant to either or both of:

U.37.1 any Club to which Compensation Fees are owed by the Former Member; and
U.37.2 the Former Member.

Prohibition of Third Party Investment

U.38. Unless otherwise agreed by the Board and subject to Rule U.39, a Club may only make or receive a payment or incur any liability as a result of or in connection with the proposed or actual registration (whether permanent or temporary), transfer of registration or employment by it of a Player in the following circumstances:

U.38.1 by payment to a Transferor Club or receipt from a Transferee Club of a Compensation Fee, Contingent Sum, Loan Fee or sell-on fee;
U.38.2 by payment of levy pursuant to Rules V.38, V.39 and V.40;
U.38.3 by receipt of all or part of a Compensation Fee, Contingent Sum, Loan Fee or sell-on fee, in default of payment of it by the Transferee Club from which it is due, from:

U.38.3.1 a financial institution or other guarantor;
U.38.3.2 the League in accordance with the provisions of these Rules; or
U.38.3.3 the Football League in accordance with the provisions of the Regulations of The Football League;
U.38.4 by way of remuneration (including benefits in cash or kind and Image Contract Payments) to or for the benefit of a Contract Player whose registration it holds;
U.38.5 by way of an allowance permitted by Youth Development Rule 287, to an Academy Player with whom it has entered into a Scholarship Agreement (as defined in the Youth Development Rules);
U.38.6 by way of payment to an Intermediary strictly in accordance with the terms of the The FA Regulations on Working with Intermediaries;
U.38.7 by payment of incidental expenses arising in respect thereof;
U.38.8 by payment or receipt of training compensation or solidarity payment pursuant to the FIFA Regulations for the Status and Transfer of Players and any other levies or payments payable to or by a Club pursuant to the statutes or regulations of FIFA or any other football governing body from time to time, or otherwise properly due to or from such a governing body;
U.38.9 by payment of value added tax payable in respect of any of the above payments or liabilities; and
U.38.10 in the case of a Transferor Club, by assignment of its entitlement to a Compensation Fee or Loan Fee to a Financial Institution.

Assignment of Entitlement to Compensation Fee or Loan Fee

U.39. In respect of a player whom it applies to register as a Contract Player, a Club is permitted to make a payment to buy out the interest of a Person who, not being a Club or club, nevertheless has an agreement either with the club with which the player is registered, or with the player, granting it the right to receive money from a new Club or club for which that player becomes registered. Any such payment which is not dependent on the happening of a contingent event may be made either in one lump sum or in instalments provided that all such instalments are paid on or before the expiry date of the initial contract between the Club and the player. Any such payment which is payable upon the happening of a contingent event shall be payable within seven days of the happening of that event.

A Club may only assign its entitlement to a Compensation Fee or Loan Fee to a Financial Institution in accordance with Rule U.38.10 where, as a condition of such assignment, the relevant Financial Institution confirms in a written agreement with the Club that it will not further assign the entitlement to a third party without the express prior written consent of the League.
Players – Contracts, Registrations and Transfers

Section V: Players – Transfers of Registrations

Transfer Windows

V.1. “Transfer Windows” means the two periods in a year during which, subject to Rule V.4, a Club may apply for:

V.1.1. the New Registration of a player;
V.1.2. the registration of a player transferred to it; and
V.1.3. the registration of a Temporary Transfer.

V.2. The Summer Transfer Window in any year shall:

V.2.1. conclude at 17:00 on the Thursday before the commencement of the relevant Season or at such other time as the Board may determine in its discretion (which will only be exercised in the event of agreement by a simple majority of Clubs on an alternative date and time); and
V.2.2. commence either: (1) at midnight on the last day of the Season; or (2) at midnight on the date 12 weeks prior to the date on which it is to conclude (in accordance with Rule V.2.1, above), whichever is the later.

Guidance

The Board will confirm the two issues of: (a) the date/time on which the Summer Transfer Window will open; and (b) whether or not the Summer Transfer Window will close at a date/time other than at 17:00 on the Thursday before the commencement of the relevant Season, at the first General Meeting of the preceding Season. (For example, the opening and closing time and date of the 2021 Summer Transfer Window will be determined at the first General Meeting of Season 2021/22).

V.3. The Winter Transfer Window in any year shall commence at midnight on 31 December or at such other date and time as the Board shall determine and shall end on 31 January next if a Working Day or, if not, on the first Working Day thereafter, at a time to be determined by the Board.

V.4. Outside a Transfer Window, the Board in its absolute discretion may:

V.4.1. refuse an application to register a player, or
V.4.2. grant an application to register a player and, if thought fit, impose conditions by which the Club making the application and the player shall be bound.

Temporary Transfers

V.5. A “Temporary Transfer” shall mean the transfer of a contract registration effected in accordance with Rules V.6 to V.10.

V.6. Subject to the conditions set out below, a Temporary Transfer shall be permitted:

V.6.1. between Clubs; and
V.6.2. between a Club and a club in membership of The Football League, the National League, the Northern Premier League, the Isthmian League and the Southern League; and
V.6.3. between a Club that has its registered address in Wales and a club in membership of the Welsh Premier League.

V.7. The conditions referred to in Rule V.6 are:

V.7.1. a Temporary Transfer to a Club may not take place in the Transfer Window in which the Transferor Club acquired the Player’s registration;
V.7.2. during the period of the Temporary Transfer of his contract registration a Player shall not play against the Transferor Club;
V.7.3. if during the period of a Temporary Transfer the Player’s registration is transferred permanently from the Transferor Club to the Transferee Club, the two Clubs may agree in writing (with such agreement copied to the League) that the Player shall not play against the Transferor Club for the remainder of the Season;
V.7.4. subject to any conditions imposed by the Board in the exercise of its discretion under Rule V.4.2, the minimum period of a Temporary Transfer shall be the period between two consecutive Transfer Windows and the period of a Temporary Transfer shall not extend beyond 30 June next after it was entered into, save that the Board may, in its absolute discretion, permit a Temporary Transfer to be terminated before the commencement of the second Transfer Window (subject to such conditions as the Board deems appropriate);
V.7.5. the maximum number of Temporary Transfers to any one Club registrable in the same Season shall be four and in no circumstances shall more than one be from the same Transferor Club at any one time save there shall be excluded from these numbers any Temporary Transfer of the kind described in V.7.6.1 or V.7.6.2;
V.7.6. subject to any conditions imposed by the Board in the exercise of its discretion under Rule V.4.2, not more than two Temporary Transfers shall be registered by a Club at the same time except that there shall be excluded from that number:
V.7.6.1. any Temporary Transfer which become permanent; and
V.7.6.2. the Temporary Transfer of a goalkeeper which in its absolute discretion the Board may allow in circumstances it considers to be exceptional;
V.7.7. a Club may transfer the registration of no more than one of its goalkeepers by way of temporary Transfer to another Club each Season, subject to any further Temporary Transfer of one of its goalkeepers pursuant to Rule V.7.6.2; and
V.7.8. any other conditions agreed between the Transferor Club and the Transferee Club or, in the exercise of its discretion, imposed by the Board.

Guidance

For the avoidance of doubt, no Club that already has two Temporary Transfers registered at the same time may be permitted to register a further player whose permanent registration is held by a Club on a ‘sub-loan’. That is to say, if a player is loaned by a club based overseas (or to which Rules V.5 to V.7 do not otherwise apply), that player cannot then be ‘sub-loaned’ by the overseas club to another Club where that Club already has two Temporary Transfers registered at that time.

An example of the circumstances in which the Board might exercise its discretion in Rule V.7.4 is where a Player subject to a Temporary Transfer is unable to represent the Club temporarily holding his registration, due to a long-term injury. In such circumstances, the Board might approve the termination of the Temporary Transfer on the condition that the Player is prohibited from making any first team appearances at the Club with which he re-registers, during the remaining period of the original Temporary Transfer.
Section V: Players – Transfers of Registrations

V.8. The Loan Fee payable on a Temporary Transfer shall be such sum (if any) as shall have been agreed between the Transferee Club and the Transferor Club and set out in Football Association Form H.2 or H.3 (as appropriate) or in a supplementary agreement.

V.9. Any Loan Fee (including any instalments thereof) shall be paid on or before the date or dates agreed between the parties, the latest of which must be no later than 30 June immediately following the conclusion of the Season in which the Temporary Transfer expired.

V.10. A Temporary Transfer shall be effected by submitting to the Board Football Association Form H.2 or Form H.3 duly completed and signed on behalf of the Club by an Authorised Signatory.

Contract Players

V.11. The transfer of the registration of a Contract Player shall be effected in the following manner:

V.11.1. the Transferor Club and the Transferee Club shall enter into a Transfer Agreement signed on behalf of each Club by an Authorised Signatory in which shall be set out full particulars of all financial and other arrangements agreed between the Transferor Club and the Transferee Club and, except as provided below, between the Transferor Club and the Contract Player in relation to the transfer of the Contract Player’s registration whether the same are to take effect upon completion of the transfer or at any time thereafter;

V.11.2. any such arrangements agreed between the Transferor Club and the Contract Player to which the Transferee Club is not privy may be omitted from the Transfer Agreement provided that they are forthwith notified in writing to the Board by the Transferor Club;

V.11.3. the Transfer Agreement shall be sent by the Transferee Club to the Board together with a copy of the contract entered into between the Transferor Club and the Contract Player together with (if applicable) the evidence required by Rules U.12 and U.13; and

V.11.4. the Transferee Club shall pay any Compensation Fee due to the Transferor Club under the terms of the Transfer Agreement in accordance with Rule V.29 and any levy payable under Rule V.38.

V.12. All transfer arrangements in respect of Contract Players are subject to the approval of the Board.

V.13. The Transferee Club will hold the registration of the Contract Player upon receipt of the League’s confirmation by email to that effect.

Retired Players

V.14. A Club that, pursuant to Rule U.29.5, holds the registration of a Retired Player who is under the age of 24 years, shall be entitled if his registration is transferred to be paid a Compensation Fee by the Transferee Club.

Section V: Players – Transfers of Registrations

Out of Contract Players

V.15. An Out of Contract Player may seek to be registered by any Transferee Club.

V.16. Upon receiving a formal written offer to effect the New Registration of an Out of Contract Player whose registration it holds, a Club shall forthwith notify the Player and the Board in writing to that effect.

V.17. Provided that the following conditions are satisfied, a Compensation Fee shall be paid to a Transferor Club by a Transferee Club upon effecting the New Registration of an Out of Contract Player:

V.17.1. the Out of Contract Player in question must be under the age of 24 years as at the 30 June in the year his contract of employment with a Club has expired;

V.17.2. on or before the third Saturday in May in the year in which the Player’s contract is to expire or, in the circumstances mentioned in Rule U.33, within four Working Days of the last relevant F.A. Cup match, UEFA Champions League match, UEFA Europa League match, UEFA Europa Conference League match or League Match, in that year having been played, the Transferor Club must send to the Player Form 17 offering him a new contract on the terms therein set out, which must be no less favourable than those in his current contract;

V.17.3. any offer made on Form 17 by a Club to a Player under the provisions of Rule V.17.2 shall remain open and capable of acceptance by the Player for a period of one month from the date upon which it was sent by the Club by ordinary first class post to his usual or last known address; and

V.17.4. a copy of Form 17 must be sent forthwith to the Board.

V.18. Contract terms shall be deemed to be no less favourable if, disregarding any provision for a Signing-on Fee in the Player’s current contract which is stated to be a once only payment, they are at least equal in value to the most favourable terms to which the Player was or is entitled in any year of his current contract.

The Player’s Options

V.19. Upon receiving an offer on Form 17 a Player may either:

V.19.1. accept the same within one month of its date and enter into a new contract with his Club in the terms offered; or

V.19.2. decline it in writing.

V.20. If the Player considers that the terms offered by his Club and set out in Form 17 are less favourable than those in his current contract, he may give notice to that effect to his Club and the Board in Form 18 and apply for a free transfer.

V.21. Such application shall be determined by the Board and if it succeeds:

V.21.1. the Player’s Club will not be entitled to a Compensation Fee upon a Transferee Club effecting his New Registration; and

V.21.2. the Player will receive severance pay in accordance with his contract.
Section V: Players – Transfers of Registrations

The Club’s Options

V.22. If a Club makes an offer to a Player on Form 39 and the Player declines it, upon the expiry of the Player’s contract the Club may either:

V.22.1. enter into a Conditional Contract with the Player in such financial terms as may be agreed;

V.22.2. enter into a Week by Week Contract with the Player, or

V.22.3. if neither a Conditional Contract nor a Week by Week Contract has been entered into or a Week by Week Contract has been determined by the Club, continue to pay the Player the amount of the basic wage under his expired contract, and in any such case the Club shall be entitled to a Compensation Fee upon a Transferee Club effecting the Player’s New Registration provided he then remains under the age of 24 years and the other conditions set out in Rule V.17 have been satisfied.

V.23. The financial terms of a Week by Week Contract shall be those contained in the Player’s expired contract, excluding any Signing-on Fee, except that the Player shall be entitled to receive such incentives (if any) as are payable by the Club to its Contract Players with effect from the date of his new contract.

V.24. An Out of Contract Player who continues to receive from his Club the amount of his basic wage under the provisions of Rule V.22.3 shall not be entitled to play for that Club. If such Out of Contract Player unreasonably refuses or other relevant circumstances exist whereby the Out of Contract Player will not accept an offer of employment by another Club (or club), his Club may make application to the Premier League Appeals Committee for an order that payments to the Out of Contract Player may cease without affecting his Club’s entitlement to a Compensation Fee.

V.25. A Club which has continued to pay the Player the amount of his basic wage under Rule V.22.3 intends to cease making such payments shall give to the Player two weeks’ notice to that effect and upon a Transferee Club effecting the Player’s New Registration provided he then remains under the age of 24 years and the other conditions set out in Rule V.17 have been satisfied.

The Compensation Fee

V.26. The Compensation Fee payable by a Transferee Club to a Transferor Club upon the transfer of the registration of a Contract Player to the Transferee Club shall be such sum as shall have been agreed between the Transferee Club and the Transferor Club and set out in the Transfer Agreement.

V.27. The Compensation Fee likewise payable in respect of an Out of Contract Player under the provisions of Rule V.17 shall be:

V.27.1. such sum as shall have been agreed between the Transferee Club and the Transferor Club or in default of agreement; or

V.27.2. such sum as the Professional Football Compensation Committee on the application of either Club shall determine.

V.28. A Club which is a Transferor Club shall provide to any previous Club or Football League club with which a Player was registered, and which has a right to sell-on fee in respect of any transfer of that Player, full details of any Compensation Fee and Contingent Sum(s) to which it becomes entitled. The Club receiving the information shall not disclose or divulge it directly or indirectly to any third party without the prior written consent of the Transferor Club save to statutory and regulatory authorities or as may be required by law or to its auditors.

Method of Payment

V.29. Subject to Rules V.30 and V.35, all Compensation Fees, Loan Fees (including in both cases instalments thereof) and Contingent Sums payable to a Club or to a Football League club shall be paid (together in each case with value added tax at the then current rate) by telegraphic transfer or by such other means as the Board may from time to time direct.

V.30. If a Club assigns its entitlement to a Compensation Fee or Loan Fee instalment pursuant to Rule U.38.10

V.30.1. it shall procure by means of a legally enforceable agreement that monies payable by virtue of the assignment are paid into the Compensation Fee Account by the assignee; and

V.30.2. it shall irrevocably and unconditionally instruct the Transferee Club to pay such monies to the assignee upon their becoming due.

V.31. Subject to Rule V.37.2, forthwith upon receiving monies into the Compensation Fee Account the Board shall pay the same to the Transferor Club entitled to receive them.

V.32. A Transfer Agreement shall provide that the agreed Compensation Fee together with value added tax at the then current rate shall be paid on or before the expiry date of the initial contract between the Transferee Club and the Contract Player. Compensation Fee instalments shall be paid on or before the dates set out in the Transfer Agreement (and if any such date is not a Working Day then the instalment shall be paid on the Working Day which immediately precedes that date).

V.33. Where any Compensation Fee payable under the provisions of Rule V.17 is not agreed between the Transferee Club and the Transferor Club, the Transferee Club shall upon applying to register the Out of Contract Player pay into the Compensation Fee Account at least half the Compensation Fee offered to the Transferor Club and the balance shall likewise be paid as determined by the Professional Football Compensation Committee under Rule V.27.2.

V.34. If the registration of a Player is further transferred before the Compensation Fee in respect of an earlier transfer is paid in full, the Transferee Club in that earlier transfer shall forthwith pay the balance of such Compensation Fee into the Compensation Fee Account, save:

V.34.1. where it has received an instruction in accordance with Rule V.30.2, in which case it shall pay such balance to the assignee named in the instruction on the date or dates when it becomes due under the Transfer Agreement pursuant to which it acquired the registration of the Player; or

V.34.2. where the Board expressly approves an alternative arrangement for the payment of the balance of the Compensation Fee into the Compensation Fee Account.
V.35. An agreement for an International Transfer and a Transfer Agreement with a Transferor Club which is not in membership of the League or The Football League shall provide that the Compensation Fee, any instalments thereof and any Contingent Sums payable by the Transferee Club shall be paid (together with any value added tax payable in respect thereof) to The Football Association by telegraphic transfer or by such other means as the Board may from time to time direct for payment to the Transferor Club in accordance with The Football Association Rules.

V.36. Upon the happening of a contingent event resulting in a Contingent Sum (including for the avoidance of doubt, contingent compensation payable pursuant to the Youth Development Rules) becoming payable:

V.36.1. in the case of an International Transfer, the Transferee Club shall forthwith inform the Transferor Club in writing to that effect and shall pay such Contingent Sum by the date stipulated in the transfer agreement (which must be no later than the following 31 July) in accordance with Rule V.35, any

Transfer Levy

V.38. Subject to Rule V.39, upon payment of a Compensation Fee, a Contingent Sum, International Loan Fee or a payment made pursuant to Rule U.39, a Club shall forthwith pay to the League a levy equal to four per cent of the sum paid (net of any value added tax) and in the case of a Compensation Fee or International Loan Fee payable by instalments, the levy upon the whole of it shall be paid as aforesaid upon the Transferee Club applying to register the Player to which it relates.

Guidance

Where in the case of a proposed transfer of the type referred to in Rule V.40, above, the Board is of the view that the financial value attributed to either of the Players is materially below that of the Player's true transfer value (with the effect that a reduced sum is payable by way of levy), the Board will request that the Transferor Club(s) restate(s) the declared transfer value and may exercise its power under Rule V.12 if necessary.

V.42.1. Clubs (or clubs) affiliated to the Football Association, and

V.42.2. Clubs (or clubs) affiliated to the Football Association of Wales but which participate in leagues sanctioned by the Football Association.

Transfer Windows

V.44. During the Transfer Windows in each Season, no Club may register and secure governing body endorsements (in accordance with The FA’s Men’s Players Points Based System) for more than six new U21 Non-Home-Grown Players.

Guidance

The cap on U21 Non-Home-Grown Players set out in Rule V.44 is applicable per Season (which, for the avoidance of doubt, includes the Summer Transfer Window immediately prior to the Season). A Club shall be entitled to register U21 Non-Home-Grown Players without obtaining a governing body endorsement where such Players will be loaned out to clubs outside of the United Kingdom without first participating in League Matches. If at a later date that Club wishes such Players to participate in League Matches it must apply for a governing body endorsement in respect of the Player, who will then (if he is an Under 21 Player) be counted towards the cap on U21 Non-Home-Grown Players set out in Rule V.44 (and any subsequent cap on the number of new U21 Non-Home-Grown Players that the Club may register).

X.3.1. disputes arising from decisions of Commissions or Appeal Boards made pursuant to Rules W.1 to W.78 (Disciplinary) of these Rules ("Disciplinary Disputes");

X.3.2. disputes arising from the exercise of the Board’s discretion ("Board Disputes"); and

X.3.3. other disputes arising from these Rules or otherwise.

X.4. In the case of a Disciplinary Dispute, the only grounds for review of a decision of a Commission or Appeal Board by way of arbitration under this Section X shall be that the decision was:

X.4.1. reached outside of the jurisdiction of the body that made the decision;

X.4.2. reached as a result of fraud, malice or bad faith;

X.4.3. reached as a result of procedural errors so great that the rights of the applicant have been clearly and substantially prejudiced;

X.4.4. reached as a result of a perverse interpretation of the law; or

X.4.5. one which could not reasonably have been reached by any Commission or Appeal Board which had applied its mind properly to the facts of the case.

X.5. In the case of a Board Dispute, the only grounds for review shall be that the decision:

X.5.1. was reached outside the jurisdiction of the Board;

X.5.2. could not have been reached by any reasonable Board which had applied its mind properly to the issues to be decided;

X.5.3. was reached as a result of fraud, malice or bad faith; or

X.5.4. was contrary to English law, and directly and foreseeably prejudices the interests of a Person or Persons who were in the contemplation of the Board at the time that the decision was made as being directly affected by it and who suffer loss as a result of that decision.

Standing

X.6. A Person who is not a party to a Disciplinary Dispute or a Board Dispute may not invoke these arbitration provisions in respect of such a dispute, unless that party can show that they are sufficiently affected by the outcome of the dispute that it is right and proper for them to have standing before the tribunal.

Commencement of the Arbitration

X.7. An arbitration shall be deemed to have commenced (and for the purpose of Rule X.2 a dispute shall be deemed to have arisen) upon the party requesting an arbitration serving upon the other party (and copied to the Board) a request in Form 26.

Appointing the Arbitrators

X.8. Subject to Rule X.13, the tribunal shall comprise three Suitably Qualified Persons (as defined in Rule X.10) and there shall be no umpire.

X.9. Within 14 days of the party requesting an arbitration serving upon the other party (and copied to the Board) the Form 26 pursuant to Rule X.7, each party shall by notice in Form 27 addressed to the other party (and copied to the Board) appoint one Suitably Qualified Person (as defined in Rule X.10), to act as an arbitrator in the arbitration requested. And within 14 days of their appointment (ie, of the date of the second appointee being appointed) the two arbitrators so appointed shall appoint another Suitably Qualified Person (as defined in Rule X.10) as the third arbitrator who shall sit as chair. If the two arbitrators so appointed fail to agree on the appointment of the third arbitrator the Board (or The Football Association if the League is a party) shall make the appointment giving notice in writing to that effect to each party.

X.10. A Suitably Qualified Person for the purposes of this Section X shall be any individual who is both:

X.10.1. a solicitor of no less than 10 years’ admission or a barrister of no less than 10 years’ call; and

X.10.2. independent of the party appointing him/her and able to render an impartial decision.

X.11. If a party refuses or fails to appoint an arbitrator when it is obliged to do so in accordance with these Rules the Board (or The Football Association if the League is a party) shall make the appointment giving notice in writing to that effect to each party.
Section X: Arbitration

Appointing a Single Arbitrator

X.13. Notwithstanding the provisions of Rule X.8, the parties shall be at liberty to appoint a single arbitrator (who must be a Suitably Qualified Person) in which case:
X.13.1. Form 28 shall be substituted for Form 27; and
X.13.2. this Section of these Rules shall be interpreted on the basis that the tribunal comprises a single arbitrator who shall undertake the duties of the chairman.

Replacing an Arbitrator

X.14. If following his/her appointment an arbitrator refuses to act, becomes incapable of acting, is removed by order of a competent court or dies, the Board (or The Football Association if the League is a party) shall appoint a replacement arbitrator (who must be a SuitablyQualified Person) to replace him/her.

Communications

X.15. All communications sent in the course of the arbitration by the arbitrators shall be signed on their behalf by the chairman.
X.16. Such communications addressed by the arbitrators to one party shall be copied to the other and to the Board.
X.17. Any communication sent by either party to the arbitrators shall be addressed to the chairman and shall be copied to the other party and the Board.

Directions

X.18. The chairman of the tribunal shall decide all procedural and evidential matters and for that purpose within 14 days of his/her appointment he/she shall either give directions for the conduct of the arbitration addressed in writing to each party or serve on each party Form 29 requiring their attendance at a preliminary meeting at which he/she will give directions. In either case the directions shall address without limitation:
X.18.1. where appropriate, whether the proceedings should be stayed to permit the parties to explore whether the dispute may be resolved by way of mediation;
X.18.2. whether and if so in what form and when statements of claim and defence are to be served;
X.18.3. whether and if so to what extent discovery of documents between the parties is necessary;
X.18.4. whether strict rules of evidence will apply and how the admissibility, relevance or weight of any material submitted by the parties on matters of fact or opinion shall be determined;
X.18.5. whether and if so to what extent there shall be oral or written evidence or submissions.

The Tribunal’s General Powers

X.19. The chairman of the tribunal shall have power to:
X.19.1. allow either party upon such terms (as to costs and otherwise) as it shall think fit to amend any statement of claim and defence;
X.19.2. give directions in relation to the preservation, custody, detention, inspection or photographing of property owned by or in the possession of a party to the proceedings;
X.19.3. give directions as to the preservation of evidence in the custody or control of a party;
X.19.4. direct that a witness be examined on oath;
X.19.5. require each party to give notice of the identity of witnesses it intends to call;
X.19.6. require exchange of witness statements and any expert’s reports;
X.19.7. appoint one or more experts to report to it on specific issues;
X.19.8. require a party to give any such expert any relevant information or to produce or provide access to any relevant documents or property;

X.19.10. extend or abbreviate any time limits provided by this Section of these Rules or by its directions;
X.19.11. require the parties to attend such procedural meetings as it deems necessary to identify or clarify the issues to be decided and the procedures to be adopted; and
X.19.12. give such other lawful directions as it shall deem necessary to ensure the just, expeditious, economical and final determination of the dispute.

Duty of the Parties

X.20. The parties shall do all things necessary for the proper and expeditious conduct of the arbitration and shall comply without delay with any direction of the chairman of the tribunal as to procedural or evidential matters.

Default of the Parties

X.21. If either party is in breach of Rule X.20 the tribunal shall have power to:
X.21.1. make peremptory orders prescribing a time for compliance;
X.21.2. make orders against a party which fails to comply with a peremptory order;
X.21.3. dismiss a claim for want of prosecution in the event of inordinate or inexcusable delay by a party which appears likely to give rise to a substantial risk that it will not be possible to have a fair resolution of the issues or will cause serious prejudice to the other party; and
X.21.4. debar that party from further participation and proceed with the arbitration and make an award but only after giving that party written notice of its intention to do so.
### The Hearing

**X.22.** The chairman shall fix the date, time and place of the arbitration hearing and shall give the parties reasonable notice thereof. A representative of the Board shall be entitled to attend the hearing as an observer.

**X.23.** At or before the hearing the chairman shall determine the order in which the parties shall present their cases.

**X.24.** Any witness who gives oral evidence may be questioned by the representative of each party and by each of the arbitrators.

**X.25.** The proceedings of an arbitration convened under this Section X shall be confidential and shall be conducted in private.

### Remedies

**X.26.** The tribunal shall have power to:

- **X.26.1.** determine any question of law or fact arising in the course of the arbitration;
- **X.26.2.** determine any question as to its own jurisdiction;
- **X.26.3.** make a declaration as to any matter to be determined in the proceedings;
- **X.26.4.** order the payment of a sum of money;
- **X.26.5.** award simple or compound interest;
- **X.26.6.** order a party to do or refrain from doing anything;
- **X.26.7.** order specific performance of a contract (other than a contract relating to land); and
- **X.26.8.** order the rectification, setting aside or cancellation of a deed or other document.

### Majority Decision

**X.27.** If the arbitrators fail to agree on any issue they shall decide by a majority and a majority decision shall be binding on all of them. No dissenting judgment shall be produced.

### Provisional Awards

**X.28.** The tribunal shall have power to make provisional awards during the proceedings including, without limitation, requiring a party to make an interim payment on account of the claim or the costs of the arbitration. Any such provisional award shall be taken into account when the final award is made.

### The Award

**X.29.** If before the award is made the parties agree on a settlement of the dispute the tribunal shall record the settlement in the form of a consent award.

**X.30.** The tribunal may make more than one award at different times on different aspects of the matters in dispute.

**X.31.** The award shall be in writing and shall contain reasons for the tribunal’s decision. A copy of it shall be provided to the Board and to the Chair of the Judicial Panel. Where the award contains decisions on points of law or interpretation that the Chair of the Judicial Panel considers to be of wider application or use to the Board and Clubs, with the agreement of the parties to the arbitration, he/she may produce and circulate to the Board (for distribution to Clubs) an anonymised summary of the award.

### Costs

**X.32.** Until they are paid in full, the parties shall be jointly and severally liable to meet the arbitrators’ fees and expenses, the total amount of which shall be specified in the award.

**X.33.** The tribunal shall award costs on the general principle that costs should follow the event except where it appears to the tribunal that in the circumstances this is not appropriate in relation to the whole or part of the costs.

**X.34.** The party in favour of which an order for costs is made shall be allowed, subject to Rule X.35, a reasonable amount in respect of all costs reasonably incurred, any doubt as to reasonableness being resolved in favour of the paying party.

There shall be no right of appeal on a point of law under section 69 of the Act. In the event that a party to arbitration under this Section X challenges the award, whether in the English High Court or any other forum, it shall ensure that the League is provided with a copy of any written pleadings filed and/or evidence adduced as soon as reasonably practicable after their filing.

### Representation

### Waiver

**X.40.** A party which is aware of non-compliance with this Section of these Rules and yet proceeds with the arbitration without promptly stating its objection to such non-compliance to the chairman shall be deemed to have waived its right to object.
Disciplinary and Dispute Resolution

Section Y: Managers’ Arbitration Tribunal

Managers’ Arbitration Tribunal

Y.1. Any dispute arising between the parties to a Manager’s contract of employment shall be determined by the Managers’ Arbitration Tribunal (in this Section of these Rules referred to as “the Tribunal”).

Y.2. The seat of each arbitration conducted by the Tribunal shall be in England and Wales. Each such arbitration shall be decided in accordance with English law.

Y.3. Such an arbitration shall be deemed to have commenced upon the party requesting it serving on the other party a request in Form 26.

Guidance

Parties to such disputes are encouraged to seek resolution without recourse to arbitration through, for example, a pre-action meeting to discuss the matter, prior to issuing a Form 26.

Y.4. The party requesting such an arbitration shall send a copy of Form 26 together with a deposit of £5,000 to the Board. That party will also send a copy of the Form 26 to the Chair of the Judicial Panel who shall forthwith send to each party particulars of those individuals who are members of the Judicial Panel and noting which of the members are eligible to sit as chair of the Tribunal.

Y.5. The Tribunal shall ordinarily comprise three members of the Judicial Panel (one of whom is eligible to sit as chair of the Tribunal) and there shall be no umpire. However, the parties are at liberty to agree that the matter be resolved by a single eligible member of the Judicial Panel, in which case this Section of the Rules shall be interpreted on the basis that the Tribunal consists of a single arbitrator (an eligible member of the Judicial Panel) who shall undertake the duties of the chairman.

Y.6. Within 14 days of service of the Chair of the Judicial Panel sending particulars of members of the Judicial Panel pursuant to Rule Y.4, each party shall by notice in Form 27 addressed to the Board (copied to the Chair of the Judicial Panel) appoint one eligible Judicial Panel member to act as an arbitrator in the arbitration requested, save where a single arbitrator is agreed pursuant to Rule Y.5, in which case the parties shall jointly confirm his/her identity to the Board (and the Chair of the Judicial Panel) in writing.

Y.7. If a party refuses or fails to appoint an arbitrator in accordance with Rule Y.6 the Chair of the Judicial Panel shall make the appointment giving notice in writing to that effect to each party (copied to the Board).

Y.8. Within 14 days of their appointment the two arbitrators so appointed shall appoint a third arbitrator who shall be an eligible legally qualified member of the Judicial Panel and who shall sit as chairman of the Tribunal. If the two arbitrators so appointed fail to agree on the appointment of the third arbitrator the Chair of the Judicial Panel shall make the appointment giving notice in writing to that effect to each party (copied to the Board).

Y.9. If following his/her appointment an arbitrator refuses to act, becomes incapable of acting, is removed by order of a competent court or dies, the Chair of the Judicial Panel shall appoint a member of the Judicial Panel to replace him/her (and provide notice of that appointment to the Board).

Section Y: Managers’ Arbitration Tribunal

Y.10. All communications sent in the course of the arbitration by the Tribunal shall be signed on its behalf by its chairman.

Y.11. Such communications addressed by the Tribunal to one party shall be copied to the other and to the Board.

Y.12. Any communications sent by either party to the Tribunal shall be addressed to its chairman and shall be copied to the other party and to the Board.

Y.13. The chairman of the Tribunal shall decide all procedural and evidential matters and for that purpose within 14 days of his/her appointment he/she shall serve on each party Form 29 requiring their attendance at a preliminary meeting at which he/she will give directions including, but not limited to, those set out in Rule X.18.

Y.14. The chairman of the Tribunal shall have the powers set out in Rule X.19.

Y.15. The parties shall do all things necessary for the proper and expeditious conduct of the arbitration and shall comply without delay with any direction of the chairman of the Tribunal as to procedural or evidential matters.

Y.16. If either party is in breach of Rule Y.15 the Tribunal shall have power to:

Y.16.1. make peremptory orders prescribing a time for compliance;

Y.16.2. make orders against a party which fails to comply with a peremptory order;

Y.16.3. dismiss a claim for want of prosecution in the event of inordinate or inexcusable delay by a party which appears likely to give rise to a substantial risk that it will not be possible to have a fair resolution of the issues or will cause serious prejudice to the other party; and

Y.16.4. debar that party from further participation and proceed with the arbitration and make an award but only after giving that party written notice of its intention to do so.

Y.17. The chairman of the Tribunal shall fix the date, time and place of the arbitration hearing and shall give the parties reasonable notice thereof. A representative of the Board shall be permitted to attend the hearing as an observer. In order to allow the parties time in which to fulfil their obligation to attempt to reach a settlement of the dispute by mediation, the hearing shall not take place before the expiry of 42 days from the deemed commencement of the arbitration.

Guidance

Where the parties engage in mediation, each party should ensure that they are represented in person at such mediation by an individual with sufficient authority to reach a resolution of the dispute.

Y.18. At or before the hearing the chairman of the Tribunal shall determine the order in which the parties shall present their cases.

Y.19. Any witness who gives oral evidence may be questioned by the representative of each party and by each of the arbitrators.
Section Y: Managers’ Arbitration Tribunal

Y.20. Except for the power to order specific performance of a contract, the Tribunal shall have the powers set out in Rule X.26 together with the following additional powers:

Y.20.1. to order the cancellation of the registration of the Manager’s contract of employment;
Y.20.2. to order that the deposit be forfeited by or returned to the party paying it; and
Y.20.3. to make such other order as it thinks fit.

Y.21. The provisions of Rules X.27 to X.40 inclusive, substituting “Tribunal” for “tribunal” and “chairman of the Tribunal” for “chairman”, shall apply to proceedings of the Tribunal.

In exercising its power to award costs the Tribunal shall have regard to the extent to which each of the parties fulfilled their obligation to attempt to reach a settlement of the dispute by mediation.

Y.22. The proceedings of an arbitration convened under this Section Y shall be confidential and shall be conducted in private.

3.3 Appeals

3.3.1 The Player shall have a right of appeal to the Board against any disciplinary decision. The Player should inform the Board in writing of his wish to appeal within fourteen days of the date of notification to him of the decision which forms the subject of such appeal. The Board will conduct an appeal hearing as soon as possible thereafter at which the Player will be given a further opportunity to state his case. The decision of the Board will be notified to the Player in writing within seven days and subject to paragraph 3.3.2 will be final and binding under this procedure.

3.3.2 In the event of any sanction being imposed or confirmed in excess of an oral warning the Player may by notice in writing served on the Club and the League within fourteen days of receipt by the Player of written notification of the decision of the Board give notice of appeal against it to the League who will determine the matter in accordance with the League Rules.

  4.1.3 order the Player not to attend at any of the Club's premises for such period as the Club thinks fit not exceeding four weeks;

  4.1.4 in any circumstances which would entitle the Club to dismiss the Player pursuant to any of the provisions of clause 10 of this contract dismiss the Player or impose such other disciplinary action (including suspension of the Player and/or a fine of all or part of the amount of the Player's basic wage for a period not exceeding six weeks).

4.2 Any warning or sanction given under this disciplinary procedure will be deleted in the Club's records after twelve months.

**Part 2**

Schedule 1
Part 1
Disciplinary Procedure and Penalties

1. Introduction

The disciplinary procedure aims to ensure that the Club behaves fairly in investigating and dealing with allegations of unacceptable conduct with a view to helping and encouraging all employees of the Club to achieve and maintain appropriate standards of conduct and performance. The Club nevertheless reserves the right to depart from the precise requirements of its disciplinary procedure where the Club considers it expedient to do so and where the Player’s resulting treatment is no less fair.

2. Records

All cases of disciplinary action under this procedure will be recorded and placed in the Club’s records until deleted in accordance with paragraph 4.2. A copy of the Club’s disciplinary records concerning the Player will be supplied to the Player at his request.

3. The Procedure

The following steps will be taken as appropriate in all cases of disciplinary action:

3.1 Investigation

No action will be taken before a proper investigation has been undertaken by the Club into the matter complained of. If the Club determines the same to be appropriate the Club may by written notice suspend the Player for up to fourteen days while the investigation takes place. If the Player is so suspended this contract will continue together with all the Player’s rights under it including the payment of the Player’s remuneration and benefits but during the period of suspension the Player will not be entitled to access to any of the Club’s premises except at the prior request or with the prior consent of the Club and subject to such conditions as the Club may impose. The decision to suspend the Player will be notified in writing to the Player by the Club.
3.2 Disciplinary Hearing

3.2.1 If the Club decides to hold a disciplinary hearing about the matter complained of, the Player will be given full details in writing of the complaint against him and reasonable notice of the date and time of the hearing. At the hearing the Player will be given an opportunity to state his case either personally or through his representative as provided for in clause 13 of this contract.

3.2.2 Subject as provided in paragraph 3.2.3 no disciplinary penalty will be imposed without first giving the Player the opportunity to state his case to the Manager or if the Player so requests to a director of the Club and where the Club considers it appropriate or where the Player requests the same without a disciplinary hearing.

3.2.3 A disciplinary hearing may proceed in the Player's absence and a disciplinary penalty may be imposed if he fails to appear at such hearing after having received proper notice thereof.

3.3 Appeals

3.3.1 The Player shall have a right of appeal to the Board against any disciplinary decision. The Player should inform the Board in writing of his wish to appeal within fourteen days of the date of notification to him of the decision which forms the subject of such appeal. The Board will conduct an appeal hearing as soon as possible thereafter at which the Player will be given a further opportunity to state his case. The decision of the Board will be notified to the Player in writing within seven days and subject to paragraph 3.3.2 will be final and binding under this procedure.

3.3.2 In the event of any sanction being imposed or confirmed in excess of an oral warning, the Player may by notice in writing served on the Club and the League within fourteen days of receipt by the Player of written notification of the decision of the Board give notice of appeal against it to the League who will determine the matter in accordance with the League Rules.

3.3.3 If the Player exercises any right of appeal as aforesaid, any sanction imposed by the Club upon the Player shall not take effect until the appropriate appeal has been determined and the sanction confirmed varied or revoked as the case may be.

4. Disciplinary Penalties

4.1 At a disciplinary hearing or on an appeal against a disciplinary decision, the Club may dismiss the allegation or if it is proved to the Club's satisfaction may:

4.1.1 give an oral warning a formal written warning or after a previous warning or warnings a final written warning to the Player;

4.1.2 impose a fine not exceeding the amount of the Player's basic wage for a period of up to two weeks for a first offence (unless otherwise approved by the PFA in accordance with the Code of Practice) and up to four weeks for subsequent offences in any consecutive period of twelve months but only in accordance with the provisions of the Code of Practice;

4.1.3 order the Player not to attend at any of the Club's premises for such period as the Club thinks fit not exceeding four weeks;

4.1.4 in any circumstances which would entitle the Club to dismiss the Player pursuant to any of the provisions of clause 10 of this contract dismiss the Player or impose such other disciplinary action (including suspension of the Player and/or a fine of all or part of the amount of the Player's basic wage for a period not exceeding six weeks).

4.2 Any warning or sanction given under this disciplinary procedure will be deleted in the Club's records after twelve months.

Part 2

Grievance Procedures

1. The Player shall bring any grievance informally to the notice of the Manager in the first instance. The Player may be required by the Manager to put any such grievance in writing. Having enquired into such grievance the Manager will then notify the Player of his decision.

2. If the grievance is not determined by the Manager to the Player's satisfaction the Player may within fourteen days thereafter serve formal notice of the grievance in writing on the secretary of the Club and the matter shall thereupon be determined by the chairman of the Club or by the Board as soon as possible and in any event within four weeks of the receipt of the notice.

12. Where a Club wishes to apply for its Academy to obtain a higher Category status: (a) it must indicate the same in the submission referred to at Rule 7, above; and (b) the assessment processes referred to in Rules 7 and 9 will take place over the course of one year, rather than three. Where a Club can demonstrate at the time of submission that it is compliant with all requirements of the higher Category status, the ISO may consider awarding such higher Category status to the Club on a provisional basis whilst the one-year assessment referred to in point (b) is undertaken.
13. Each Club shall be given no less than one week’s notice of the dates of any element of an ISO Audit and may not change those dates save with the permission of the PGB, which shall only be granted if the PGB is satisfied there are exceptional circumstances which justify such a change.

14. Prior to any element of an ISO Audit being presented to the PGB, the ISO shall:
   14.1. give to the Club a copy of it and of the ISO’s recommendation;
   14.2. thereafter, if requested by the Club, hold a meeting with Officials of the Club and representatives of the League to discuss it; and
   14.3. consider any representations made by the Club or the League about the Club’s ISO Audit and make all appropriate amendments to the ISO Audit consequent upon those representations.

**Guidance**

It is expected that the Club Officials who will attend the meeting with the ISO and the League referred to in Rule 14.2 will include the Academy Manager and the Chief Executive.

15. The PGB, having given due consideration to a Club’s ISO Audit and recommendation and to the advice of the League, shall (where appropriate) issue all licences to operate Academies and shall determine the Category of each Academy in respect of which it grants a licence.

16. For the avoidance of doubt, a Club shall only have the right to make representations to the PGB in connection with its application for a licence to operate an Academy if it believes that the ISO Audit contains manifest error.

17. A Club may only appeal against the decision of the PGB not to issue it a licence to operate an Academy, or against the PGB’s determination of the Category of its Academy, if that decision was:
   17.1. reached as a result of fraud, malice or bad faith;
   17.2. reached as a result of procedural errors so great that the rights of the Club have been clearly and substantially prejudiced;
   17.3. reached as a result of a perverse interpretation of the law; or
   17.4. one which could not reasonably have been reached by any tribunal which had applied its mind properly to the facts of the case.

19. A Club that has had a licence removed may not re-apply for a licence to operate an Academy within three years of the PGB’s determination unless:
   19.1. the PGB is satisfied that there are exceptional circumstances which justify a further application; and
   19.2. the Club bears any costs of the League, ISO and PGB reasonably incurred by any of those bodies in assessing and determining the Club’s further application.

**Guidance**

The circumstances referred to above include a change in ownership or strategic priority within the Club leading to a significantly high level of commitment to and investment in the Academy. The Club would need to demonstrate an improvement in performance against targets, not simply plans to improve performance.

20. Any Club or Official making a false statement (whether made verbally or in writing) or falsifying a document in connection with:
   20.1. an application for a licence to operate an Academy;
   20.2. the League’s annual evaluation undertaken pursuant to Rule 32.2;
   20.3. an ISO Audit; or
   20.4. any other provision of these Rules, shall be in breach of these Rules and shall be liable to be dealt with in accordance with the provisions of Section W of the Premier League Rules.

21. If, in breach of Rule 3.2, a Club fails to comply with any Rule in this section, or if a Club or Official makes a false statement or falsifies a document as set out in Rule 20, then the PGB may:
   21.1. revoke the Club’s licence to operate an Academy; or
   21.2. suspend the Club’s licence to operate an Academy for such time as it shall determine during which the Club shall have the opportunity to ensure it becomes compliant with the relevant Rule; or
   21.3. determine that the Club’s Academy shall have a lower Category than its current Category; or
   21.4. withdraw or suspend the Club’s entitlement to any central funding provided for the purposes of youth development; and
   21.5. in any of the above cases require the ISO to undertake an ISO Audit of the Club’s Academy as soon as reasonably practicable.

22. Without prejudice to Rule 21, any breach of Rules 3.2, 6, 20, 27.2, 36 to 44, 48, 49, 50, 117 to 121, 124.2, 128 to 130, 132, 133, 138, 139, 152 to 154, 161 to 165, 171, 172, 174 to 190, 193 to 200, 216 to 229, 243, 245, 246, 249 to 252, 258, 264, 267, 268, 281, 284, 287 to 289, 299 to 302, 320, 323 or 327 shall be liable to be dealt with under the provisions of Section W of the Premier League Rules.

**Guidance**

Failure to comply with any of the Rules in this section, other than those specified in Rule 22 above, will not ordinarily lead to liability to disciplinary action under Section W. However, such failure to comply may be dealt with pursuant to the terms and conditions of the Club’s Academy licence and may lead to the revocation, suspension or downgrading of that licence, or the withdrawal or suspension of central funding, pursuant to Rule 21.

The League considers that the Rules specified in Rule 22 are of such a nature that breach should open the possibility of disciplinary action under Section W because they impact upon other people or entities, and in particular, Academy Players and/or other Clubs.

Strategy, Leadership and Management of the Academy

**Strategic Documents**

23. Each Club which operates an Academy shall document and make available to the League and to the ISO its Vision Statement, Playing Philosophy and Coaching Philosophy each of which shall be:
   23.1. drawn up by the Technical Board; and
   23.2. annually reviewed and approved by the Club Board.

**Academy Performance Plan**

24. Each Club which operates an Academy shall prepare and make available to the League and to the ISO, as part of the self-assessment process referred to at Rule 7, its Academy Performance Plan.

25. The Academy Performance Plan shall be drawn up under the guidance of the Academy Manager in consultation with such Officials as the Club may consider appropriate (including, by way of example only, the Manager, the Chief Executive, the Academy Management Team and the technical director if the Club has appointed one and the Technical Board) and shall be reviewed annually by the Academy Manager.

26. The Club Board shall:
   26.1. annually review and approve the Academy Performance Plan;
   26.2. ensure that the Academy Performance Plan is communicated to all relevant Officials; and
   26.3. measure the performance of the Academy each year against the objectives, strategy and specific performance targets set out in the Academy Performance Plan and ensure that appropriate action is taken if the performance targets have not been met.

**Performance Management Application**

27. Each Club which operates an Academy shall:
   27.1. utilise the Performance Management Application from the date of its implementation by the League and record on it the data listed in Rule 1.64;
   27.2. ensure that the data held on the Performance Management Application which is within the Club’s control is held securely and is only released to, or accessed by, those Persons who require access to it pursuant to any of these Rules; and
   27.3. provide the League with such information as it may from time to time require for the purposes of analysing and benchmarking on a national or Category-wide basis any aspect of the performance of Academy Players or Clubs.

28. Each Club which operates an Academy shall ensure that the Performance Management Application is available for access by the following individuals:
   28.1. relevant Academy Staff; and
   28.2. Parents of its Academy Players aged 17 and younger, and the Academy Players themselves, in relation to information contained on the Performance Management Application which relates to that Academy Player (but excluding information which in the Club’s reasonable opinion ought not to be so disclosed).

**Technical Board**

29. Each Club which operates an Academy shall establish a Technical Board.

30. The membership of the Technical Board shall consist of such Officials as the Club Board deems necessary in order for the Technical Board to properly perform the functions with which it is tasked by these Rules, and accordingly may include:
   30.1. the Chief Executive;
   30.2. the Manager;
   30.3. the Academy Manager;
   30.4. any technical, football or sporting director employed by the Club;
   30.5. such Officials as can give input from the following functional areas:
         30.5.1. recruitment;
         30.5.2. coaching; and
         30.5.3. Professional Development Phase coaching; and
   30.6. any other Official that the Club deems appropriate.

31. The Technical Board shall provide technical advice and support in the development of the Club’s Playing Philosophy, Coaching Philosophy and Coach Competency Framework, and in the development, implementation and monitoring of the Academy Performance Plan.
### Monitoring

</thead>
<tbody>
<tr>
<td>32.1</td>
<td>on-going monitoring of each Academy; and</td>
</tr>
<tr>
<td>32.2</td>
<td>an annual evaluation of each Academy which shall be made available to the Club, the ISO and, if required, the PGB</td>
</tr>
</tbody>
</table>

| 33. | A Club shall be entitled to publish the results of its ISO Audit and the Category of its Academy. |

### Productivity Profile

| 34. | Each year the League will provide each Club which operates an Academy with an up to date Productivity Profile, benchmarked (on an anonymised basis) against other Clubs (and, if appropriate, Football League clubs). |

### Performance Clock

<table>
<thead>
<tr>
<th>35.</th>
<th>Each Club which operates an Academy shall maintain a Performance Clock for each of its Academy Players and ensure that it is made available to:</th>

</thead>
<tbody>
<tr>
<td>35.1</td>
<td>the Academy Player;</td>
</tr>
<tr>
<td>35.2</td>
<td>his Parent (and without prejudice to the generality of the foregoing the Club shall provide to the Academy Player and his Parent a copy of his Performance Clock if he ceases to be registered with the Club);</td>
</tr>
<tr>
<td>35.3</td>
<td>the League; and</td>
</tr>
<tr>
<td>35.4</td>
<td>the ISO.</td>
</tr>
</tbody>
</table>

#### Guidance

1. The Performance Clock records the Academy Player’s progress throughout his development. The Performance Clock is an embedded application in the Performance Management Application. Information is carried forward year on year (and from club to club) to build into a comprehensive record of the Academy Player’s development. The Performance Clock should provide a breakdown of the time spent in individual and team technical and practical development, matches played, sports science and medicine (including psychological and social development) and educational progression. The Performance Clock logs qualitative information and evidence documented by both coach and Academy Player relating to an Academy Player’s successful progression in the above areas. The Performance Clock also evidences the Academy Player’s Multi-disciplinary Reviews.

2. It should be noted that while there is scope within the Performance Clock for the Academy Player to give feedback and comments, the primary responsibility to maintain Performance Clocks lies with the Club. Any Club which fails to maintain its Academy Players’ Performance Clocks, and make them available in accordance with Rule 35, may jeopardise its categorisation.

### Individual Learning Plans and Multi-disciplinary Reviews

<tbody>
<tr>

</tr>
<tr>
<td>36.3</td>
<td>with such frequency as is necessary according to his developmental needs (if he is one of the Under 19 to Under 21 age groups).</td>
</tr>
</tbody>
</table>

#### Guidance

Neither the Academy Player nor his Parent need be present at the Multi-disciplinary Review. See however the Club’s obligations under Rules 38, 39 and 41 to 43.

| 37. | Each Multi-disciplinary Review shall assess the performance and development of the Academy Player against his performance targets set at previous Multi-disciplinary Reviews. At the end of each Multi-disciplinary Review the Club shall update the Academy Player’s Individual Learning Plan to take account of conclusions reached at the Multi-disciplinary Review. |
38. Each Club which operates an Academy shall ensure that it conducts a meeting with each of its Academy Players:
   38.1. no fewer than four times per Season (if he is in one of the Under 9 to Under 18 age groups); and
   38.2. with such frequency as is necessary according to his development needs (if he is one of the Under 19 to Under 21 age groups).

39. At the meetings referred to in Rule 38, the Club shall:
   39.1. discuss with the Academy Player his Individual Learning Plan; and
   39.2. take all appropriate action (for example by way of amending his Individual Learning Plan to set mutually agreed performance targets and/or such individual coaching, athletic development or educational support as may be necessary).

40. Each Multi-disciplinary Review shall be recorded on the Academy Player’s Performance Clock.

41. Each Club which operates an Academy shall meet with the Parent of each Academy Player under the age of 18 at least twice a year and provide to and discuss with the Parent a detailed review of all aspects of the Academy Player’s performance and development based on his most recent Multi-disciplinary Reviews.

42. A written record of the discussion referred to in Rule 41 shall be given to the Parent and noted on the Academy Player’s Performance Clock.

43. Each Club which operates an Academy shall, between 1 May and 30 June in each year, provide to the Parent of each Academy Player under the age of 18 an annual written report on all aspects of the Academy Player’s performance and development over the preceding season.

44. Each Club shall permit a representative of the League to attend Multi-disciplinary Reviews if so requested by the League.

Guidance

It is recommended that one of the meetings referred to in Rule 41 is held at around the mid-season point and the other at the end of the season. The annual written report referred to in Rule 43 should form the basis of the end of season meeting.

Regular reviews of all aspects of an Academy Player’s development are a key part of the Elite Player Performance Plan. Each periodic Multi-disciplinary Review will have input from each discipline within the Academy (coaching, education and welfare, and sports science and medicine/performance support).

The following best practice recommendations are made, which supplement the above minimum requirements:

1. Multi-disciplinary Reviews should not only measure the Academy Player’s progression against his own performance targets, but also benchmark his development against that of his peers.

2. The procedure for undertaking Multi-disciplinary Reviews with Academy Players should follow a standard protocol. The meeting should involve the head coach for the Academy Player’s Development Phase and the Head of Education and any other relevant Academy Staff.
Youth Development Rules

Staff

General

45. Each Club which operates an Academy shall establish a staffing structure for its Academy which shall:
   45.1. subject to Rule 46, include the mandatory posts required by this section of the Rules for the Category applicable to its Academy; and
   45.2. have regard to the guidelines and best practice set out in the Elite Player Performance Plan.

46. Save for the Academy Manager and the coaches described in Rules 66 and 67, a Club need not employ those Academy Staff whose employment is mandatory for the Category of its Academy pursuant to these Rules provided that the Club is able to demonstrate to the reasonable satisfaction of the League, the ISO or the PGB (whichever body is appropriate), that its staffing structure includes the same expertise and achieves the same results as if all the mandatory posts required by this section of the Rules were filled.

Guidance

The functions covered by the mandatory posts must be delivered by all Clubs operating an Academy. However, the League acknowledges that Clubs should have flexibility in the organisation of their staffing structure provided that the structure that is adopted delivers the same outputs and results as if the mandatory posts were filled.

The exceptions to this are the post of Academy Manager and the coaches set out in Rules 66 and 67: a Club must employ a Full Time Academy Manager in accordance with Rules 53 to 59 and coaches in accordance with Rules 66 and 67.

47. The Club shall document its staffing structure in an organisational chart which shall:
   47.1. show the reporting lines of each member of Academy Staff; and
   47.2. be made available to Academy Staff, the League and the ISO.

48. The relationship between a Club and each member of its Academy Staff shall be appropriately documented by way of:
   48.1. an employment contract;
   48.2. a statement of terms of employment pursuant to Section 1 of the Employment Rights Act 1996, or
   48.3. in the case of a non-employee, a contract for services.

49. Each member of Academy Staff shall be given:
   49.1. a written job description (which may be contained in the document referred to in Rule 48); and
   49.2. an annual performance appraisal.

50. Each Club which operates an Academy shall:
   50.1. provide Continued Professional Development to members of Academy Staff where required to do so pursuant to these Rules; and
   50.2. take all reasonable steps to ensure that each member of Academy Staff who is required by these Rules to undertake Continued Professional Development does so.

Guidance

It is envisaged that CPD will be delivered partly by Clubs and partly externally (e.g. by The Football Association).

Academy Management Team

51. Each Club which operates an Academy shall establish an Academy Management Team which shall:
   51.1. be led by the Academy Manager; and
   51.2. in addition to the Academy Manager, consist of such other Officials as the Club Board deems necessary in order for the Academy Management Team to properly perform the functions with which it is tasked by these Rules and otherwise, and which may accordingly include the Head of Education, the Head of Sports Science and Medicine, the Head of Recruitment, the Head of Academy Coaching, the individual referred to at Rule 109, the Head of Safeguarding, the Academy Operations Manager and the Academy Secretary.

52. The Academy Management Team shall assist the Academy Manager in running the operations of the Academy in accordance with the Club’s Academy Performance Plan.

Guidance

This section of the Rules should be read subject to Rule 46. If a Club does not employ one of the Officials described in Rule 51.2, Clubs should consider including representation from the relevant functional area on the Academy Management Team.

Academy Manager

53. Each Club which operates an Academy shall employ a Full Time Academy Manager.

54. The Academy Manager’s appointment shall be approved by the Club Board.

55. The Academy Manager shall report to the Chief Executive or to such other senior administrative Official of the Club as the Club Board shall approve.

56. The responsibilities of the Academy Manager shall include (unless otherwise approved by the Board):
   56.1. guiding the development of the Club’s Playing Philosophy, Coaching Philosophy and Coaching Curriculum;
   56.2. drawing up the Academy Performance Plan as set out in, and subject to the provisions of, Rule 25;
   56.3. implementing the Academy Performance Plan;
   56.4. advising the Club Board on:
       56.4.1. whether the Academy has met the performance targets set out in the Academy Performance Plan; and
       56.4.2. the action to be taken by the Club if the Academy has not met those performance targets.
Youth Development Rules

56.5. ensuring the effective use by all appropriate Academy Staff of the Performance Management Application and Performance Clocks, including ensuring that all relevant data is recorded thereon;
56.6. the design, implementation and management of the Academy’s Coaching Curriculum;
56.7. ensuring that all Academy Staff undertake the Continued Professional Development required of them by this section of the Rules;
56.8. being the line manager of the Head of Education, Head of Coaching and Head of Recruitment; and
56.9. liaising with the Club’s Manager as appropriate.

Guidance
It is acknowledged that some Academy Managers may also have important roles as coaches and that the above responsibilities may limit the time they have for coaching. As a consequence, the Academy Manager will be entitled to delegate some of his/her functions to other staff at the Academy to enable him to continue to undertake coaching.

57. Subject to Rule 58, each Academy Manager must hold:
57.1. an up to date UEFA A Licence;
57.2. an FA Youth Award; and
57.3. an FA Advanced Youth Award.

58.3. is a member of the Academy Management Team and sits on the Technical Board.

59. The Academy Manager must undertake Continued Professional Development organised by the Club. In addition, where the Academy Manager holds a qualification set out in Rule 57, he must attend such training provided by The Football Association as is necessary to maintain the validity of that qualification and at least five hours of in-service training to be provided by the League every year and hold a current BFAS, current EFAiF or an equivalent or higher qualification approved by the Board.

Guidance
Any Academy Manager holding the BFAS qualification will be required to attain the Emergency First Aid in Football (EFAiF) qualification with effect from the date of expiry of the BFAS qualification. Any new Academy Manager appointed after 1st July 2018 not already holding BFAS must hold the EFAiF on appointment.

60. Each Club which operates an Academy must ensure that its Academy Manager enrols and participates fully in the Elite Academy Managers Development Programme.

Academy Operations Manager
61. Each Club which operates a Category 1 Academy shall appoint an Academy Operations Manager, who shall be employed Full Time and shall have day-to-day responsibility for executive and operational issues within the Academy.

62. Each Club which operates an Academy shall appoint an Academy Secretary who shall be employed Full Time in the case of a Club which operates a Category 1 or Category 2 Academy or at least Part Time in the case of a Club which operates a Category 3 or Category 4 Academy.

63. The Academy Secretary shall:
63.1. provide administrative support to the Academy Manager and the Academy Management Team;
63.2. act as the point of contact between the Academy and the League for all administrative matters, including the submission of required information; and

64.7. have recent and relevant experience of coaching Academy Players in an Academy (or of a comparable environment);
64.8. be employed Full Time in the case of a Head of Academy Coaching employed in a Category 1, Category 2 or Category 3 Academy and at least Part Time in the case of a Category 4 Academy;
64.9. attend at least five hours of in-service training to be provided by the League each year;
64.10. attend such training to be provided by The Football Association as is necessary to maintain the validity of the qualifications set out in Rule 64.5, and

64.11. in conjunction with each of the Club’s coaches, plan, deliver and monitor the delivery of individual development plans for each such coach.

- Senior Professional Development Coach (Rule 72.3).

76. Each coach (including goalkeeping coaches) must attend at least five hours of in-service training to be provided by the Football Association or League each year and hold a current BFAS, current EFAF or an equivalent or higher qualification approved by the Board.

77. In addition to the in-service training referred to in Rule 76, each coach must undertake Continued Professional Development organised by the Club.

Guidance
The League, The Football League and The Football Association will establish and maintain a national database of qualifications of coaches, and the in-service training they have undertaken.

**Guidance**

1. Ideally a Club’s strategy for talent identification and recruitment should flow from its Vision Statement and Playing Philosophy and be fully integrated into its Academy Performance Plan and the multi-disciplinary approach to youth development envisaged by the Elite Player Performance Plan. Clubs may wish to document a recruitment strategy which sets out:

   - the profile of the players it seeks to recruit in each age group, having regard to the desired technical, tactical, maturation, social and psychological characteristics required at each age;
   - its target groups (e.g. local v national recruitment, players attending Development Centres or local schools/boys’ clubs etc);
   - synchronisation between coaches and recruiters to ensure that, for example, assessment procedures match those by which the Academy’s existing Academy Players are assessed, and that new recruits transit easily into the Academy environment;
   - a strategy for late developers (including the Academy’s own Academy Players whose maturation rates are slow but who eventually catch up with their peers); and
   - ensuring accurate scouting records are maintained.

   Clubs may then wish to develop an activity plan to implement the recruitment strategy.

2. With regard to Rule 107.4 above, it is envisaged that a new qualification for Scouts will be developed in due course.

3. This section of the Rules should be read subject to Rule 46.

**Guidance**

1. The above hours of coaching are the minimum the Rules require per week, subject to the Academy Player’s fitness. It is acknowledged, however, that Academies can alter these hours as they see fit, provided that the above stated hours are achieved on average over each six or 12 week Multi-disciplinary Review period (as relevant). As regards “subject to fitness”, this includes not only where an Academy Player is recuperating from injury, but also where in the opinion of the coaching staff and/or the medical and sports science staff, his coaching hours need to be reduced for him to receive adequate rest and recovery and/or avoid overuse injuries.

Coaching in the above tables refers to on-the-pitch coaching (and for the avoidance of doubt excludes time in matches). It is expected that Clubs will need to spend additional time in other environments off the pitch in order to work with Academy Players to assist them in developing the key technical, tactical, physical and psychological and social skills.

Where an Academy falls short of providing its Academy Players with the above hours of coaching, the Academy will need to demonstrate that despite this, its Academy Players are being provided with a proper Coaching Curriculum. This can be demonstrated by the progression of the Academy Player at each stage of the development process.

2. For Category 3 Clubs in the Youth Development Phase, the hours stated above should be applied as follows:
   - U12 and U13: 4 hours
   - U14: 5 hours
   - U15 and U16: 6 hours

3. A Club may be permitted to operate a Training Model in a particular Development Phase other than as set out in the table in Rule 117. This would need to be approved in advance by the League (who may take advice from the Education Advisor).

118. The maximum time in which Academy Players in the Foundation Phase can be engaged in a single coaching session is 90 minutes and there will be appropriate rest periods between each such session.

119. Each Club shall ensure that:
   119.1. each Academy Player has access to an individual coaching plan tailored to his specific needs;
   119.2. each Academy Player is made aware of his individual coaching plan (and any changes thereto) as soon as reasonably practicable in advance of his being coached in accordance with it; and
   119.3. all coaching is recorded on the Academy Player’s Performance Clock.

120. Each Club shall ensure that a coach to Academy Players and Trialists ratio of 1:10 is maintained for all coaching sessions (save that the ratio for Category 1 Academies using the Full Time Training Model shall be 1:8).

121. Each Club shall ensure that each Academy Player in age groups Under 9 and older participates at least once a year in a Festival (or other coaching event such as a Training Camp or a Tournament).

122. Each Club shall ensure that each of its coaches plans each coaching session by setting out the learning objectives which the session is designed to achieve and the coaching which will be given in order to achieve them.

### Development Centres

123. Each Club which operates a Category 1, Category 2 or Category 3 Academy may operate one or more Development Centres, to be located within one hour’s travelling time of the location of its principal venue for the provision of coaching and education to Academy Players.

124. A Child being coached at a Club’s Development Centre:
   124.1. may not be registered for that Club;
   124.2. may not play in matches for that Club unless registered as a Trialist; and
   124.3. will be free to play for other teams.

Youth Development Rules

Games Programme

A six-week programme of Festivals of Futsal and other small-sided indoor football for each age group in the Foundation Phase will be staged. This programme will run from November to February and be organised on a basis of five regions (North East, North West, Midlands, London and South West, and London and South East). A Futsal tournament involving a regional qualification process culminating in a national finals event will be organised for each of the Under 9, Under 10 and Under 11 age groups.

138. Each Club which operates a Category 1, Category 2 or Category 3 Academy:
   138.1. must participate fully in the Foundation Phase Games Programme; and
   138.2. may organise and participate in additional Authorised Games of the types listed in paragraphs c), d), f) and g) of that definition only (which shall be notified to the League (if the Club operates a Category 1 or Category 2 Academy) no later than 72 hours before they are scheduled to take place).

Guidance

The Games Programme Schedule will incorporate free weeks (in addition to those referred to in Rule 173) during which no fixtures will be arranged by the Leagues. This will allow Clubs to organise additional fixtures pursuant to Rule 138.2. In addition, Clubs will be able to rearrange fixtures in the Foundation Phase Games Programme in order to attend tournaments and Festivals provided suitable notice is given, the integrity of the Games Programme is maintained, and a suitable date for the rearrangement of the fixture is agreed.

139. Each Club shall ensure that each of its Academy Players in the Foundation Phase shall, subject to fitness, participate in at least half the playing time in any one Season of matches in the Foundation Phase Games Programme and any other matches organised by the Club pursuant to Rule 138.2 such playing time to be reasonably spread out over the season.

Guidance

An Academy Player in the Foundation Phase may still play for his school team or school representative county side.

When assessing whether Rule 139 has been complied with, each Academy Player’s playing time over the course of the Season will be assessed and an average calculated (i.e. the Academy Player need not play in half the time of every match). In addition, Rule 139 requires that the playing time is spread relatively evenly over the course of the fixture programme. This is to ensure Clubs do not try to backload playing time at the end of the Season simply to ensure the average is met.

Youth Development Phase Games Programme

140. The League will organise a games programme for teams in each of the Under 12 to Under 14 age groups of Clubs operating Category 1 and 2 Academies (and for the avoidance of doubt teams from both Categories shall participate together in this games programme). The League will also organise a games programme for teams in the Under 15 age group of Clubs operating Category 1 Academies and of those Category 2 Academies wishing to participate.

141. The Football League will organise a games programme for teams in each of the Under 12 to Under 14 age groups of Clubs operating Category 3 Academies.

142. The games programme for Category 1 Clubs referred to in Rule 140 shall include the Under 13, Under 14 and Under 15 Premier League National Cups, participation in which shall not be mandatory.

Guidance

The League will organise a regional indoor programme during the second half of December, and the entirety of January and February. In particular, a programme of Futsal will be delivered for Category 1 and Category 2 Academies. Clubs will be free to apply to organise Authorised Games outside pursuant to Rule 138.2.

The League will organise Tournaments (lasting more than one day) for each of the Under 9, Under 10 and Under 11 age groups in the May or June of each year (and in scheduling them it will be borne in mind that June is often the month when Academy “downtime” occurs). The Tournaments so arranged for the Under 11 age group will include teams from clubs in countries other than England and Wales.

In order to deliver the Foundation Phase Games Programme to all Clubs, the target travel time of 1 hour may be exceeded from time to time, in particular in order to accommodate those Clubs whose home “locality” is small.

Both Leagues will co-operate to create cross-Category Festivals from time to time which shall include all Categories of Academy and be regionally based.

Games Programme

137.3. may be played in Festivals organised on a local, regional or national basis and each Club which operates a Category 1 Academy shall organise and host a minimum of three Festivals per Season;
137.4. shall take place during the Games Programme Schedule;
137.5. may include matches against representative county schoolboy sides (being sides selected by the English Schools’ Football Association);
137.6. shall be played outdoors, save in respect of:
   137.6.1. Clubs operating Category 1 or 2 Academies when, during the second half of December and the whole of both January and February, they shall be played indoors; and
   137.6.2. Clubs operating Category 3 Academies when, during the second half of December and the whole of both January and February, they may be played indoors;

**Guidance**

In order to deliver the Youth Development Phase Games Programme to all Clubs, the target travel time of two hours may be exceeded from time to time, particularly in order to accommodate those Clubs whose home geographical ‘region’ is small.

145. The League shall organise a games programme for teams consisting of Academy Players in the Under 16 age group of Clubs operating Category 1 Academies, and another for teams of Academy Players in these age groups of Clubs operating Category 2 Academies.

146. Save for any matches played abroad pursuant to Rule 149, the games programme for Category 1 Clubs referred to in Rule 145 shall:

146.1. be constituted either on a national basis or, if a majority of those Clubs (and Football League clubs) which operate Category 1 Academies so determined by no later than 31 March in the preceding Season, on a regional basis (as that term is defined in Rule 147); and

146.2. be competitive but whose results shall not be given any particular competitive significance between Academies (for example, no league table or the like shall be produced).

147. The games programme for Category 2 Clubs referred to in Rule 145 shall be organised on a regional basis, that is to say so that as far as reasonably possible no team has to travel more than two hours to an away match (save that longer travel times may be necessary in order that each Club can participate meaningfully in the games programme).

148. Matches in the games programmes for Category 1 and Category 2 Clubs referred to in Rule 145 shall, unless the Board otherwise permits, be played on Saturdays and arranged so that as far as possible a Club’s fixtures in it mirror those of its teams in the Professional Development Phase Games Programme.

149. As part of the Youth Development Phase Games Programme, the League shall organise matches (which may be organised as Tournaments) against teams from clubs in membership of a national association other than The Football Association or the Football Association of Wales. Such matches shall be organised regularly for Clubs operating Category 1 Academies and from time to time for Clubs operating Category 2 Academies.

150. The Football League shall organise a games programme for teams consisting of players in the Under 15 and Under 16 age groups of Clubs operating Category 3 Academies, to be played on a regional basis so that as far as reasonably possible no team has to travel more than two hours to an away match (save that longer travel times may be necessary in order that each Club can participate meaningfully in the games programme).

151. Matches played pursuant to Rules 145 to 150 shall, when played outdoors, be played in accordance with the following format:

<table>
<thead>
<tr>
<th>Team size</th>
<th>Pitch size (yards)</th>
<th>Goal size (feet)</th>
<th>Ball size</th>
</tr>
</thead>
<tbody>
<tr>
<td>11v11</td>
<td>11x10x70</td>
<td>24x8</td>
<td>5</td>
</tr>
</tbody>
</table>
152. Each Club which operates a Category 1, Category 2 or Category 3 Academy:

Guidance

The Games Programme Schedule will incorporate free weeks (in addition to those referred to in Rule 173) during which no matches will be arranged by the Leagues. This will allow Clubs to organise additional matches pursuant to Rule 152.2.

153. Each Club shall ensure that each of its Academy Players in the Under 12 to Under 14 age groups shall, subject to fitness, participate in half the playing time of matches in the Youth Development Phase Games Programme and any other matches organised by the Club pursuant to Rule 152.2, the Academy Player’s playing time to be reasonably spread over the season.

154. Each Club shall ensure that each of its Academy Players in the Under 15 to Under 16 age groups shall, subject to fitness, participate in at least 20 matches per season (being matches in the Youth Development Phase Games Programme or any other matches organised by his Club pursuant to Rule 152.2). Participation in a match shall for the purposes of this Rule mean playing at least 50% of the game time.

Guidance

An Academy Player in the Youth Development Phase may still play for his school team or school representative county side.

When assessing whether Rule 153 has been complied with, each Academy Player’s playing time over the course of the season will be assessed and an average calculated (i.e. the Academy Player need not play in half the time of every match). In addition, Rule 153 requires that the playing time is spread relatively evenly over the course of the fixture programme. This is to ensure clubs do not try to backload playing time at the end of the season simply to ensure the average is met.

Except in the case of an Under 9 to Under 16 games programme match which, without either participating Club being at fault, is cancelled, postponed or abandoned under the provisions of Rule 170, any Club which causes the cancellation, postponement or abandonment of such a match will be in breach of these Rules.

172. The Board shall have power to specify the equipment and facilities to be provided by Clubs for the playing of matches between Academies.

173. In consultation with The Football Association, a minimum of four weekends each Season will be identified by the League upon which there will be no fixtures for Academy teams, such weekends being devoted to international development, selected players’ courses and in-service training of coaches and staff.
### Education

174. Each Club which operates an Academy shall establish an Education Programme which shall set out the activities to be undertaken by the Club to ensure that the education of its Academy Players and Players up to the Under 23 age group who are not regular members of the Club’s first team squad is supported effectively and which:

180.2. if the League so requests obtain from the Academy Player’s school his school reports and, where possible, educational attainment data;
180.3. use the information obtained (if any) to monitor the Academy Player’s academic progression by reference to his school reports and, where possible, educational attainment data, and record it electronically, and
180.4. liaise with the school on two occasions in each academic year basis in order to discuss and address any issues concerning the Academy Player’s education which have risen or may arise as a consequence of his being trained at the Club’s Academy.
Duty of Care

Guidance

The Hybrid Training Model may be used by Category 1 Academies in the Foundation Phase (Under 9 to Under 11), and by Category 1 and Category 2 Academies in the Youth Development Phase: see further Rule 117.

Compensatory education should meet the requirements of each individual Academy Player’s specific educational needs, as well as replacing the lessons being missed whilst away from their school. It is not expected that this is matched hour for hour, but it is expected that the content missed is able to be covered effectively in the compensated delivery time. In the case of practical subjects or those requiring specific resourcing (e.g. Sciences / Design and Technology) alternative plans should be made and be evident. A teacher to learner ratio of 1:10 is optimal for compensatory education.

Duty of Care

185.8. obtain from the Academy Player’s school his school reports and, where possible, educational attainment data;
185.9. monitor the Academy Player’s academic progression (including by use of the information obtained from the Academy Player’s school pursuant to Rule 185.8) and record the information obtained pursuant to Rule 185.8 electronically in a timely fashion and at least every 12 weeks (to coincide with dates of his Multi-disciplinary Reviews);
185.10. permit the League to conduct reviews with Academy Players in the Under 12 to Under 18 age groups, as required; and
185.11. pursuant to Rule 175.5, ensure that Scholars are provided with sufficient time and support to prepare for the ‘End Point Assessment’.

Guidance

With regard to Rule 185.9 pursuant to Rule 38.1 Academy Players in the Under 12 to Under 18 age groups must receive a Multi-disciplinary Review every six weeks. The requirement in Rule 185.9 must be undertaken at every second such Multi-disciplinary Review.

186. Without prejudice to the generality of Rule 32, each Club which operates the Hybrid or Full Time Training Model must in respect of each such Training Model:
186.1. not do so unless the League has pre-approved and annually certified its proposed delivery of the Training Model;
186.2. permit the League to monitor and assess its delivery of the Training Model, including in respect of an individual Academy Player, in order to ensure that it complies with these Rules; and
186.3. forthwith implement any changes to its delivery of the Training Model that the League may require.

Guidance

The League may take advice from its Educational Advisers in connection with the assessment pursuant to Rule 186.

In the case of concerns over a Training Model which has been previously approved, it is anticipated that in the first instance an action plan to address any issues would be drafted, and the Club Support Manager or Educational Adviser would work with the Club over a specific period to put the recommendations in place. Accordingly, Rule 187 below would be regarded as a last resort.

187. If the League is not satisfied that a Club’s delivery of the Hybrid or Full Time Training Model complies with these Rules:
187.1. it may refuse to an application to register an Academy Player on it; and
187.2. the Board may exercise its powers set out in Rule 276.

188. If a Club wishes to engage an Academy Player on the Full Time Training or Hybrid Model (whether or not the Academy Player is already registered with the Club), it shall complete and submit to the Board either PLYD Form 5A or PLYD Form 5B (as appropriate) signed on behalf of the Club by an Authorised Signatory.

189. If the registration of an Academy Player on the Full Time Training Model is terminated by the Club or by the Board of its own volition, or if he changes to another Training Model, the Club shall, unless his Parent agrees otherwise, continue to provide to him until the end of the academic year in which he reaches the age of 16 education and accommodation in accordance with the arrangements made at the time of he was first engaged on the Full Time Training Model.

Guidance

The Full Time Training Model may be used by Category 1 Academies in the Youth Development Phase, and must be used by all Academies in the Professional Development Phase: see further Rule 117.

PLYD Form 5A must be used for all Academy Players whom the Club wishes to engage on the Full Time Training Model. If the Academy Player is not already registered with the Club, PLYD Form 5 (Academy Player Registration Application) must also be completed and submitted to the League (see Rule 258). If the Academy Player is already registered with the Club, PLYD Form 5 need not also be submitted. Clubs’ attention is drawn to the undertakings that they must give under PLYD Form 5.

The three options referred to in Rule 184 are set out below. This list of options is not exhaustive, and Clubs are free to develop other models which deliver the same results as the options set out in the Elite Player Performance Plan.

Option 1

Clubs may enter into a contractual relationship with an identified school (with the option of an alternative school if approved by the League) at which Academy Players receive their education.

The relationship will need to be flexed in terms of the amount of time that Academies would require Academy Players to be available for daily coaching. The school day will need to be flexed to accommodate the Coaching Curriculum whilst ensuring that boy’s educational development does not suffer.

Specific tutor support for the Education Programme will be required for all Academy Players engaged in the Full Time Training Model and above the normal curriculum. Additional tutor support will need to be individually tailored to the Academy Players’ needs.

Clubs will need to decide how and where Academy Players will be coached. The optimum environment is at the Club’s dedicated training facilities but this will require a school in Education Option 1 to be in close proximity to the Club’s training facility so that the Academy Players can move easily between the school and the Club. With the Full Time Training Model, the school will need to be in close proximity to the training ground or else the training will need to be accommodated at the school.

The other major consideration for Clubs which operate Category 1 Academies will be the need to provide dedicated housing, house parents and a secure environment in which to live and work whilst staying with the Club. This will need to apply to all Academy Players who live outside a short commute from their Club’s training ground.

Option 2

In this option, Clubs may choose to develop and extend their own educational facilities at the training ground and, in effect, develop an onsite school facility. For Clubs which operate a Category 1 Academy, accommodation would still be required on or near the training ground to house the Academy Players and the associated social and welfare support would need to be factored into the delivery of this approach. Clubs may continue to contract an educational partner/provider but the schooling would take place at the Club.

Option 3

Clubs may wish to establish their own schools. These schools may be general in their recruitment with specialist classes or groups of classes catering for the Academy Players’ specialist needs. In this Education Option the same issues regarding the location of the school on or near the training ground remain relevant as does the need to provide appropriate housing and care.
Each Club which operates an Academy shall notify the League, in such a manner as the League shall from time to time specify, of the Training Model on which each of its Academy Players is engaged and, if there is a proposed change in circumstances for an Academy Player (for instance, changing to/from the Full Time Training Model or Hybrid Training Model or Part Time Training Model), forthwith inform the League of the change in Form 5C and provide such evidence as the League may require to show that the Academy Player and his Parent consented to the change.

Each Club which operates an Academy shall establish a Personal Development and Life Skills Plan to support the holistic development of each of its Academy Players.

The programme referred to in Rule 191 shall ensure that each Academy Player trained under the Full Time Training Model and/or in the Professional Development Phase has the opportunity to engage in activities outside the Academy which will encourage him to take an active part in the community and develop an understanding of good citizenship.

Each Academy Player shall engage in the activities referred to in Rule 192 unless he has good cause not to do so and each Club shall take all reasonable steps to ensure that each of its Academy Players does so engage.

Each Club shall nominate an Official to be responsible for the welfare and supervision of Academy Players engaged on the Part Time Training Model or Hybrid Training Model, while they are present at the Club’s facilities.

Each Club shall arrange a pre-season induction event for Academy Players and their Parents and there shall be at least one such induction event per Development Phase and on every occasion that a new Academy Player joins the Club.

The induction meeting referred to in Rule 195 shall provide such information to the Academy Players and their Parents as is necessary in order for them to understand the coaching and, if relevant, education that the Academy Player will receive from the Club.

Each Club which operates an Academy shall permit a representative of the League to attend such induction meetings on request.

The Code of Conduct set out in Appendix 12 shall be binding on all Academy Players registered on a PLYD Form 5 (and their Parents) and on Clubs and Officials and any breach thereof by such Academy Players or by Clubs or Officials shall be treated as a breach of these Rules.

Each Club which operates an Academy shall devise and implement an Induction and Transition Strategy.

Each Club which operates an Academy shall devise and implement one or more mechanisms to invite and receive feedback from Academy Players and their Parents.

Clubs shall establish, maintain and, when necessary, implement a complaints procedure for Academy Players and Parents, a copy of which shall be submitted to the League.

The League may conduct surveys and questionnaires from time to time to ascertain the views of Academy Players and their Parents.

The provisions of Section S of the League’s Rules (concerning Safeguarding and Mental Health) apply to Academies and Development Centres.

Without prejudice to the generality of Rule 204 each Club shall appoint an Academy safeguarding officer who shall:

• undertake the functions set out in Rule S.5.8 specifically with regard to the Academy; and
• liaise with the Club’s Head of Safeguarding.

Clubs and Academy Staff shall observe and comply with any guidance issued by the League in respect of safe event management and any breach thereof shall be treated as a breach of these Rules.

Clubs shall ensure that their Academy Players are insured in accordance with advice circulated by the League from time to time.

Each Club which operates an Academy and is in membership of the Premier League must comply with Premier League Rule J.4. Each other Club bound by these Rules must comply with the EFL Code of Practice regarding equality and diversity.

Each Club which operates an Academy shall deliver training for its Academy Players and Academy Staff on equality, diversity and inclusion each Season.
210. Each Club which operates an Academy shall ensure that each of its Academy Players undergoes the following tests to measure physical and physiological fitness (in accordance with any guidance issued by the League from time to time):

210.1. age-appropriate medical and physical screening;
210.2. anthropometric assessments;
210.3. physiological/fitness testing;
210.4. movement and posture/functional screening;
210.5. predictive testing of size and shape/maturation measurement (save that a Club operating a Category 4 Academy shall not be obliged to conduct such tests);
210.6. psychological profiling (Category 1 Academies only);
210.7. cardiac screening for Academy Players in the Under 15 age group and above; and
210.8. monitoring of physical exertion (Category 1 Academies only), and shall submit to the League such information as it may from time to time require in order to establish a national database of athletic development.

211. Subject to a Club complying with Rule 210, the Premier League will make available to it (on an anonymised basis) benchmarked data derived from the information provided to it by all Clubs.

212. Each Club which operates an Academy shall ensure that each of its registered Academy Players on the Full Time Training Model is registered with an NHS general practitioner for the provision of general medical services, using the address at which he resides.

213. Each Club which operates an Academy shall ensure that details of all injuries suffered by its Academy Players and of all rehabilitation are recorded and provided to the Premier League and The Football Association in order that a national audit of injury and rehabilitation may be maintained.

214. Subject to a Club complying with Rule 213, the Premier League will make available to it benchmarked data derived from the national audit of injury and rehabilitation.

215. Each Club which operates an Academy shall ensure that it has in place an Emergency Action Plan, and that all relevant Academy Staff are aware of its contents, and that it provides a copy of it in advance of all its home matches in the Games Programmes to its opponents.

216. Each Club which operates an Academy shall ensure that there is available at all games involving Academy teams appropriate first aid or primary care provision and, without prejudice to the generality of the foregoing or to any Rules applicable to an Authorised Game, that:

216.1. in respect of each match in the Professional Development Phase Games Programme, the following qualified individuals must be present at the match venue:

216.3. a defibrillator is maintained at each venue at which matches are played and at which coaching takes place.

Guidance

For the avoidance of doubt, the Emergency Action Plan should be produced in addition to the Club’s Medical and Safety Action Plan (see Premier League Rule O.16). All members of the Academy’s medical staff should be made aware of the contents of the Club’s Medical and Safety Action Plan.

See Rule 100.5: the Academy Doctor shall be responsible for the preparation of his/her Club’s Emergency Action Plan. The League will assist with the sharing of Emergency Action Plans.
Guidance

Rule 76 requires each coach to hold a current Basic First Aid for Sport Qualification, current EFAiF or an equivalent or higher qualification approved by the Board. Thus, all coaches attending matches in all of the Development Phases should hold this qualification. Knowledge of how to use a defibrillator is a requirement of the Basic First Aid for Sport Qualification / EFAiF. Accordingly, the net effect of these Rules is that there must be somebody present at all games who knows how to use a defibrillator.

Each Club’s Emergency Action Plan should include details of the members of Academy Staff required by Rules 216.1 and 216.2.

217. Without prejudice to the requirements of Rule 216, the following qualified individuals shall be present at all venues at which coaching is taking place:

Performance Analysis

222. Each Club operating a Category 1 or Category 2 Academy shall:

222.1. have such technical facilities as are necessary to undertake the Performance Analysis required of it by Rule 222.2;

222.2. undertake Performance Analysis (including, in the case of a Club which operates a Category 1 Academy, by undertaking GPS evaluation in the Professional Development Phase and in the Youth Development Phase if the Full Time Training Model is utilised) of training activity and matches in the Youth Development Phase Games Programme, the Professional Development Phase Games Programme and the Professional Development League;

222.3. use the results of such Performance Analysis in its monitoring of the coaching and development of Academy Players in the Youth Development Phase and the Professional Development Phase; and

222.4. make available to the League such Performance Analysis data as it reasonably shall require to undertake the benchmarking of data for that Academy against national trends.

223. Each Club operating a Category 3 or Category 4 Academy shall comply with Rule 222 but only in respect of players in the Under 17 to Under 18 age groups.
Subject to a Club complying with Rule 222 or 223 (as appropriate depending on the Category of its Academy), and to a sufficient number of Clubs (and Football League clubs) likewise complying, the Premier League may make available to it benchmarked data derived from comparing the Performance Analysis data it has submitted to the League with that submitted by other Clubs (on an anonymised basis).

The League will produce further detail of the proposed national programme of Performance Analysis for the older Academy age groups. The proposals in this regard will be presented to Clubs in due course. If Clubs approve these proposals, then (subject to Club approval) a requirement will be inserted in the Rules for Clubs to contribute information to this national programme.

Each Club which operates an Academy shall ensure that each of its Scouts whose duties include the identification of Academy Players whose registration the Club may wish to secure (in addition to complying with the provisions of Section Q of the Premier League Rules):

- is in possession of such qualification as the League may require from time to time;
- understands and complies in full with the Premier League Rules, these Rules and the Code of Conduct for Scouts; and
- undertakes Continued Professional Development each year.

Clubs should take steps to provide opportunities for their registered Scouts to undertake relevant qualifications, such as the FA Talent ID Level 2 badge.

Each Club shall ensure that, where the relevant Scout’s duties include those referred to in Rule 225, in addition to complying with the Scout registration requirements of Section Q of the Premier League Rules, it provides evidence to the League within five days of employing or engaging the Scout that the Scout holds the qualification required by Rule 225.1, and the League shall register the Scout where it is satisfied that the registration requirements of Section Q have been complied with and the Scout holds the qualification required by Rule 225.1.

Each Scout shall inform the home Club of his arrival at a match.

Each Club which operates an Academy shall prepare and produce a document setting out the process of how Scouts employed by that Club should approach Academy Players (and other players) and the process thereafter. Such process should comply in full with the Premier League Rules, these Rules and the Code of Conduct for Scouts and should build upon the training that the Scout received while obtaining the relevant scouting qualification referred to in Rule 225.1.

Upon receiving an application by a Club to register an Academy Player, the League shall immediately provide to the Academy Player’s Parent a copy of these Rules and of the Parent’s Charter.

Any question or dispute concerning the travelling time requirements in this Rule, and whether permission should be granted to register the relevant Academy Player, shall be determined by the Board.

Trials

236. Subject to the conditions set out in Rules 237 and 243, a Trialist may attend an Academy for up to eight consecutive weeks in any one season without being registered provided that:

236.1 at least seven days’ prior written notice to that effect shall be given to any junior club of which such Trialist is a member and the Trialist’s school; and

236.2 before the trial commences his particulars shall be notified forthwith to the League by sending to the Board: (a) PLYD Form 2 duly completed; (b) proof of his home address and date of birth in such form as is required by the Board; and (c) a photographic image of the Trialist in such format as is required by the Board.

237. In the case of the Trialist in one of the age groups Under 9 to Under 16, a Club may apply to the Board for permission to extend the period of eight weeks referred to in Rule 236 for an additional period of four weeks.

238. An application to extend a trial period must be:

238.1 made by the Club at least one week before the Trialist’s trial period is due to expire;

238.2 accompanied by such information and assurances as the League may require; and

238.3 consented to by the Trialist and his Parent.
239. An application to extend a trial period shall only be granted by the League if it is satisfied as to arrangements put in place by the Club for the welfare and education of the Trialist.

240. A Trialist may not register with another Club (or club) during the first seven weeks of the initial eight week trial period but may at any time terminate an extended trial period to which he is subject.

241. Rule 35 (Performance Clocks) and Rule 36 (Multi-disciplinary Reviews) shall apply with regard to Trialists.

242. Each Club shall give the League all such access to information and Persons as it may require in order to monitor the welfare and progress of Trialists and to determine whether to grant an application to extend a trial period.

243. The conditions referred to in Rule 236 are as follows:

243.1. a trial may be offered or given by a Club to anyone in age groups Under 9 to Under 11 inclusive who has his permanent residence within one hour’s travelling time of the Club’s Academy;

243.2. a trial may be offered or given by any Club to anyone in age groups Under 12 and Under 13 who has his permanent residence within one and a half hours’ travelling time of the Club’s Academy or for a player that a Club proposes to register under Rule 265;

243.3. a trial may be offered or given by a Club to anyone in age groups Under 14 to Under 16 inclusive;

243.4. subject to Rule 243.5.2 a trial may be offered or given by one or more Clubs to an Academy Player in age group Under 16 who has been informed by the Club holding his registration that it will not offer to enter into a Scholarship Agreement with him, any such trial or series of trials may not in the aggregate exceed eight weeks;

243.5. a trial may not be offered or given to anyone:

243.5.1. who is on trial at another Academy; or

243.5.2. whose registration is held by another Club (or club) except with the written consent of such Club (or club) or in the case of an Academy Player who is exercising his entitlement under either Rule 269, Rule 271 or Rule 272 to seek registration as an Academy Player at the Academy of another Club (or club).

Any question or dispute concerning the travelling time requirements in this Rule shall be determined by the Board in its absolute discretion.

244. If a Trialist attending an Academy is injured so that he cannot be coached or play football or if the period of his trial is interrupted by any other occurrence, application may be made to the Board in writing to extend the period of his trial giving full reasons therefor, and the Board shall have power to extend such period in such terms as it may think fit.

245. If before the date upon which a Trialist’s trial period is due to end his trial is terminated, notice to that effect shall be given to the League by sending to the Board PLYD Form 3 duly completed.

246. Upon a Trialist commencing a trial, the League may provide to him and his Parent a copy of these Rules and such other information as the League considers relevant.

247. Where a Club makes an application to the League in PLYD Form 5 that an Academy Player who is a Trialist with that Club at the time of the application be registered as an Academy Player with that Club, the relevant trial will be immediately deemed cancelled by the League and the provisions of Rules 230 to 234 shall apply.

Pre-Registration Agreements

248. Subject to the provisions of Art. 39 of the FIFA Regulations on the Status and Transfer of Players, on or after 1st January in any season a Club may enter into a pre-registration agreement with a player who does not reside within one and a half hours’ travelling time of its Academy provided that such a player is:

248.1. in his Under 16, Under 17 or Under 18 year;

248.2. in Full Time Education; and

248.3. not registered with another Club or Football League club (except in circumstances where the Board grants approval for the player to remain registered at his current Club until the agreement takes effect).

249. A pre-registration agreement shall be in PLYD Form 4 and shall include an undertaking by the Club to enter into a Scholarship Agreement with the player upon the Club having acquired the player’s registration and:

249.1. in the case of a player in his Under 16 year, on or after the last Friday in June in the academic year in which the Academy Player reaches the age of 16, or

249.2. in the case of a player in his Under 17 or Under 18 year, upon his ceasing Full Time Education.

Unless authorised in writing by the Board, a breach of such an undertaking will constitute a breach of these Rules.

250. Clubs shall submit to the Board copies of all pre-registration agreements within five days of their being entered into.

Youth Development Rules

Compensation

328. The registration of an Academy Player at an Academy shall impose an obligation on the applicant Club or Football League club ("the Applicant Club") to pay compensation for the training and development of that Academy Player to any Club, Football League club or Former Football League club (in respect of such period as that club were a member of the Football League) which previously held his registration ("the Training Club") provided that:

328.1. the Training Club had indicated in PLFD Form 7 (or, in the case of a Football League club, the equivalent Football League form) its intention to retain the Academy Player’s registration; or

328.2. the Training Club had offered to enter into a Scholarship Agreement pursuant to Rule 280 with the Academy Player; or

328.3. the Academy Player sought registration at the Applicant Club because he had moved residence outside the permitted travelling time from his last Training Club; or

328.4. save where Rule 272 applies, the Training Club and Academy Player mutually agreed to terminate the Academy Player’s registration pursuant to Rule 273.2 and agreed that the Training Club should retain the right to receive compensation should the Academy Player sign for another Club (or club); or

328.5. the Board has made a determination to that effect pursuant to Rule 278; and

328.6. in all the above cases, the Training Club held a valid licence to operate an Academy in accordance with these Rules (or to operate a Football Academy or Centre of Excellence in accordance with the Rules pertaining to youth development which these Rules replaced).

328A. The obligation in Rule 328 to pay compensation to a Former Football League club shall not apply in the following circumstances:

328A.1. the registration of an Academy Player is released from a Former Football League club in accordance with Rule 274.2; or

328A.2. the Former Football League club ceases to operate an Academy in accordance with these Rules.

Guidance

For clarity, until 30 June immediately after the second Season following relegation to the National League, the Former Football League club shall be entitled to compensation for its registered Academy Players if it continues to operate an Academy in accordance with these Rules.

329. The amount of compensation referred to in Rule 328 shall be:

329.1. such sum as shall be due pursuant to this section of the Rules; or

329.2. as regards the compensation payable by the Applicant Club to the most recent Training Club, such sum as shall have been agreed between them.

330. Rules 332 to 342 govern the compensation due in respect of an Academy Player who is in, or about to enter, any age group between Under 9 and Under 16 at the time when he is first registered with the Applicant Club save for an Academy Player to whom Rule 331.2 applies.

Compensation

331. In default of agreement between the Applicant Club and the Academy Player’s most recent Training Club, the Professional Football Compensation Committee shall (in accordance with the provisions of Appendix 11) determine the compensation payable to the latter in respect of an Academy Player.

331.1. who is in any age group between Under 17 and Under 21 when he is registered for the Applicant Club; or

331.2. to whom the Training Club made an offer of a Scholarship Agreement pursuant to Rule 280.

332. The compensation due in respect of an Academy Player to whom Rule 330 applies shall consist of an initial fee payable to the most recent Training Club (and to be paid within seven days of the Academy Player being registered for the Applicant Club) and, if the Academy Player is in age group Under 12 or older, contingent compensation is payable to all qualifying Training Clubs in accordance with these Rules.

333. The initial fee referred to in Rule 332 shall be calculated by:

333.1. multiplying the applicable annual fixed fee (or fees) calculated in accordance with Rule 334 by the applicable number of years; and

333.2. adding thereto any initial fee (capped at such sum as would have been payable when calculated in accordance with this section of the Rules) paid by the most recent Training Club when it acquired the registration of the Academy Player.

334. In Rule 333:

334.1. the "applicable annual fixed fee" means the fee set out in the table in Rule 335 referable to:

- 334.1.1. the age group of the Academy Player during any year that he was registered with the Training Club; and

- 334.1.2. the Category of the Training Club's Academy during that year; and

334.2. the "applicable number of years" means the number of years for which the Academy Player was registered for the Training Club (subject to Rule 341).

Guidance

There may be two “applicable fixed fees”. For example, if an Academy Player was registered with a Category 2 Training Club from the age of Under 9 to Under 16, then the applicable fixed fee is £3,000 for each of his initial three years of development (totaling £9,000) and £25,000 for each of the five subsequent years (totaling £125,000) making a total initial fee of £134,000.

335. The applicable annual fixed fees by reference to the age group of the Academy Player and the Category of Academy are as follows:

Youth Development Rules
Compensation

Guidance

In order to give effect to the compensation Rules under the EPPP, Clubs’ previous Football Academies and Centres of Excellence will have a “deemed”, retrospective categorisation to give effect to the provisions for fixed fee compensation in respect of the years up until the coming into force of the Rules. The following applies:

336. The contingent compensation referred to in Rule 332 shall consist of:

336.1. appearance fees calculated by reference to the number of First Team Appearances (up to a maximum of 100) made by the Academy Player for the Applicant Club or any other Club or Football League club for whom the Academy Player subsequently becomes registered (including by way of a Temporary Transfer or other loan) and to the divisional status of the relevant Club as set out in the table in Rule 337;

336.2. if the Academy Player’s registration is transferred prior to his twenty-third birthday to a club affiliated to a national association other than The Football Association, 20% of any Compensation Fee, Loan Fee and Contingent Sum that the Applicant Club receives which is in excess of:

336.2.1. any amounts of training compensation and/or solidarity payment paid to the Applicant Club and the Training Club pursuant to the FIFA Regulations for the Status and Transfer of Players, and

336.2.2. the actual sum (if any) paid by the Applicant Club to the Training Club to acquire the Academy Player’s registration;

336.3. 5% of all Compensation Fees (and transfer fees, where applicable), Loan Fees and Contingent Sums paid in respect of:

336.3.1. all future transfers of the Academy Player’s registration to Clubs (or clubs) in membership of the League, The Football League or the National Division of the National League; and

336.3.2. all future transfers on loan to a club affiliated to a national association other than The Football Association (save for any Welsh club which is a member of the League, The Football League or the National Division of the National League; and

338. In Rule 336:

338.1. “First Team Appearance” means an appearance either in the starting eleven or as a playing substitute in a first team fixture in the Premier League, the Football League Championship and Football Leagues 1 and 2 (including play-offs), the Football League Cup, the FA Cup, the Football League Trophy, the UEFA Europa League or the UEFA Champions League;

338.2. in the event that the Academy Player’s registration at a Club (or Football League club) is terminated (whether by effluxion of time, cancellation, transfer or otherwise) prior to his having made sufficient appearances to trigger one of the payments set out in Rule 337, that Club (or Football League club) shall pay a pro rata amount to the relevant Training Club(s) and the obligation to pay future sums pursuant to that Rule shall transfer to any new Club (or Football League club) for whom the Academy Player subsequently becomes registered; and

338.3. “Compensation Fee”, “Loan Fee” and “Contingent Sum” shall be interpreted to exclude compensation payable pursuant to Rule 328.

339. Reference in Rules 336 and 338 to the transfer or termination of an Academy Player’s registration shall be interpreted to include transfers or terminations of his registration after he has ceased to be an Academy Player and Clubs who subsequently sign the Academy Player shall be bound to comply with Rules 336 and 337, and for the avoidance of doubt the original Applicant Club shall not be liable to the Training Club in respect of:

339.1. any appearance fees payable pursuant to Rule 336.1 and due in respect of appearances made by the Academy Player after he has ceased to be permanently registered for the Applicant Club; or

339.2. sums payable pursuant to Rule 336.2 and 336.3 arising from transfers in respect of which the Applicant Club was not the Transferor Club.
435. Any agreement between a Club and another Club (or club) as to the compensation payable on the transfer of a registration, whether pursuant to Rule 329.2 or otherwise, may not take effect so as to vary the contingent compensation payable pursuant to this section of the Rules to any other Club (or Football League club).

340. If an Academy Player has spent part only of any year at the Training Club, the amount of compensation in respect of that year shall be calculated pro rata (taking into account whether or not the Training Club’s Academy was operational or not during the Close Season or any part of it).

342. If the Academy Player has been registered for a Training Club for part only of the period between the start of his Under 12 year to the conclusion of his Under 16 year, the amount of contingent compensation payable to that Training Club calculated in accordance with these Rules shall be paid pro rata to the Training Club.

Guidance

1. where an Academy Player has been registered for only one Training Club but not for the entirety of the period from the start of his Under 12 year to the conclusion of his Under 16 year; and
2. where the Academy Player has been registered for more than one Training Club during the period.

In either case, the Training Club(s) receive(s) contingent compensation pro rata to the period that it/they held the Academy Player’s registration.

343. The compensation set by the Professional Football Compensation Committee in respect of an Academy Player to whom Rule 331 applies shall be determined in accordance with the Committee’s Regulations (set out at Appendix 11).

344. The new registration of a Contract Player under Premier League Rule U.17 shall impose an obligation on the Club next holding his registration to pay to the former Club (or club) compensation for the training and development of that Player if the Club (or club):

344.1. had held that Player’s registration as an Academy Player;
344.2. had offered to enter into a Scholarship Agreement with him which offer he had not accepted; or
344.3. had entered into a Scholarship Agreement with him, and either

344.3.1. the Scholarship Agreement had been terminated at the Player’s request; or
344.3.2. in accordance with the terms thereof the former Club (or club) had offered him a contract as a Contract Player which offer he had not accepted.

345. The amount of compensation payable pursuant to Rule 344 shall be:

345.1. such sum as shall have been agreed between the applicant Club (or club) and the former Club; or
345.2. such sum as the Professional Football Compensation Committee on the application of either Club (or club) shall determine pursuant to Rule 343.

346. Any agreement between Clubs or between a Club and a Football League club as to the amount of compensation payable shall be in writing, and a copy provided to the League within five days of being entered into.

347. All compensation (including instalments thereof and contingent sums) payable to a Club or Football League club shall be paid by the Applicant Club into the Compensation Fee Account.

Youth Development Forms

1. Introduction
The disciplinary procedure aims to ensure that the Club behaves fairly in investigating and dealing with allegations of unacceptable conduct with a view to helping and encouraging all Scholars to achieve and maintain appropriate standards of conduct and performance. The Club nevertheless reserves the right to depart from the precise requirements of its disciplinary procedure where the Club considers it expedient to do so and where the Scholar's resulting treatment is no less fair.

2. Records
All cases of disciplinary action under this procedure will be recorded and placed in the Club's records until deleted in accordance with paragraph 4.2. A copy of the Club's disciplinary records concerning the Scholar will be supplied to the Scholar at his request.

3. The Procedure
The following steps will be taken as appropriate in all cases of disciplinary action

3.1 Investigation
No action will be taken before a proper investigation has been undertaken by the Club into the matter complained of. If the Club determines the same to be appropriate the Club may by written notice suspend the Scholar for up to fourteen days while the investigation takes place. If the Scholar is so suspended this agreement will continue together with all the Scholar's rights under it except that during the period of suspension the Scholar will not be entitled to access to any of the Club's premises except at the prior request or with the prior consent of the Club and subject to such conditions as the Club may impose. The decision to suspend the Scholar will be notified in writing to the Scholar by the Club.

3.2 Disciplinary Hearing
3.2.1 If the Club decides to hold a disciplinary hearing about the matter complained of the Scholar will be given full details in writing of the complaint against him and reasonable notice of the date and time of the hearing. At the hearing the Scholar will be given an opportunity to state his case either personally, through his representative or the PFA.

3.2.2 Subject as provided in paragraph 3.2.3 no disciplinary penalty will be imposed without first giving the Scholar the opportunity to state his case.

3.2.3 A disciplinary hearing may proceed in the Scholar's absence and a disciplinary penalty may be imposed if he fails to appear at such hearing after having received proper notice thereof.

3.3 Appeals
3.3.1 The Scholar shall have a right of appeal to the Board against any disciplinary decision. The Scholar should inform the Board in writing of his wish to appeal within seven days of the date of notification to him of the decision which forms the subject of such appeal. The Board will conduct an appeal hearing as soon as possible thereafter at which the Scholar will be given a further opportunity to state his case either personally or through his representative. The decision of the Board will be notified to the Scholar in writing within seven days and subject to paragraph 3.3.2 will be final and binding under this procedure.

3.3.2 In the event of any sanction being imposed or confirmed in excess of an oral warning the Scholar may by notice in writing served on the Club and the League within seven days of receipt by the Scholar of written notification of the decision of the Board appeal against it to the League and such appeal shall be determined in accordance with the League Rules.

3.3.3 If the Scholar exercises any right of appeal as aforesaid any sanction imposed by the Club upon the Scholar shall not take effect until the appeal has been determined and the sanction confirmed, varied or revoked as the case may be.

4. Disciplinary Penalties and Termination
4.1 At a disciplinary hearing or on an appeal to the Board against a disciplinary decision the Club may dismiss the allegation or if it is proved to the Club's satisfaction may:

4.1.1 give an oral warning, a formal written warning or after a previous warning or warnings a final written warning to the Scholar;
4.1.2 impose a fine not exceeding the amount of 50% of his monthly salary,
4.1.3 order the Scholar not to attend at any of the Club's premises for such period as the Club thinks fit not exceeding two weeks; or

4.1.4 where the circumstances set out in Clause 10.1 of this agreement apply, terminate this agreement.

4.2 Any warning or sanction given under this disciplinary procedure will be deleted in the Club's records after twelve months.

2. In relation to the Premier League Equality, Diversity and Inclusion Standard (“PLEDIS”) each Club shall:
   - actively engage with the process by continually working towards a level of the PLEDIS and make submissions within the stated timelines; and

Appendix 3
Camera Positions

(Appendix K.60)

Each Club shall provide at each League Match played at its Stadium positions for television cameras in accordance with the requirements of this Appendix 3, and each such position shall be Hardwired.

1. Pursuant to Rule K.60, and subject to paragraph 2 below, Clubs must provide Hardwired camera positions in the locations shown on:

   1.1 Plan A in respect of League Matches to be broadcast live in the United Kingdom; and
   1.2 Plan B in respect of all other League Matches.

2. In each case, the key to the relevant Plan explains the type of camera required and provides further detail.

3. The Stadium lay-out shown in Plans A and B is indicative only. It is not intended to be an exact representation of a Stadium; rather it is intended to show:

   3.1 where cameras should be placed in relation to the pitch; and
   3.2 the relative height above the pitch of each camera.

4. The League will work with each Club to identify and agree the location of each camera illustrated on the Plans at the Club’s Stadium. This will then be recorded on the Club’s agreed Technical Specification.

CAMERA PLANS: KEY

Numbers in brackets refer to the designated Camera Number.

All camera positions must provide a full and clear view of the whole pitch. All camera positions are manned, with the exception of camera 13 and cameras 16-21, which are remotely operated cameras.

**Main Camera (1)**
- Positioned on television gantry exactly on the halfway line facing away from the sun
- Ideal angle is 12-14 degrees from the gantry to the centre spot and 22-24 degrees from the gantry to the near-side touchline
- This camera will be used to provide the main wide-shot coverage of the game

**Close-Up Camera (2)**
- Positioned on television gantry. Normally located next to the camera 1, it is used to provide closer coverage of the action and player/referee close-ups
- A large lens must be used

**Pitch-Side Halfway Camera (3)**
- A fixed camera on the half-way line at pitch level on the same side as camera 1
- The position should enable an unobstructed view of the field of play and substitutes’ benches for the fourth Official, and a clear view of the pitch for the Club representatives
- A large lens must be used

**Close-Up Camera (4)**
- Positioned on television gantry. Normally located next to cameras 1 and 2, it is used to provide closer coverage of the action and player/referee close-ups
- A large lens must be used

**Steadicams (5 and 6)**
- Up to two hand held portable “steadicams”, each positioned either side of the half-way line on the same side as main camera may work the length of each half but concentrating on a zone extending between the goal-line and 18 yard line
- The cameras should not cause any viewing obstructions to the trainers’ benches and sufficient space must be allowed for Players to warm up
- Host Broadcasters are permitted to use their “steadicams” on the pitch during the pre-match warm up for a short period of time, up until 30 seconds before kick-off and after the final whistle
- Positions and timings to be agreed with each Club at the start of each season

**18 Yard Cameras (7 and 8)**
- Two cameras installed on the same side as camera 1 at the same level or higher than the main camera positions, facing each of the 18 yard lines. Often used to cover play in a wide angle, but also used for close up coverage
- Large lenses may be used
- (Cameras 5 & 6 on the UK Non-Live Camera Plan)

**High-Behind Goal Camera (9 and 10)**
- Two cameras installed in the stands behind either goal, at a height which permits an unobstructed view of the penalty spot from above the crossbar. Both
Appendices to the Rules

Appendix 3

Cameras need to be able to see the far side goal in its entirety and all four corner flags. Large lenses may be used
- (Camera 8 on the UK Non-Live Camera Plan, and only one of the two shown will be used)

Low-Behind Goal Cameras (11 and 12)
- Two cameras, one at each end, at pitch level in fixed positions behind each goal-line, on the side closest to camera 1. Ideally aligned where the six yard line meets the goal-line
- (Camera 7 on the UK Non-Live Camera Plan)

Beauty-Shot Camera (13)
- A fixed camera mounted high in the stadium to give a panoramic static shot of the pitch
- This camera is remotely operated
- (Camera 10 on the UK Non-Live Camera Plan)

Reverse Angle Camera (14 and 15)
- Two cameras located opposite camera 1 for “reverse-angle” coverage and usually for coverage of the trainers’ benches
- On or close to the centre line
- One of these cameras covers close up shots of the Managers, therefore if your gantry is opposite the trainers’ benches, camera 14 should be included as part of the TV gantry requirement
- Large lenses may be used
- (Camera 9 on the UK Non-Live Camera Plan)

Pole Cameras (16 and 17)
- A camera on a pole mount may be used behind goals in front of the advertising boards. They will be rigged at full height, up to the top of the goals. These cameras may be static or mounted on a jib arm. Where a jib style pole cam is in use, Broadcasters will lower the jib arm as low as possible if play is at the opposite end of the pitch

Goal-Line Cameras (18 and 19)
- Two cameras located on the same side as the main camera, level with the goal-line and with an unobstructed view of the whole goal and the goal-line inside the penalty area

Mini-Cameras (20 and 21)
- Mini-cameras may be placed directly behind the goal net but cannot be attached to the net or the actual posts and crossbar. It can be as close to the net as desired as long as it does not touch the net. A mini-camera may therefore be attached to the poles which support the net or the cable connecting the back of the net to the vertical stanchions directly behind the goal

Corner Cameras (22, 23, 24 and 25)
- Options for cameras to be placed in all four corners approximately five metres above the pitch
- Large lenses may be used
- (Camera 9 on the UK Non-Live Camera Plan)

Electronic Newsgathering (ENG) Cameras (26, 27, 28 and 29)
- Four portable ENG cameras at pitch level, behind each goal-line
- These cameras must be positioned outside (nearer the touchline) the cabled Host Broadcaster cameras and would be required to be fixed during each half
- There may be a requirement for these cameras to change ends at half-time

Hi Motion or Big Lens Close Up Cameras (30 and 31)
- Up to four big lens cameras, at pitch level, between the six yard and 18 yard line

ISO and Analysis Cameras (32 and 33)
- Two cameras positioned on the television gantry. If space is not available on the main gantry then suitable positions must be made available near to, and at a similar level to, the main gantry and not more than 20 metres from the half-way line
- Large lenses may be used

Collection of the above information is considered necessary for the safety of the Player to ensure that medical emergencies can be managed appropriately. For tournaments and foreign trips, it is recommended that the responsible clinician has access to these details in case of emergency. Beyond this, no further tests are mandated. However, it is recognised that Clubs will collect more personal information and may justify and undertake more tests, in particular, those Clubs competing in UEFA competitions will be subject to additional obligations under UEFA’s rules.
Pocket CONCUSSION RECOGNITION TOOL™

RECOGNIZE & REMOVE
Concussion should be suspected if one or more of the following visible clues, signs, symptoms or errors in memory questions are present.

1. Visible clues of suspected concussion
Any one or more of the following visual clues can indicate a possible concussion:
- Loss of consciousness or responsiveness
- Lying motionless on ground; slow to get up
- Unsteady on feet / Balance problems or falling over / Incoordination
- Grabbing / Clutching of head
- Dazed, blank or vacant look
- Confused / Not aware of plays or events

2. Signs and symptoms of suspected concussion
Presence of any one or more of the following signs & symptoms may suggest a concussion:
- Loss of consciousness
- Seizure or convulsion
- Balance problems
- Nausea or vomiting
- Dizziness
- More emotional
- Irritability
- Sadness
- Fatigue or low energy
- Nervous or anxious
- “Don’t feel right”
- Difficulty remembering
- Headache
- Dizziness
- Confusion
- Feeling slowed down
- “Pressure in head”
- Blurred vision
- Sensitivity to light
- Amnesia
- Feeling like “in a fog”
- Neck Pain
- Sensitivity to noise
- Difficulty concentrating

3. Memory function
Failure to answer any of these questions correctly may suggest a concussion.
- “What venue are we at today?”
- “Which half is it now?”
- “Who scored last in this game?”
- “What team did you play last week / game?”
- “Did your team win the last game?”

Any athlete with a suspected concussion should be IMMEDIATELY REMOVED FROM PLAY, and should not be returned to activity until they are assessed medically. Athletes with a suspected concussion should not be left alone and should not drive a motor vehicle.

It is recommended that, in all cases of suspected concussion, the player is referred to a medical professional for diagnosis and guidance as well as return to play decisions, even if the symptoms resolve.

RED FLAGS
If ANY of the following are reported then the player should be safely and immediately removed from the field. If no qualified medical professional is available, consider transporting by ambulance for urgent medical assessment:
- Athlete complains of neck pain
- Deteriorating conscious state
- Increasing confusion or irritability
- Severe or increasing headache
- Repeated vomiting
- Unusual behaviour change
- Severe or convulsion
- Double vision
- Weakness or tingling / burning in arms or legs

Remember:
- In all cases, the basic principles of first aid (danger, response, airway, breathing, circulation) should be followed.
- Do not attempt to move the player (other than required for airway support) unless trained to do so.
- Do not remove helmet (if present) unless trained to do so.

      1.4.2 is likely, if the replica football kit is supplied to him, to sell it in the United Kingdom at a price below that price, or supply it, either directly or indirectly, to a third party who would be likely to do so.

In this subclause 1.4, “resale price” in relation to a sale of any description, means any price notified to the dealer or otherwise published by or on behalf of the Company as the price or minimum price which is to be charged on or is recommended as appropriate for a sale of that description, or any price prescribed or purporting to be prescribed for that purpose by a contract or agreement between the dealer and the Company.

2. For the avoidance of doubt, nothing shall prevent the Company from recommending resale prices to dealers provided no impression is given that, in doing so, the Company is notifying a minimum price.

3. The Company may, notwithstanding any of the foregoing, withhold supplies from a dealer, or cause or procure a supplier to do so, if it has reasonable cause to believe that within the previous 12 months the dealer, or any other dealer to whom the dealer supplies goods, has been using as a loss-leader any replica football kit whether or not obtained from the Club.

You may, notwithstanding any of the foregoing, withhold supplies from a dealer, or cause or procure a supplier to do so, if it has reasonable cause to believe that within the previous 12 months the dealer, or any other dealer to whom the dealer supplies goods has been using as a loss-leader any replica football kit whether or not obtained from the Club.

*In this paragraph 1.4.1 “resale price” in relation to a sale of any description means any price notified to the dealer or otherwise published by you as the price or minimum price which is to be charged on or is recommended as appropriate for a sale of that description, or any price prescribed or purporting to be prescribed for that purpose by a contract or agreement between the dealer and you.

   4.2 appointing individual members of the Judicial Panel to sit on Commissions, Appeal Boards, tribunals and otherwise, as provided for in the Rules;
   4.3 where appropriate, and pursuant to paragraph 20, below, appointing on an ad-hoc basis individuals who are not members of the Judicial Panel, but whom he considers would be suitable for the particular appointment, to sit on Commissions, Appeal Boards, tribunals and otherwise, as provided for in the Rules;

D. Term and termination

11. Subject to paragraph 13, below, the term of each member of the Judicial Panel shall be 10 years. At the end of that term, the member may be reappointed for a further term by the Chair of the Judicial Panel, at his absolute discretion.

A member of the Judicial Panel appointed for any purpose provided for by the Rules may continue to act on the matter for which he was so appointed notwithstanding that his term of office has expired, with the permission of the Chair of the Judicial Panel. Where the Chair of the Judicial Panel does not grant such permission, any questions as to the future progress of the matter shall be determined by the Chair of the Judicial Panel at his absolute discretion.

13. The appointment of any member of the Judicial Panel (including the Chair) shall cease before the conclusion of the applicable term if:
   13.1 by notice in writing to the Chair of the Judicial Panel, the member resigns from the Judicial Panel;
   13.2 the member accepts a position that would render the member ineligible from appointment to the Judicial Panel, in accordance with paragraph 6, above;
   13.3 the member becomes subject to any of the matters set out in Rule F.1;
   13.4 in the opinion of the Chair of the Judicial Panel:

E. Miscellaneous

14. The Chair of the Judicial Panel shall be remunerated for his role as Chair by way of an annual fee or salary, payable by the League (with the level of fee agreed for the entire term at the start of the term). The terms of his appointment shall, at the start of the term, be subject to the approval of the Premier League’s Audit and Remuneration Committee.

15. Each member of the Judicial Panel will be paid a daily rate for his work on matters covered in these Terms of Reference, the level of which shall be agreed by the League and the Chair of the Judicial Panel and subject to the approval of the Premier League’s Audit and Remuneration Committee. In addition, members of the Judicial Panel may be reimbursed for any reasonable out of pocket expenses incurred during the course of their work.

16. Liability for payment of the sums referred to at paragraph 15, above, shall be determined in accordance with the Rules and, in particular, the provisions empowering Commissions, Tribunals and Appeal Boards to impose cost orders. Where the Rules are silent as to liability for payment of the sums referred to at paragraph 15, above, the matter shall be referred to the Chair of the Judicial Panel to determine in such manner as he thinks fit.

17. No amendment to these Terms of Reference shall be made without the approval of Clubs at a General Meeting. Any amendment made pursuant to this paragraph 17 shall be effective immediately and shall be binding on all members of the Judicial Panel, including the Chair, all Clubs and the League.

18. Any hearings, appeals, deliberations or proceedings of any description held pursuant to or arising from the Rules which are in progress as of 6 February 2020 shall continue in full force and effect, without variation, with any individuals validly appointed to conduct such matters under any iterations of the Rules previously in force fully empowered to conclude those matters, whether or not those individuals are (or become) members of the Judicial Panel.

19. Save where specifically defined in these Terms of Reference, capitalised terms bear the meaning given to them in the Premier League’s Articles of Associations and/or the Rules (including the YDRs).

20. Notwithstanding all of the above, the Chair of the Judicial Panel may, in his absolute discretion, when appointing Commissions, Appeal Boards, tribunals and otherwise, as provided for in the Rules, appoint on an ad hoc basis individuals who are not members of the Judicial Panel but whom he considers would be suitable for the particular appointment (and for the period of their temporary appointment each such person will be considered a member of the Judicial Panel). It is anticipated that the Chair of the Judicial Panel will exercise this power only in exceptional circumstances (for example, where specific and/or unforeseen knowledge or expertise is required). Those individuals appointed on an ad hoc basis will be subject to the same daily rates and the same approach to expenses reimbursement as members of the Judicial Panel.
Appendix 14
COVID-19 – Season 2021/22 Training Protocol

A. Introduction

1. While the public health situation associated with the COVID-19 pandemic continues to improve, allowing many restrictions to be relaxed, there remains a requirement for diligence and for the implementation of protocols within training ground environments to ensure that:

   i. Players and Staff continue to be able to train in as safe an environment as possible;

   ii. The bio-security of the environment in which Players and Staff are training can be maintained at all times, with necessary and proportionate limitations placed on interaction between those individuals and others (i.e., the creation and maintenance of a ‘bubble’);

   iii. Government and stakeholder confidence is maintained in the Premier League and the activities of Clubs and Players; and

   iv. The League, Clubs and Players are able to adapt quickly in the event that the COVID-19 situation deteriorates, whether as a result of an outbreak, the spread of a new variant or otherwise. In such circumstances, it is vital that these protocols can be escalated quickly, to ensure that the Premier League can continue to operate.

2. As in previous seasons, this document sets out a series of uniform operating procedures, applicable to all Clubs. It has been produced following consultation with a range of stakeholders and with the agreement of Clubs.

3. It is divided into the following sections:

   a. A protocol applicable to Clubs’ first team training operations (the ‘First Team Protocol’, section B, below);

   b. A protocol applicable to Clubs’ Academy training operations as they relate to the Professional Development Phase (the ‘PDP Protocol’, section C, below);

   c. A protocol applicable to Clubs’ Academy training operations as they relate to the Foundation Phase and Youth Development Phase and their Development Centre programme (the ‘Academy Protocol (Foundation Phase and Youth Development Phase)’, section D, below); and

   d. A process for the implementation of ‘Emergency Measures’ by the League in the event of an ‘Outbreak’ or imposition of heightened restrictions by Government at either a local or national level (‘Escalation Protocol’, section E, below). This is applicable to all activities, whether involving the first team or Academy.

4. The League will continue to monitor compliance with these Protocols through the use of regular Club Assurance Officer visits and dedicated Compliance Officers, who will conduct ‘spot checks’ at Training Grounds and Academy Training Grounds.

5. For the avoidance of doubt, in line with Rule O.1, nothing in these Protocols replaces, reduces or affects in any way the obligations imposed on Clubs by statute and/or common law in the fields of medicine, occupational health and/or health and safety. Capitalised terms not otherwise defined in this document bear the meaning given to them in the Rules (including the Youth Development Rules).

B. First Team Protocol

Overview

6. This First Team Protocol is divided into:

   a. obligations binding on Clubs and incorporated into the Rules, a breach of which will be dealt with under Section W (Disciplinary) of those Rules. These obligations are set out in numbered paragraphs 7 to 22 and apply principally to the following individuals (collectively referred to in this Protocol as ‘Relevant Persons’):

      i. Players; and

      b. Club employees, consultants and contractors essential for the performance of first team training (including coaches, analysts, doctors, physios, sport scientists and other members of the Club’s medical and administration team, but not including security staff, cleaners or members of the Club’s catering staff);

   b. non-binding guidance issued by the League to assist Clubs and facilitate compliance with their obligations to ensure the safest possible environment at any site where the Club conducts coaching or training of its first team Players (‘Training Ground’). This guidance is in italicised text following the obligation to which it relates. Further guidance will continue to be issued by the League in accordance with Government advice.
Appendices to the Rules

Appendix 14

Policies and procedures

7. Each Club must, by no later than the date on which it commences pre-season training for Season 2021/22, conduct an updated formal inter-disciplinary risk assessment of the Training Ground and all activities to be carried out within the Training Ground while Relevant Persons are present, with specific regard to:
   i. the optimisation of any social distancing and/or COVID-19-related hygiene measures specified by Government or this Protocol;
   ii. modification of existing facilities and arrangements to ensure that compliance with this First Team Protocol can be maintained at all times, notwithstanding the presence of any Academy Players or other training activity at the Training Ground; and
   iii. any updates in Government guidance,
   the ‘COVID-19 Risk Assessment’, the results of which must be provided to the League on request.

Guidance

For the purposes of this Protocol, ‘pre-season training’ shall be the first occasion in which the whole or the majority of the first team squad convenes at the Training Ground following the conclusion of the preceding season. It shall not include any injury rehabilitation session nor individual or small group training session.

8. Each Club must devise and implement a COVID-19 operational policy, which must:
   i. Reflect the Club’s most recent COVID-19 Risk Assessment;
   ii. Include a contingency plan (the content of which must be approved by the League) to facilitate the introduction of any Emergency Measures introduced by the League (in accordance with Section E, below);
   iii. Be agreed by its Board and/or Chief Executive Officer;
   iv. Identify an individual as the ‘Designated COVID-19 Officer’;
   v. Be communicated to every Relevant Person;
   vi. Be submitted to the League by no later than the date on which they commence pre-season training for Season 2021/22 (and re-submitted to the League as soon as possible following any revisions agreed by its Board and/or Chief Executive Officer);

   vii. Include a framework to support the education and familiarisation of all Relevant Persons with regard to the Club’s COVID-19 operational policy; and

   viii. Include guidance as to the process by which a Relevant Person can opt out of the policy at a later date, should they choose to do so (in which case, they will not be permitted to attend the Training Ground).

9. Each Club must ensure that, before any Relevant Person attends the Training Ground, they have provided written confirmation (in such terms as are approved by the Premier League) that they have received and agree to be bound by the Club’s COVID-19 operational policy.

Guidance

The Designated COVID-19 Officer should be either: (a) a senior employee who holds appropriate qualifications and/or is appropriately experienced in health and safety but who is not part of the Club’s medical team; or (b) a consultant or external specialist with such experience and/or qualifications who reports directly to a board-level employee. In either case, the individual shall take leadership responsibility for devising and administering the COVID-19 operational policy and managing compliance with that policy and this First Team Protocol.

The COVID-19 Risk Assessment must consider what steps are necessary to minimise the risk to all individuals who will be present at the Training Ground, whether or not they are a Relevant Person, and must contain provision for any individuals considered to be ‘clinically vulnerable’ or ‘clinically extremely vulnerable’ in line with Government guidance.

Return from international travel

10. Each Club must ensure that no Relevant Person who travels outside of the UK is permitted to attend the Training Ground following that international travel unless they have complied with all applicable Government guidance regarding post-travel quarantine measures.

Management of COVID-19 Symptoms and Testing

11. Where there is a requirement to submit to a test for COVID-19 (‘Test’) in this Protocol, the Test will be conducted in accordance with the process administered by the League.

12. Each Club must ensure that:
   i. before pre-season training for Season 2021/22 begins, each Relevant Person has submitted to a Test, which has returned a negative result; and
Appendices to the Rules

Appendix 14

ii. each Relevant Person continues to submit to Tests at such frequency as is required by the League.

Guidance

The requirement at paragraph 12 applies, for example, to a Player returning for pre-season training in advance of Season 2021/22, any newly registered Player, any Academy Player training with Relevant Persons for the first time in accordance with these Protocols or any new member of Staff.

For Season 2021/22, the League will operate a twice-weekly Test programme (utilising COVID-19 rapid lateral flow tests) for all Relevant Persons. These will be administered at the Training Ground by the League’s appointed testing provider. This programme will be kept under regular review throughout the course of the season and periodically considered by the Premier League Clinical Oversight Group.

13. In respect of each Test taken by a Relevant Person, the Team Doctor must:
   i. assess and contemporaneously record whether the individual submitting to the Test is experiencing any symptoms of COVID-19 at the time that the Test is taken; and
   ii. be the individual responsible for the receipt and co-ordination of all Test results.

14. Each Club must comply with any action plan published by the League from time to time in relation to any instance of a positive Test result for one of its Relevant Persons and/or record of any symptoms of COVID-19.

15. Each Club must ensure that all Relevant Persons comply with Government guidance regarding management of COVID-19 symptoms experienced by them or any member of their household, including any ‘test and trace’ guidance or policy implemented by Government.

The Training Ground

16. Each Club must ensure that:
   i. Every Relevant Person complies with applicable Government requirements in respect of the following areas:
      a. the use of transport when travelling to and from the Training Ground;
      b. social distancing;
      c. the use of face coverings; and
      d. congregation in indoor spaces;
   ii. Every individual present at the Training Ground while Relevant Persons are present but who is not a Relevant Person themselves complies with applicable Government requirements in respect of the following areas:
      a. social distancing;
      b. the use of face coverings; and
      c. congregation in indoor spaces;
   iii. Prior to entering the site, each Relevant Person and each individual who is not a Relevant Person but who will be present at the Training Ground at the same time that any Relevant Persons are present must complete a COVID-19 screening protocol, in a manner devised by the Team Doctor, but which:
      a. may include, at the Club’s discretion, a non-invasive temperature check and a medical questionnaire; and
      b. must include, in respect of any individual who is not a Relevant Person but who will be present at the Training Ground at the same time that any Relevant Persons are present, a self-declaration that the individual has submitted to a COVID-19 rapid lateral flow test in the preceding three days, which has returned a negative result;
   iv. At any time when one or more Relevant Person(s) is/are present at the Training Ground, it permits other individuals (ie, individuals who are not Relevant Persons) to be present in the same area(s) of the Training Ground only where necessary (including where required by the Rules), where such presence is strictly in accordance with this Protocol and where such individuals maintain social distancing in respect of all Relevant Persons while at the Training Ground.

Guidance

Each Club should review its list of Relevant Persons periodically, to identify those individuals deemed to be essential to the delivery of training or operation of the Training Ground and limit access to areas of the Training Ground where training will be conducted to only those individuals. To this end, it is recommended that, at all times while Relevant Persons are at the Training Ground a ‘Red Zone’ is designated, restricting access to that Red Zone only to Relevant Persons, to minimise (to the maximum extent possible) contact between Relevant Persons and other individuals.
Appendices to the Rules

Appendices to the Rules

521 522

Engagement by Relevant Persons with a broadcaster, sponsor or other commercial partner (whether a Club partner, Premier League partner or non-rights holder) is permitted at the Training Ground, provided that:

- Such activity is assessed as part of the Club’s COVID-19 Risk Assessment;
- Any non-Relevant Person attending the Training Ground as part of such activity confirms in advance their agreement to the Club’s COVID-19 operational policy and submits to the screening referred to at paragraph 16.iii; and
- Social distancing, use of face coverings and hygiene protocols are maintained at all times.

For Season 2021/22, Premier League Rule K.90 (which requires ‘Content Sessions’ to be held in person) has been re-instated in the Handbook, save where it is ‘requested by the relevant Club and/or relevant Broadcaster(s) and agreed by the League.’

Permission will only be granted by the League in such cases where: (a) the Content Session can be captured by a camera of suitable specifications (approved by the League) provided by the Club or a Host Broadcaster; and (b) where the footage is delivered in a timely manner.

Where the Content Session is to be conducted in person at the Training Ground, the Club should permit attendance by one producer or assistant producer from the Broadcasters, in addition to the reporter and camera operator.

Cardiac and respiratory screening

17. Each Club must ensure that it conducts ongoing risk assessments of every Player who attends the Training Ground for potential respiratory and/or cardiac complications associated with COVID-19, in accordance with any such protocol issued by the Premier League, and to record the results of such assessments.

Living arrangements and isolation

18. Each Club must require all Relevant Persons to:

i. Comply with Government requirements regarding isolation and social distancing whilst not at the Training Ground (whether at their own homes or otherwise);

ii. Ensure that if they or a member of their household experience symptoms of COVID-19 whilst they are not at the Training Ground:
   a. they inform the Team Doctor immediately;
   b. they stay at home unless advised otherwise by the Team Doctor; and
   c. under no circumstances do they attend the Training Ground for further assessment.

Training Ground hygiene overnight protocol

19. Each Club must ensure that, every day, after all training activity has been completed and all Relevant Persons have vacated the Training Ground, cleaning of the Training Ground is undertaken in accordance with the processes set out in Appendix 14.1.

Guidance

In addition to the cleaning requirements of paragraph 19 and Appendix 14.1, Clubs are recommended to engage in more substantial, industrial-scale ‘deep cleansing’ of the Training Ground on a regular basis.

Transition between Protocols

20. Subject to paragraphs 21 and 22, no individual, whether a Player, Academy Player (including a PDP Player), member of Staff or otherwise may become a Relevant Person (and thereby engage in training activities permitted under this First Team Protocol with other Relevant Persons) unless they have first:

i. Returned a negative Test; and

ii. Confirmed their agreement in writing to the Club’s COVID-19 operational policy.

21. A Club may permit a Relevant Person to participate in a friendly or competitive match involving its PDP Players, provided that:

i. All PDP Persons participating in the PDP Match are engaged in the Testing programme referred to paragraph 30 below;

ii. The Relevant Person(s) continue to submit to Tests as required by this Protocol (albeit, provided that the provisions of this paragraph 21 are complied with, it will not be a requirement that the Relevant Person(s) return a negative Test between participating in the PDP Match and then re-engaging in training activities with Relevant Persons under this Protocol);

iii. The involvement of the Relevant Person(s) in the PDP Match is risk assessed by the Club as part of its COVID-19 Risk Assessment;

iv. The Relevant Person(s) do not share indoor facilities (including changing rooms) with the PDP Persons with whom they are playing prior to or after the PDP Match (but may do so at half-time);
v. Where applicable, the Relevant Person(s) travel(s) separately from the PDP Persons to and from the PDP Match; and

vi. Prior to participating in the PDP Match, each such Relevant Person has first confirmed their agreement in writing to the PDP COVID-19 operational policy. Where the individual is a minor, their Parent must also confirm their agreement in writing.

Guidance

Paragraphs 20 and 21 are intended to allow Clubs near-total flexibility in respect of training and matches involving both Relevant Persons and PDP Persons, provided that activity is outdoors, and the PDP Persons involved in the activity are subject to the Testing regime referred to at paragraph 30.

Friendly matches

22. Clubs may engage in non-competitive, friendly or training matches with teams from another Club or club at the Training Ground, whether or not the individuals representing the opponent team are subject to the Test process administered by the League, provided that:

i. The staging of such matches is risk assessed by the Club as part of its COVID-19 Risk Assessment;

ii. Any individual who is not a Relevant Person but who is participating in or present at such a match (whether as a player, match official or essential member of staff) has confirmed their agreement in writing in advance to the Club’s COVID-19 operational policy; and

iii. Facilities (including dressing rooms) are modified as necessary to ensure no sharing of indoor spaces between Relevant Persons and non-Relevant Persons.

Guidance

While the provisions of paragraph 22 permit Clubs to engage in pre-season friendly matches against other clubs that are not part of the Testing regime, Clubs may wish to conduct their own due diligence on what, if any, testing process the opponent club will be subject to. Clubs should also be mindful that any planned friendly against a club based outside the UK will need to comply with all relevant Government guidance regarding international travel.

Paragraph 22 also permits the use of referees who are not subject to the League-administered Test process.

C. PDP Protocol

Overview

23. Given the elite nature of training in the Professional Development Phase (as recognised by Government) and the possible transition of Academy Players in the Professional Development Phase into the first team environment, it is necessary to implement a bespoke Protocol for such training. Nevertheless, each Club must ensure that no aspect of its training of Academy Players in the Professional Development Phase impacts upon its ability to comply in full with their obligations under the First Team Protocol.

24. This PDP Protocol applies to all training conducted by a Club of Academy Players in the Professional Development Phase, whether that training is conducted at the Training Ground or at an alternative training facility utilised for the training of Academy Players (‘Academy Training Ground’). It is divided into:

i. obligations binding on Clubs and incorporated into the Rules, a breach of which will be dealt with under Section W (Disciplinary) of those Rules. These obligations are set out in numbered paragraphs 25 to 38 and apply principally to the following individuals (collectively referred to in this PDP Protocol as ‘PDP Persons’):

a. Academy Players in the Professional Development Phase, either registered to the Club or on trial (‘PDP Players’); and

b. Club employees, consultants and contractors essential for the performance of training of PDP Players and/or compliance by the Club with their responsibilities under the Youth Development Rules (including coaches, analysts, educators, safeguarding staff, doctors, physios, sport scientists and other members of the Club’s medical team, but not including security staff, cleaners or members of the Club’s catering staff);

ii. non-binding guidance issued by the Premier League to assist Clubs and facilitate compliance with their obligations to ensure the safest possible environment at any site where the Club conducts coaching or training of its Players. This guidance is in italiced text following the obligation to which it relates. Further guidance will continue to be issued by the League in accordance with Government advice.

25. Each Club must, by no later than the date on which they commence pre-season training for PDP Players for Season 2021/22, conduct a formal inter-disciplinary risk assessment of the Training Ground/Academy Training Ground (as appropriate)
Appendix 14

and all activities to be carried out within the Training Ground/Academy Training Ground while PDP Persons are present, with specific regard to:

i. the optimisation of social distancing and all hygiene measures specified by Government during the COVID-19 pandemic;

ii. modification of training facilities and the Training Ground/Academy Training Ground environment to mitigate risk; and

iii. any relevant Government guidance,

the ‘PDP COVID-19 Risk Assessment’, the results of which must be provided to the League on request.

26. Each Club must devise and implement a PDP COVID-19 operational policy, which must:

i. Reflect the Club’s PDP COVID-19 Risk Assessment;

ii. Include a contingency plan (the content of which must be approved by the League) to facilitate the introduction of any Emergency Measures introduced by the League (in accordance with Section E, below);

iii. Be agreed by its Board and/or Chief Executive Officer;

iv. Identify an individual as the ‘Designated PDP COVID-19 Officer’;

v. Identify an individual as the ‘Designated PDP COVID-19 Medical Officer’;

vi. Be communicated to every PDP Person (and where the PDP Person is a minor, their Parent);

vii. Be submitted to the League by no later than the date on which it intends to begin training of PDP Players in advance of Season 2021/22 (and re-submitted to the League as soon as possible following any revisions agreed by its Board and/or Chief Executive Officer);

viii. Include a framework to support the education and familiarisation of all PDP Persons (and where such PDP Persons are minors, their Parents) with regard to the Club’s PDP COVID-19 operational policy; and

ix. Include guidance as to the process by which a PDP Person (or their Parents on their behalf) can opt out of the policy at a later date, should they choose to do so (in which case, they will not be permitted to attend the Training Ground/Academy Training Ground).

Appendix 14

Guidance

Where PDP Persons will be involved in training activity within the Training Ground, Clubs may combine the PDP COVID-19 Risk Assessment and the risk assessments referred to in paragraphs 7 and 40 into one document. However, where training of PDP Players will take place at an Academy Training Ground, Clubs are recommended to conduct separate risk assessments for each site.

The Designated PDP COVID-19 Officer may be the same person as the Club’s Designated COVID-19 Officer. If both roles are not held by the same person, the Designated PDP COVID-19 Officer should:

• report to the Club’s Designated COVID-19 Officer; and

• be either: (a) a senior Academy employee who holds appropriate qualifications and/or is appropriately experienced in health and safety but who is not part of the Club’s medical team; or (b) a consultant or external specialist with such experience and/or qualifications, who reports directly to a board-level employee. In either case, the individual must take leadership responsibility for devising and administering the PDP COVID-19 operational policy and managing compliance with that policy and this PDP Protocol.

The Designated PDP COVID-19 Medical Officer may be the Team Doctor, the Academy Doctor or another suitably qualified medical doctor.

27. Each Club must ensure that, before any PDP Person attends the Training Ground or Academy Training Ground (as appropriate), they have provided written confirmation (in such terms as are approved by the Premier League) that they have received and agree to be bound by the Club’s PDP COVID-19 operational policy. Where the PDP Person is a minor, written confirmation should also be provided by a Parent.

Location of Training

28. Each Club must ensure that, where it intends to conduct training of PDP Players at the Training Ground (as opposed to the Academy Training Ground), measures are implemented to ensure that, save as permitted by the First Team or PDP Protocol, PDP Persons are prohibited from accessing any indoor area in which Relevant Persons are present.
Return from international travel

29. Each Club must ensure that no PDP Person who travels outside of the UK is permitted to attend the Training Ground or Academy Training Ground following that international travel unless they have complied with any applicable Government guidance regarding post-travel quarantine measures.

Optional Testing and Management of COVID-19 symptoms

30. Where there is a requirement to submit to a test for Test in this Protocol, the Test will be conducted in accordance with the process administered by the League.

Guidance

For Season 2021/22, the League will offer a twice-weekly Test process (utilising COVID-19 rapid lateral flow tests) for PDP Persons. These will be administered at the Training Ground by the League’s appointed testing provider.

While take-up of this Test process will be optional for PDP Persons, should any PDP Person wish to engage in any training or match activities of any kind involving the Club’s Relevant Persons, as noted in paragraph 21, they will need to demonstrate that they are engaged in this Testing process.

31. In respect of any Test taken by a PDP Person, the Designated PDP COVID-19 Medical Officer must:
   i.  assess and contemporaneously record whether the individual submitting to the Test is experiencing any symptoms of COVID-19 at the time that the Test is taken; and
   ii.  be the individual responsible for the receipt and co-ordination of all Test results.

32. Each Club must comply with any action plan published by the League from time to time in relation to any instance of a positive Test result for one of its PDP Persons and/or record of any symptoms of COVID-19.

33. Each Club must ensure that all PDP Persons comply with Government guidance regarding management of COVID-19 symptoms experienced by them or any member of their household, including any ‘test and trace’ guidance or policy implemented by Government.

The Training Ground/Academy Training Ground

34. Each Club must ensure that:
   i.  Every PDP Person complies with applicable Government requirements in respect of the following areas:
       a.  the use of transport when travelling to and from the Training Ground/Academy Training Ground;
       b.  social distancing;
       c.  the use of face coverings; and
       d.  congregation in indoor spaces;
   ii.  Every individual present at the Training Ground/Academy Training Ground while PDP Persons are present, but who is not a PDP Person themselves complies with applicable Government requirements in respect of the following areas:
       a.  social distancing;
       b.  the use of face coverings; and
       c.  congregation in indoor spaces;
   iii. Prior to entering the site, each PDP Person and each individual who is not a PDP Person but who will be present at the Training Ground/Academy Training Ground at the same time that any PDP Persons are present must complete a COVID-19 screening protocol, in a manner devised by the Designated PDP COVID-19 Medical Officer, but which:
       a.  may include, at the Club’s discretion, a non-invasive temperature check and a medical questionnaire; and
       b.  must include, in respect of any individual who is not a PDP Person but who will be present at the Training Ground/Academy Training Ground at the same time that any PDP Persons are present, a self-declaration that the individual has submitted to a COVID-19 rapid lateral flow test in the preceding three days, which has returned a negative result;
   iv.  At any time when one or more PDP Person(s) is/are present at the Training Ground/Academy Training Ground, it permits other individuals (ie, individuals who are not PDP Persons) to be present in the same area(s) of the Training Ground/Academy Training Ground as those occupied by the PDP Person(s).
only where necessary, where such presence is strictly in accordance with this Protocol and where such individuals maintain social distancing in respect of all PDP Persons while at the Training Ground/Academy Training Ground.

Guidance

Each Club should review its list of PDP Persons periodically, to identify those individuals deemed to be essential to the delivery of training or operation of the Training Ground/Academy Training Ground and limit access to areas of the Training Ground/Academy Training Ground where training will be conducted to only those individuals. To this end, it is recommended that, at all times while PDP Persons are at the Training Ground/Academy Training Ground a ‘PDP Red Zone’ is designated, restricting access to that PDP Red Zone only to PDP Persons, to minimise (to the maximum extent possible) contact between PDP Persons and other individuals.

Cardiac and respiratory screening

35. Each Club must ensure that it conducts ongoing risk assessments of every PDP Player who attends the Training Ground/Academy Training Ground for potential respiratory and/or cardiac complications associated with COVID-19, in accordance with any such protocol issued by the Premier League, and to record the results of such assessments.

Living arrangements and isolation

36. Each Club must require all PDP Persons to:

i. Comply with Government requirements regarding isolation and social distancing whilst not at the Training Ground/Academy Training Ground (whether at their own homes or otherwise);

ii. Ensure that if they or a member of their household experience symptoms of COVID-19 whilst they are not at the Training Ground/Academy Training Ground:

a. they inform the Designated PDP COVID-19 Medical Officer immediately;

b. they stay at home unless advised otherwise by the Designated PDP COVID-19 Medical Officer; and

c. under no circumstances do they attend the Training Ground/Academy Training Ground for further assessment.

Transition between Protocols

37. Subject to paragraph 20 to 22, no individual, whether a Player, Youth Player, member of Staff or otherwise may become a PDP Person (and thereby engage in training activities permitted under this PDP Protocol with other PDP Persons) unless they have first confirmed their agreement in writing to the Club’s COVID-19 operational policy.

Friendly matches

38. Clubs may engage in non-competitive, friendly or training matches with teams comprising non-PDP Persons at the Training Ground/Academy Training Ground (whether from within the Club or otherwise), whether or not the individuals representing the opponent team are subject to the Test process administered by the League, provided that:

i. The staging of such matches is risk assessed by the Club as part of its COVID-19 PDP Risk Assessment;

ii. Any individual who is not a PDP Person but who is participating in or present at such a match (whether as a player, match official or essential member of staff) has confirmed their agreement in writing in advance to the Club’s PDP COVID-19 operational policy; and

iii. Facilities (including dressing rooms) are modified as necessary to ensure no sharing of indoor spaces between PDP Persons and non-PDP Persons.

Guidance

The provisions of paragraph 38 permit Clubs to engage in pre-season friendly matches against sides taken from younger age groups in their Academy and/or other Clubs (or clubs). It also permits the use of referees who are not subject to the League-administered Test process.

D. Academy Protocol (Foundation Phase and Youth Development Phase)

Overview

39. This Academy Protocol (Foundation Phase and Youth Development Phase) applies to all training conducted by a Club of Academy Players in the Foundation Phase and Youth Development Phase, together with all Development Centre training activity, whether (in all cases) that training is conducted at the Training Ground or at an Academy Training Ground. It is divided into:
i. obligations binding on Clubs and incorporated into the Rules, a breach of which will be dealt with under Section W (Disciplinary) of those Rules. These obligations are set out in numbered paragraphs 40 to 51 and apply principally to the following individuals (collectively referred to in this Academy Protocol (Foundation Phase and Youth Development Phase) as ‘Academy Persons’):

a. Academy Players in the Foundation Phase or Youth Development Phase, either registered to the Club or on trial, together with all players in attendance at Development Centres operated by the Club (‘Youth Players’); and

b. Club employees, consultants and contractors essential for the performance of training of Youth Players or players training at the Club’s Development Centre and or compliance by the Club with their responsibilities under the Youth Development Rules (including coaches, analysts, educators, safeguarding staff, doctors, physios, sport scientists and other members of the Club’s medical team, but not including security staff, cleaners or members of the Club’s catering staff);

ii. non-binding guidance issued by the Premier League to assist Clubs and facilitate compliance with their obligations to ensure the safest possible environment at any site where the Club conducts coaching or training. This guidance is in italicised text following the obligation to which it relates. Further guidance will continue to be issued by the League in accordance with Government advice.

**Policies and Procedures**

40. Each Club must, by no later than the date on which it commences pre-season training for Youth Players for Season 2021/22, conduct a formal inter-disciplinary risk assessment of the Training Ground and/or Academy Training Ground (as appropriate) and all activities to be carried out within the Training Ground/Academy Training Ground while Academy Persons are present, with specific regard to:

i. the optimisation of social distancing and all hygiene measures specified by Government during the COVID-19 pandemic;

iii. any relevant Government guidance,

the ‘Academy COVID-19 Risk Assessment’, the results of which must be provided to the League on request.

41. Each Club must devise and implement an Academy COVID-19 operational policy, which must:

i. Reflect the Club’s Academy COVID-19 Risk Assessment;

ii. Include a contingency plan (the content of which must be approved by the League) to facilitate the introduction of any Emergency Measures introduced by the League (in accordance with Section E below);

iii. Be agreed by its Board and/or Chief Executive Officer;

iv. Identify an individual as the ‘Designated Academy COVID-19 Officer’;

v. Identify an individual as the ‘Designated Academy COVID-19 Medical Officer’;

vi. Be communicated to every Academy Person (and where such Academy Persons are minors, their Parents);

viii. Include a framework to support the education and familiarisation of all Academy Persons (and where such Academy Persons are minors, their Parents) with regard to the Club’s Academy COVID-19 operational policy; and

ix. Include guidance as to the process by which an Academy Person (or Parent, on behalf of an Academy Person who is a minor) can opt out of the policy at a later date, should they choose to do so (in which case, they will not be permitted to attend the Training Ground and/or Academy Training Ground (as appropriate)).

**Guidance**

Where Academy Persons will be involved in training activity within the Training Ground, Clubs may combine the Academy COVID-19 Risk Assessment and the risk assessments referred to in paragraphs 7 and 25 into one document. However, where training will take place at an Academy Training Ground, Clubs are recommended to conduct separate risk assessments for each site.

The Designated Academy COVID-19 Officer may be the same person as the Club’s Designated COVID-19 Officer and/or its Designated PDP COVID-19 Officer. If the roles are not held by the same person, the Designated Academy COVID-19 Officer should:
The Training Ground/Academy Training Ground

   a. the use of transport when travelling to and from the Training Ground/Academy Training Ground;
   b. social distancing;
   c. the use of face coverings; and
   d. congregation in indoor spaces;

ii. Every individual present at the Training Ground/Academy Training Ground while Academy Persons are present but who is not an Academy Person themselves complies with applicable Government requirements in respect of the following areas:
   a. social distancing;
   b. the use of face coverings; and
   c. congregation in indoor spaces;

iii. Prior to entering the site, each Academy Person and each individual who is not an Academy Person but who will be present at the Training Ground/Academy Training Ground at the same time that any Academy Persons are present must complete a COVID-19 screening protocol, in a manner devised by the Designated Academy COVID-19 Medical Officer, but which may include, at the Club’s discretion:
   a. a non-invasive temperature check and a medical questionnaire; and
   b. in respect of any individual who is not an Academy Person but who will be present at the Training Ground/Academy Training Ground at the same time that any Academy Persons are present, a self-declaration that the individual has submitted to a COVID-19 rapid lateral flow test in the preceding three days, which has returned a negative result.

Cardiac and respiratory screening

47. Each Club must ensure that it conducts ongoing risk assessments of every Youth Player who it envisages will be required to attend the Training Ground or Academy Training Ground (as appropriate) for potential respiratory and/or cardiac
complications associated with COVID-19, in accordance with any such protocol issued by the Premier League, and to record the results of such assessments.

Living arrangements and isolation

48. Each Club must require all Academy Persons to:
   i. Comply with Government requirements regarding isolation and social distancing whilst not at the Training Ground or Academy Training Ground (as appropriate) (whether at their own homes or otherwise);
   ii. Ensure that if they or a member of their household experience symptoms of COVID-19 whilst they are not at the Training Ground/Academy Training Ground:
      a. they inform the Designated Academy COVID-19 Medical Officer immediately;
      b. they stay at home unless advised otherwise by the Designated Academy COVID-19 Medical Officer; and
      c. under no circumstances do they attend the Training Ground or Academy Training Ground for further assessment.

Friendly matches

49. Clubs may engage in non-competitive, friendly or training matches with teams comprising non-Youth Players or Youth Players of different ages at the Training Ground or Academy Training Ground (as appropriate), provided that:
   i. The staging of such matches is risk assessed by the Club as part of its relevant Academy COVID-19 Risk Assessment; and
   ii. Any individual who is not an Academy Person but who is participating in or present at such a match (whether as a player, match official or essential member of staff) has confirmed their agreement in writing in advance to the Club’s Academy COVID-19 operational policy.

Guidance

The provisions of paragraph 49 permit Clubs to engage in pre-season friendly matches against sides taken from their cohort of Academy Players (whether PDP Players or Youth Players) as well as sides from other Clubs or clubs.

Further, there is no restriction under this Academy Protocol (Foundation Phase and Youth Development Phase) on Youth Players in different age groups training with and/or playing against one another.

Safeguarding

50. Each Club must ensure that it complies with the Return to Club Activities – Coronavirus (COVID-19) Safeguarding Guidance at Appendix 14.2.

Testing

51. Each Club must comply (and ensure that its Academy Persons comply) with any guidance issued by the League from time to time in relation to COVID-19 Antigen Testing of Academy Persons.

E. Escalation Protocol

52. In the event of either:
   i. a Club experiencing an ‘Outbreak’ (as defined in the League’s Outbreak Protocol); or
   ii. the imposition of new Government restrictions (whether imposed at a local or national level) in response to an escalation in the public health risks posed by COVID-19 (whether due to the emergence of a new variant of COVID-19, an increase in the COVID-19 infection rate or otherwise),

   the League may implement such emergency measures as it considers necessary to enhance the bio-security of the Training Ground/Academy Training Ground, protect the safety of Relevant Persons (as well as PDP Persons and Academy Persons), minimise the spread of COVID-19 among Relevant Persons (as well as PDP Persons and Academy Persons) so far as possible and maintain Government and stakeholder support for the continuation of League Matches involving the Club (‘Emergency Measures’).

53. While the specifics of any Emergency Measures will be for the League (at its absolute discretion) to determine, for the avoidance of doubt, they may include some or all of the following:
   i. a revised regime for Tests of the Club’s Relevant Persons and/or PDP Persons (whether an increase frequency, an alternative form of Test or otherwise);
   ii. restrictions on the use of indoor spaces at the Training Ground;
   iii. restrictions on manual therapy by Staff;
   iv. restriction on the use of showering or bathing facilities, ice baths and/or cryogenic chambers;
   v. restrictions on training methods;
vi. limitations on use of and access to the Training Ground by anyone other than Relevant Persons;

vii. requirements in respect of personal protective equipment;

viii. a suspension of Academy activities at the Training Ground/Academy Training Ground; and

ix. additional monitoring measures to ensure compliance with the Protocol and the Emergency Measures (including the continued presence of Premier League representatives at the Training Ground/Academy Training Ground to monitor compliance).

Guidance

While any decision as to the imposition and nature of Emergency Measures will be at the discretion of the League, prior to taking any such decision it will procure advice from the Premier League Clinical Oversight Group and consult with the relevant Club.

54. Where the League implements Emergency Measures in respect of a Club:

i. they will be time-limited and subject to regular review by the League to ensure that they continue to be necessary and proportionate; and

ii. the Club subject to the Emergency Measures must comply with them in all respects. Failure to do so will constitute a breach of this Protocol.

Appendix 14.1

Government guidance – COVID-19: cleaning in non-healthcare settings outside the home

Updated 16 October 2020

Contents

1. Background

2. General principles of cleaning during the COVID-19 pandemic

3. Principles of cleaning after an individual with symptoms of, or confirmed COVID-19, the case has left the setting or area

Please note that this guidance is of a general nature. Employers should consider the specific conditions of individual places of work and comply with all applicable legislation, including the Health and Safety at Work Act 1974.

Background

The risk of coronavirus (COVID-19) infection depends on many factors, including:

• the type of surface contaminated
• the amount of virus shed from the individual
• the time the individual spent in the setting
• the time since the individual was last in the setting

COVID-19 spreads from person to person through small droplets, aerosols and through direct contact. Surfaces and belongings can also be contaminated with COVID-19 when people with the infection cough or sneeze or touch them. The risk of spread is greatest when people are close to each other, especially in poorly ventilated indoor spaces and when people spend a lot of time together in the same room.

Social distancing, washing your hands regularly, good respiratory hygiene (using and disposing of tissues), cleaning surfaces and keeping indoor spaces well ventilated are the most important ways to reduce the spread of COVID-19.

Increased frequency of cleaning of general room surfaces reduces the presence of the virus and the risk of contact.

The infection risk from a COVID-19 contaminated environment decreases over time. It is not yet clear at what point there is no risk from the virus, however, studies suggest that, in non-healthcare settings, the risk of residual infectious virus is likely to be significantly reduced after 48 hours.
In situations where someone has symptoms of COVID-19, we continue to advise storing personal waste for 72 hours as an additional precaution.

General principles of cleaning during the COVID-19 pandemic

This section provides general cleaning advice for non-healthcare settings where no one has symptoms of, or confirmed COVID-19. For guidance on cleaning where there has been a person with symptoms of, or confirmed COVID-19, please refer to the section on principles of cleaning after a case has left the setting or area.

There is also additional guidance for employers and businesses on working safely during the COVID-19 pandemic.

Cleaning and disinfection

Regular cleaning plays a vital role in limiting the transmission of COVID-19.

Reducing clutter and removing difficult to clean items can make cleaning easier. Increase the frequency of cleaning, using standard cleaning products such as detergents and bleach, paying attention to all surfaces but especially ones that are touched frequently, such as door handles, light switches, work surfaces, remote controls and electronic devices.

As a minimum, frequently touched surfaces should be wiped down twice a day, and one of these should be at the beginning or the end of the working day. Cleaning should be more frequent depending on the number of people using the space, whether they are entering and exiting the setting and access to handwashing and hand-sanitising facilities. Cleaning of frequently touched surfaces is particularly important in bathrooms and communal kitchens.

When cleaning surfaces, it is not necessary to wear personal protective equipment (PPE) or clothing over and above what would usually be used.

Laundry

Items should be washed in accordance with the manufacturer’s instructions. There is no additional washing requirement above what would normally be carried out.

Kitchens and communal canteens

It is very unlikely that COVID-19 is transmitted through food. However, as a matter of good hygiene practice, anyone handling food should wash their hands often with soap and water for at least 20 seconds before doing so. Crockery and eating utensils should not be shared. Clean frequently touched surfaces regularly.

Food business operators should continue to follow the Food Standard Agency’s (FSA) guidance on good hygiene practices in food preparation, Hazard Analysis and Critical Control Point (HACCP) processes, and preventative practices (pre-requisite programmes (PRPs)).

Bathrooms

Clean frequently touched surfaces regularly. Ensure suitable hand washing facilities are available including running water, liquid soap and paper towels or hand driers. Where cloth towels are used, these should be for individual use and laundered in accordance with washing instructions.

Waste

Waste does not need to be segregated unless an individual in the setting shows symptoms of or tests positive for COVID-19.

Dispose of routine waste as normal, placing any used cloths or wipes in ‘black bag’ waste bins. You do not need to put them in an extra bag or store them for a time before throwing them away.

Principles of cleaning after an individual with symptoms of, or confirmed COVID-19, the case has left the setting or area

Personal protective equipment (PPE)

The minimum PPE to be worn for cleaning an area after a person with symptoms of COVID-19, or confirmed COVID-19, has left the setting, is disposable gloves and an apron. Wash hands with soap and water for 20 seconds after all PPE has been removed.

If a risk assessment of the setting indicates that a higher level of virus may be present (for example, where someone unwell has spent the night such as in a hotel room or boarding school dormitory) then additional PPE to protect the cleaner’s eyes, mouth and nose may be necessary. The local Public Health England (PHE) Health Protection Team can advise on this.

Cleaning and disinfection

Public areas where a symptomatic person has passed through and spent minimal time but which are not visibly contaminated with body fluids, such as corridors, can be cleaned thoroughly as normal.

All surfaces that the symptomatic person has come into contact with should be cleaned and disinfected, including all potentially contaminated and frequently touched areas such as bathrooms, door handles, telephones, grab rails in corridors and stairwells.
Appendix 14.1

Use disposable cloths or paper roll and disposable mop heads, to clean all hard surfaces, floors, chairs, door handles and sanitary fittings – think one site, one wipe, in one direction.

Use one of the options below:

- a combined detergent disinfectant solution at a dilution of 1,000 parts per million available chlorine (ppm av.cl.)

or

- a household detergent followed by disinfection (1000 ppm av.cl.). Follow manufacturer’s instructions for dilution, application and contact times for all detergents and disinfectants

or

- if an alternative disinfectant is used within the organisation ensure that it is effective against enveloped viruses

Avoid mixing cleaning products together as this can create toxic fumes. Avoid creating splashes and spray when cleaning.

Any cloths and mop heads used must be disposed of and should be put into waste bags as outlined below.

When items cannot be cleaned using detergents or laundered, for example, upholstered furniture and mattresses, steam cleaning should be used.

**Laundry**

Wash items in accordance with the manufacturer’s instructions. Use the warmest water setting and dry items completely. Dirty laundry that has been in contact with an unwell person can be washed with other people’s items. To minimise the possibility of dispersing virus through the air, do not shake dirty laundry prior to washing.

Clean and disinfect anything used for transporting laundry with your usual products, in line with the cleaning guidance above.

**Waste**

Personal waste from individuals with symptoms of COVID-19 and waste from cleaning of areas where they have been (including PPE, disposable cloths and used tissues):

1. Should be put in a plastic rubbish bag and tied when full
2. The plastic bag should then be placed in a second bin bag and tied
3. This should be put in a suitable and secure place and marked for storage until the individual’s test results are known

This waste should be stored safely and kept away from children. It should not be placed in communal waste areas until negative test results are known, or the waste has been stored for at least 72 hours.

If the individual tests negative, this can be put indisposed of immediately with the normal waste. If COVID-19 is confirmed this waste should be stored for at least 72 hours before disposal with normal waste.

If during an emergency you need to remove the waste before 72 hours, it must be treated as Category B infectious waste. You must:

- keep it separate from your other waste
- arrange for collection by a specialist contractor as hazardous waste

There will be a charge for this service.

Other household waste can be disposed of as normal.
Appendix 14.2
Safeguarding Return to Club Activities Season 2021/22

1. Introduction
The Premier League is committed to promoting and protecting the safety, welfare and wellbeing of Children and Adults at Risk during and beyond COVID-19 measures.

This guidance does not supersede other local or national Government guidance. This guidance has been prepared to support Clubs with the safe return to Activities while ensuring continued compliance with Premier League Rules and Safeguarding Standards and where relevant, Keeping Children Safe in Education requirements (statutory guidance issued under the Education Act).

2. Scope
Premier League Rule S.2. places a requirement on Clubs to prepare, implement, regularly review written safeguarding policies and procedures which must comply with any guidance published by the Premier League from time to time. Should any regulations, protocols or guidelines conflict, the safety and welfare of Children and Adults at Risk must always take precedence.

This guidance should be read in conjunction with: Premier League Rules and Safeguarding Standards, current Government guidance in response to COVID-19, Working Together 2018 and any other protocol or guidance published by the Premier League in response to COVID-19.

This guidance will be reviewed as circumstances continue to evolve or following updated Government guidance.

3. Principles
   • Safeguarding is everyone’s responsibility
   • Working together underpins the work undertaken to effectively promote and protect the safety, welfare and wellbeing of Children and Adults at Risk
   • Maintaining robust safeguarding standards and practice and strengthening these where necessary is essential
   • Decisions affecting Children and Adults at Risk should be undertaken with systematic consideration of their safety, welfare and best interests
   • Children and Adults at Risk have the right to meaningful involvement in decision-making/decisions that affect them

4. Definitions
   • Activity means any face to face or remotely delivered/online activity or series of activities, arranged by or in the name of a Club for or to be attended by Children and/or Adults at Risk.
   • Adult at Risk means any person aged eighteen or over who has needs for care and support (whether or not the local authority is meeting any of those needs) and is experiencing, or at risk of, abuse or neglect and as a result of those care and support needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect. This may include people with learning disabilities, sensory impairments, mental health needs, older people and people with a physical disability or impairment. It may also include people who are affected by the circumstances that they are living in, for example, experiencing domestic violence (this list is not exhaustive). An individual’s level of vulnerability to harm may vary over time depending on the circumstances they are in and their needs at that time.
   • Child and Children is defined by The United Nations Convention on the Rights of the Child as any person or persons who have not yet reached their eighteenth birthday. While we use the term ‘children and young people’ in practice, it is essential that Clubs understand the definition of a Child in the context of safeguarding and this guidance.
   • Club means an association football club in membership of the Premier League.
   • Head of Safeguarding means the member of Staff appointed to that role by each Club in accordance with Rule S.4. The responsibilities set out in Rule S.4. and this document can only be delegated to experienced and trained Academy or other Safeguarding Officers. The Head of Safeguarding continues to hold responsibility for having oversight and supervising their work/delegated responsibilities.
   • Senior Safeguarding Lead means the Board-level representative appointed to that role by each Club in accordance with Rule S.3.

5. Safeguarding
   • Children
Safeguarding Children is the action that is taken to promote their welfare and protect them from harm. This means:
   • Protecting Children from abuse and maltreatment;
   • Preventing harm to their mental and physical health or development;
   • Ensuring they grow up with the provision of safe and effective care; and
   • Taking action to enable all Children to have the best outcomes.
Appendices to the Rules

Safeguarding at Risk

Adults at Risk

Safeguarding Adults at Risk means protecting an adult’s right to live in safety, free from abuse and neglect. It is about people and organisations working together to prevent and stop both the risks and experience of abuse or neglect, while at the same time making sure that the adult’s wellbeing is promoted. Abuse of adults links to the circumstances rather than the characteristics of the people experiencing the harm. An individual’s level of vulnerability to harm may vary over time depending on the circumstances they are in and their needs at that time. Labeling groups of people (such as people with learning disabilities or older people) as inherently ‘vulnerable’ is seen to be disempowering. Instead the Care Act describes adults potentially at risk from harm or abuse. The Act criminalises actions that cause or are likely to cause harm, including through neglect. It also empowers people to take action to prevent abuse and neglect.

Staff means any person involved in any Activity on behalf of or with the authorisation of the Club and/or who works directly with (and/or has influence over) Children or Adults at Risk (or acts on their behalf in any way).

### Maintaining safeguarding standards in partner school relationships

Maintain standards for safeguarding in partnership work by seeking assurance that safeguarding policies and working arrangements of partner schools delivering boarding accommodation or other provision is robust and in line with current Government guidelines and any Club and/or Premier League safeguarding and education requirements and guidelines.

### Host family accommodation

- Current Government guidance permits the return to host family accommodation in a limited set of circumstances. This includes providing accommodation for an elite athlete for the purposes of training or competition. An elite athlete is defined as a person who (i) derives a living from competing in a sport, (ii) is a senior representative nominated by a relevant sporting body, (iii) is a member of the senior training squad for a relevant sporting body, or (iv) is aged 16 or above and on an elite development pathway.
- Careful consideration should be given to whether the exposure to two households, the family and social contact of both households, travel, attending education and activities is in line with Government guidelines to reduce the risk of transmission and to avoid breaching the guidance and potentially incurring liability as a result.

### Club transport

- Consider using dedicated Club drivers transporting fixed groups or 'bubbles'.
- Undertake a multidisciplinary risk assessment and proactively monitor/regularly review control measures.
- Implement enhanced cleaning arrangements.
- Use barriers/screens wherever possible.

### Travel

- Follow Government guidelines on social distancing measures.
- Provide face masks for Club drivers and passengers.
- Use barriers/screens wherever possible.

### Boarding Schools Association COVID-Safe Charter:

• Physical risk assessments of all accommodation to be carried out by an occupational health expert to support the implementation of effective control measures. These occupational health risk assessments should be used to inform safe occupancy levels i.e. individuals per house and bedroom.

• Screening of both households by an occupational health expert to identify individuals who are clinically vulnerable, at high risk or shielding.

• Implement symptom questionnaires and/or testing.

• Develop a policy and procedure to manage isolation for an individual(s) showing symptoms of or confirmed to have COVID-19.

• Government guidelines on quarantine to be implemented in the case of individuals returning from overseas.

**Multi-occupancy boarding accommodation**

• Dormitory-type or shared bedrooms in multi-occupancy boarding accommodation and indoor facilities/communal areas where social distancing cannot be observed is not currently permitted (except where housing individuals from the same household or support bubble).

• The use of multi-occupancy boarding accommodation will increase risk of transmission, therefore reduced occupancy levels and social distancing measures must be implemented.

• A physical risk assessment of boarding accommodation to be carried out by an occupational health expert to support the implementation of effective control measures.

• Occupational health risk assessments should be used to inform safe occupancy levels, sharing bedrooms, scheduled access to communal areas where social distancing can be observed and the implementation of fixed groups or ‘bubbles’.

• Careful consideration should be given to the risk of transmission through exposure to multi-occupancy boarding accommodation, family and social contact, travel, attending education and Activities.

• Implement symptom questionnaires and/or testing.

• Screening of occupants by an occupational health expert to identify individuals who are clinically vulnerable, at high risk or shielding.

• Implement symptom questionnaires and/or testing.

• Use of symptom questionnaires and/or testing.
Appendix 15
Match Day Protocol (COVID-19)

A. Introduction

Overview

The impact of the COVID-19 pandemic continues to pose challenges for the staging of League Matches in a safe environment for participants and supporters, despite the relaxation of Government restrictions and a return of fans at full stadium capacity.

This Match Day Protocol implements a series of measures that seek to balance the need to return to normal operations with the essential requirement to maintain a level of COVID-19 preparedness, to ensure that League Matches can be completed in all conditions and to ensure the safe and fair delivery of the Competition for all stakeholders.

The provisions of this Match Day Protocol do not replace or vary the obligations placed on Clubs in the Training Protocol, which will remain in force and continue to regulate Club conduct in the training ground environment. Further, in line with Rule O.1, nothing in this Protocol replaces, reduces or affects in any way the obligations imposed on Clubs by statute and/or common law in the fields of medicine, occupational health and/or health and safety.

Where, in accordance with any Rule, Club resolution or directive from a statutory body, a League Match is required to be played at a neutral venue, the League, the venue hosting the League Match and the two participating Clubs will enter into good faith discussions to determine who assumes the obligations imposed on the Home Club in this Match Day Protocol.

Format

In line with the Training Protocol, this Match Day Protocol sets out obligations binding on Clubs and incorporated into the Rules, a breach of which will be dealt with under Section W (Disciplinary) of those Rules. The obligations apply in respect of all League Matches during Season 2021/22.

Supplementing this Match Day Protocol is a range of non-binding guidance, issued by the Premier League in consultation with Clubs in the form of the Match Day Operations Plan and seeks to support Clubs in the practical application of their obligations to ensure the safest possible stadium environment for the delivery of a League Match. The guidance covers considerations for all areas of match day delivery.

It is envisaged that the Match Day Operations Plan will be a ‘living document’ and will evolve as Government guidance in relation to COVID-19 develops. However, given that its provisions operate as Rules, no amendment to this Match Day Protocol will be made without the necessary approval by Clubs at a Shareholders’ Meeting.

Appendix 15
Definitions

Capitalised terms not otherwise defined in this Match Day Protocol bear the meanings given to them in the Rules.

References to ‘Relevant Persons’ are to those individuals identified as such in paragraph 6.i of the Training Protocol.

- Staff (whether employees, contractors or consultants) and/or representatives of the participating Clubs
- Employees and/or representatives of the League
- Match Officials

References to ‘Cleared Individuals’ are to the Relevant Persons and Match Day Personnel who are permitted to attend the Red Zone designated for the venue (as defined at paragraph 1.ii, below) for a League Match.

References to ‘Supporters’ are to individuals in attendance at a League Match who are not Relevant Persons or Match Day Personnel and whose admission to the Stadium on a match day is subject to the conditions of entry referred to at paragraph 24, below.

B. Match Day Protocol

Policies and Procedures

1. By no later than seven days prior to the day of its first League Match as the Home Club in Season 2021/22, each Club must complete, submit to the League for its approval and subsequently comply with a multi-disciplinary risk assessment of all aspects of hosting a League Match at its Stadium (‘COVID-19 Stadium Risk Assessment’) that incorporates the following:
Appendix 15

i. A venue operation plan for the preparation for and hosting of League Matches at its Stadium, including a plan of the Stadium and its environs, defining all areas, routes and access/egress points and including measures for the optimisation of Government recommended social distancing and all hygiene measures throughout.

ii. The creation of a ‘Red Zone’ (which must become active no later than three and a half hours prior to kick-off on each match day) and which must include the stadium entry point for Relevant Persons, the pitch, technical areas, changing rooms and any other area that will be accessed by Relevant Persons on a match day.

iii. The creation of a ‘Purple Zone’ in accordance with paragraph 8, below.

iv. The creation of a ‘buffer’ or barrier (the precise details of which should be agreed with the League) between any seated area in the Red Zone that would otherwise be immediately adjacent to Supporters in attendance and the Supporters themselves.

v. Subject to paragraphs 4 to 6, below, appropriate modification of facilities within the Red Zone (and, where appropriate, the Purple Zone) to facilitate social distancing between Relevant Persons and between Relevant Persons and all other individuals.

vi. A security plan, screening process and accreditation system for all Cleared Individuals that limits contact between Relevant Persons and Match Day Personnel wherever possible.

vii. An assessment of the impact of all measures adopted as part of the COVID-19 Stadium Risk Assessment on existing emergency action plans, security plans, health and safety plans and/or fire evacuation plans.

viii. Designation of:

a. An isolation room within the Stadium and consideration of steps to be taken to manage any individual(s) who develop COVID-19 symptoms while within the Stadium.

b. An individual (with the qualifications and experience referred to at paragraph 10.i, below) responsible for oversight of the isolation room and clinical management of any individuals who develop suspected or confirmed cases of COVID-19 while within the Stadium, ensuring that all such cases are managed in line with standard COVID-19 case management protocols, this Match Day Protocol and Government guidance.

ix. Provision for any individual who attends the Stadium and who is considered to be ‘clinically vulnerable’ or ‘clinically extremely vulnerable’ (in line with Government guidance).

x. Provision for the conduct of anti-doping during and/or immediately after a League Match, including appropriate modifications to all facilities necessary for doping control to maintain compliance with any Government guidance concerning social distancing and necessary hygiene measures.

xi. Provision for the delivery of each Club’s broadcaster access obligations (and other essential media activities) in accordance with the Rules, this Match Day Protocol and any guidance issued by the Premier League.

xii. A copy of the relevant safety certificate (and shall make available all documents, information and evidence submitted to the SAG and/or SGSA in order to secure the relevant safety certificate to the League on request).

2. By no later than seven days prior to the day of its first League Match as the Home Club in Season 2021/22, each Club must devise a ‘COVID-19 Stadium Operations Policy’, which must:

i. Be agreed by its Board and/or Chief Executive Officer.

ii. Identify an individual as the ‘Designated COVID-19 Stadium Operations Officer’ (who may be the same as the Club’s Designated COVID-19 Officer).

iii. Reflect the Club’s COVID-19 Stadium Risk Assessment.

iv. Include a framework to:

a. Support the education and familiarisation of all of the Club’s Cleared Individuals with regard to the Club’s COVID-19 Stadium Operations Policy.

b. Ensure that, no later than four days before any League Match at which it is the Home Club, the following individuals are provided with a copy of the Club’s COVID-19 Stadium Operations Policy:

   A. The Team Doctor and COVID-19 Officer of the Visiting Club.

   B. A representative of Professional Game Match Officials Limited.

v. Include guidance as to the process by which the Cleared Individual can opt out of the policy at a later date, should they choose to do so (in which case, they will not be permitted to attend the Stadium).

vi. Be submitted to the League (and any revisions of that document must be submitted to the League within two days of their agreement under...
Appendix 15

paragraph 2.i and no later than 48 hours prior to the League Match in respect of which they are intended to take effect).

3. Each Club must ensure that, before any Cleared Individual attends the Stadium, they have provided written confirmation (in such terms as are approved by the Premier League) that they have received and agree to be bound by the Club’s COVID-19 Stadium Operations Policy. Confirmation provided by the individuals listed at paragraph 2.iv.b, above, shall constitute acceptance on behalf of all Relevant Persons and Match Day Personnel employed by or representative of the Visiting Club or PGMOL (as appropriate) that they agree to be bound by the relevant Club’s COVID-19 Stadium Operations Policy.

Red Zone

4. Subject to paragraph 5, below, each Home Club must ensure that all indoor areas within the Red Zone (including the changing rooms) are configured so as to allow for social distancing between all Relevant Persons (and between Relevant Persons and all other individuals).

5. The League may grant dispensation from the requirement in paragraph 4, where due to the configuration of the Stadium and the return of Supporters, compliance with that requirement is impossible. Where a Club wishes to obtain such dispensation, it must, as part of the COVID-19 Stadium Risk Assessment, detail any additional measures the Home Club has implemented to mitigate: (a) the risk of transmission of COVID-19 between Relevant Persons; and (b) the number and extent of ‘close contacts’ engaged in by Relevant Persons while inside the Stadium. These may include (but are not limited to) measures to increase and monitor ventilation levels in indoors areas and measures to ensure social distancing in any areas where it is possible to achieve it.

6. Granting of the dispensation at paragraph 5 will be at the League’s discretion. Where an application for dispensation is refused (due to the League not being satisfied with the mitigating measures referred to in the COVID-19 Stadium Risk Assessment), the League will discuss with the Club a plan to re-configure the Stadium to ensure that the requirement at paragraph 5 is met and the Club must comply with any reasonable directions from the League in that regard.

7. Where no dispensation is granted in respect of a Stadium, pursuant to paragraph 5, each Club must ensure that its Relevant Persons maintain social distancing in all indoor areas at the Stadium.

Purple Zone

8. The Home Club must create a Purple Zone, details of which shall be agreed between the Home Club and the League (which must become active at the same time as the Red Zone):

i. to provide an area or areas in which pre-and post-match interviews and other essential pre- and post- match activity can be conducted indoors and in which representatives of broadcasters entitled to be present in the Stadium in close proximity to the Red Zone in accordance with the Rules must be located

ii. with access limited only to those whose attendance in the Purple Zone is essential for performance of the functions referred to at paragraph 8.i, above, and who have complied with the requirements of paragraph 14, below

9. Where, due to the configuration of the Stadium, it is not possible to facilitate pre- and/or post-match interviews in a socially distanced way within the Purple Zone (ie, with social distance maintained between any Relevant Persons and any non-Relevant Persons), such interviews must be conducted in the pitchside presentation positions required by Rule K.56.

Designated Roles

10. In addition to the roles required by paragraph 1, above, each Club must designate an individual as:

i. its ‘COVID-19 Medical Officer’, who will ordinarily be the Club’s Team Doctor, but in all cases must:

   a. be a registered medical practitioner, licensed to practice by the General Medical Council

   b. hold a current ATMMiF

   c. be familiar with all relevant developments and Government guidance in relation to COVID-19 and post COVID-19 pathology

   d. be in attendance at the Stadium for the period from one hour prior to kick-off of each League Match until one hour after the conclusion of the League Match

ii. its ‘Red Zone Doctor’, who will ordinarily be the Club’s Tunnel Doctor, but in all cases must:
a. be a registered medical practitioner, licensed to practice by the General Medical Council
b. hold a current ATMMiF
c. be in attendance at the Stadium for each League Match at which the Club is the Home Club for the period from one hour prior to kick-off until one hour after the conclusion of the League Match
d. be responsible for all medical oversight within the Stadium’s Red Zone

**Testing, screening and Stadium access**

11. Where there is a requirement to submit to a COVID-19 Antigen Test (‘Test’) in this Match Day Protocol, the Test must be conducted in accordance with the process administered by the League.

12. Each Home Club must ensure that only the following Cleared Individuals may access the Red Zone on a match day and that the number of individuals inside the Red Zone at any time does not exceed the number stipulated by the League:
   i. Relevant Persons who have submitted to the Test regime set out in paragraph 12 of the Training Protocol and whose most recent Test prior to the League Match has returned a negative result
   ii. Match Day Personnel in possession of a ‘clinical passport’ (in such format as approved by the League) permitting access to the Red Zone

13. Any Visiting Club that permits access to the Red Zone by a representative of its Clubs (whether a Player, member of Staff or guest) who does not meet the criteria set out in paragraphs 12.i and 12.ii, above, will be in breach of this Protocol.

14. Each Home Club must ensure that no person may access the Purple Zone on a match day unless they are in possession of a ‘clinical passport’ (in such format as approved by the League) permitting access to the Purple Zone and that the number of individuals inside the Purple Zone at any time does not exceed the number stipulated by the League.

15. Each Club must comply with the action plan in relation to any instance of a positive Test result for one of its Relevant Persons and/or record of any symptoms of COVID-19 set out in the League’s guidance applicable at the relevant time.

16. No Club may permit any Relevant Person who is required to self-isolate under the results management framework detailed in the League’s guidance applicable at the relevant time to attend the Stadium on the day of a League Match.

**Venue operations and control**

17. Each Club must comply with the limit specified by the League from time to time on the number of individuals present within the Red Zone (and, if applicable, the Purple Zone) for any League Match.

18. Each Home Club must develop, monitor and enforce an accreditation process that limits access to the Red Zone and Purple Zone in accordance with the provisions of paragraphs 12 to 14, above.

19. In all areas outside the Red Zone and Purple Zone, each Club must ensure that it complies with all applicable Government guidance in relation to:
   i. social distancing
   ii. use of face coverings
   iii. the preparation and service of food and beverages
   iv. congregation in indoor spaces
   v. the provision of hand sanitisation facilities

20. Each Club must ensure that that it complies with all applicable Government guidance in relation to:
   i. use of hotels and other accommodation prior to and following the League Match
   ii. transport to and from the League Match

**Supporters and Match Day Personnel**

21. A Club may only stage a League Match with Supporters at its Stadium during Season 2021/22 where:
   i. permission has been granted by the relevant SAG for the staging of such a League Match with Supporters in attendance and a safety certificate issued for that purpose
   ii. in doing so, the Club complies at all times with:
      a. the terms of that safety certificate
      b. the SGSA Guidance (a breach of which shall constitute a breach of the Match Day Protocol)
      c. this Match Day Protocol
Appendix 15

22. Each Club must implement, monitor and enforce a code of conduct for Supporters, compliance with which must form a condition of entry to its Stadium (‘Code of Conduct’). The League will provide a template Code of Conduct for this purpose, which shall be used by Clubs, save where prior consent is granted to an alternative by the League.

23. Each Club must implement a code of conduct for Match Day Personnel who are not Cleared Individuals (and will therefore not enter the Red Zone on a match day), which may (but need not) be identical to the Code of Conduct.

24. Each Home Club must ensure that prior to their attendance at a League Match, each Supporter and Match Day Personnel who is not a Cleared Individual has complied with such directions as issued by the League regarding
   a. COVID-19 status certification
   b. the provision of information necessary to enable the Club to facilitate the Government’s ‘Test and Trace’ system

C. Emergency Measures

25. In the event of either:
   i. a Club experiencing an ‘Outbreak’ (as defined in the League’s Outbreak Protocol); or
   ii. an escalation in the public health risks posed by COVID-19 (whether due to the emergence of a new variant of COVID-19, an increase in the COVID-19 infection rate or otherwise),

the League may implement such emergency measures as it considers necessary to enhance the bio-security of the Red Zone and/or Purple Zone, protect the safety of Relevant Persons, minimise the spread of COVID-19 among Relevant Persons so far as possible, ensure the safe and fair completion of the Competition and maintain Government and stakeholder support for the continuation of League Matches involving the Club (‘Emergency Measures’).

26. While the specifics of any Emergency Measures will be for the League (at its absolute discretion) to determine, for the avoidance of doubt, they may include some or all of the following:
   i. a revised regime for Tests of the Club’s Relevant Persons (whether an increase in frequency, an alternative form of Test or otherwise) or the requirements regarding ‘clinical passports’
   ii. restrictions on the attendance of Supporters (including limitation on attendance of Supporters of the Visiting Club)
   iii. restrictions on the use of indoor spaces within the Stadium
   iv. restrictions on the preparation and service of food and beverages
   v. restrictions on manual therapy by Staff
   vi. restriction on the use of showering or bathing facilities, ice baths and/or cryogenic chambers
   vii. reduced numbers in the Red Zone and/or reduced numbers in (or cessation of) the Purple Zone
   viii. requirements to modify facilities (including changing rooms) to enable social distancing among Relevant Persons
   ix. requirements in respect of personal protective equipment
   x. additional monitoring measures to ensure compliance with the Protocol and the Emergency Measures (including the continued presence of Premier League representatives at the Training Ground/Academy Training Ground to monitor compliance)

27. Where the League implements Emergency Measures in respect of a Club:
   i. they will be time-limited and subject to regular review by the League to ensure that they continue to be necessary and proportionate
   ii. the Club subject to the Emergency Measures must comply with them in all respects. Failure to do so will constitute a breach of this Match Day Protocol
Appendix 16
Calculation of Season 2019/20 Reduction Share

A. Introduction

1. As a consequence of the impact of the COVID-19 pandemic and the resulting Government restrictions on the scheduling and format of Season 2019/20, the League’s allocation of UK Broadcast Revenue and International Broadcast Revenue is subject to a reduction in the amount of the Season 2019/20 Reduction.

2. The cost of the Season 2019/20 Reduction will be borne by:

   2.1 Clubs in membership of the League in Season 2019/20 (‘19/20 Clubs’) (see Section B)

   2.2 Relegated Clubs (as defined in Rule A.1.171) in Season 2019/20 (‘19/20 Relegated Clubs’) (see Section B)

   2.3 Subject to paragraph 7, below, Promoted Clubs (as defined in Rule A.1.164) in Seasons 2020/21 and 2021/22 (see Section C)

3. The share of the 2019/20 Reduction to be borne by each of the Clubs (and clubs) referred to in paragraph 2 will be calculated in accordance with this Appendix 16 to the Rules.

B. 19/20 Clubs and 19/20 Relegated Clubs

Overview

4. The calculation of the share of the Season 2019/20 Reduction to be borne by each 19/20 Club and 19/20 Relegated Club shall comprise three steps, as explained in further detail at paragraph 5, below:

   4.1 Step 1 – The League will determine each 19/20 Club’s and each 19/20 Relegated Club’s Revenue % Share (see paragraph 5.1, below)

   4.2 Step 2 – The League will then use the relevant Revenue % Share figures to calculate each 19/20 Club’s and each 19/20 Relegated Club’s Proportionate Reduction Allocation (see paragraph 5.2, below)

   4.3 Step 3 – The League will then use the Promoted Clubs’ Reduction Contribution to defray in part the costs of each 19/20 Club’s and each 19/20 Relegated Club’s Proportionate Reduction Allocation (see paragraphs 5.3 and 5.4, below)

Method

5. The share of the Season 2019/20 Reduction to be borne by each 19/20 Club and 19/20 Relegated Club will be calculated in accordance with the method detailed in this paragraph 5:

Step 1 – Calculating the Revenue % Share

5.1 The League will calculate the Total Season 2019/20 Broadcast Revenue and will identify the amount payable to each 19/20 Club and 19/20 Relegated Club in accordance with the process detailed in Rules D.15 to D.19 and D.25. Based on this calculation, the percentage share of the Total Season 2019/20 Broadcast Revenue payable to each 19/20 Club and each 19/20 Relegated Club will be determined (its ‘Revenue % Share’) (for example, if the League’s Total Season 2019/20 Broadcast Revenue is £1 billion and the amount so payable to a 19/20 Club in accordance with Rules D.15 to D.19 would have been £150 million, its Revenue % Share will be 15%).

Step 2 – Calculating the Proportionate Reduction Allocation

5.2 Next, the League will attribute a portion of the Season 2019/20 Reduction to each 19/20 Club and 19/20 Relegated Club based on its Revenue % Share (its ‘Proportionate Reduction Allocation’) (for example, if a 19/20 Club’s Revenue % Share is 10% and the Season 2019/20 Reduction is £100 million, its Proportionate Reduction Allocation would be £10 million).

Step 3 – Defraying the cost of the Proportionate Reduction Allocation

5.3 Next, in order to determine the maximum reduction to be borne by each 19/20 Club and 19/20 Relegated Club, the League will calculate the amount of the Season 2019/20 Reduction that would have been borne by each 19/20 Club and 19/20 Relegated Club simply by treating the Season 2019/20 Reduction as a reduction in revenue and applying the provisions of Rules D.15 to D.19 and D.25 without alteration (its ‘Maximum Reduction Allocation’).

5.4 Finally, the League will utilise the Promoted Clubs’ Reduction Contribution (as defined at paragraph 6.2, below) to reduce each 19/20 Club’s and each 19/20 Relegated Club’s Proportionate Reduction Allocation as follows:
5.4.1 A portion of the Promoted Clubs’ Reduction Contribution will be utilised to defray the Proportionate Reduction Allocation of each 19/20 Club and each 19/20 Relegated Club in each case by an amount commensurate with its Revenue % Share; and

5.4.2 The remainder of the Promoted Clubs’ Reduction Contribution will be utilised to further reduce each 19/20 Club’s and 19/20 Relegated Club’s Proportionate Reduction Allocation to ensure that no 19/20 Club or 19/20 Relegated Club bears a share of the Season 2019/20 Reduction that is greater than its Maximum Reduction Allocation.

5.5 Having utilised the Promoted Clubs’ Reduction Contribution in the way described in paragraph 5.4, above, the final share of the Season 2019/20 Reduction to be borne by each 19/20 Club and each 19/20 Relegated Club will be determined.

C. Season 2020/21 and Season 2021/22 Promoted Clubs

6. Subject to paragraph 7, below:

6.1 The share of the Season 2019/20 Reduction to be borne by each of the Promoted Clubs in Seasons 2020/21 and 2021/22 will be the mean of the Maximum Reduction Allocations of the three 19/20 Relegated Clubs (calculated in accordance with the method set out in paragraph 5.3)

6.2 The total amount of the six shares of the Season 2019/20 Reduction to be borne by the six Promoted Clubs in total in Season 2020/21 and Season 2021/22 will comprise the ‘Promoted Clubs’ Reduction Contribution’

7. Where one or more 19/20 Relegated Clubs is promoted back to the League in Season 2021/22 (becoming a ‘Re-Promoted Club’):

7.1 The Re-Promoted Club(s) shall not be required to bear the further share(s) of the Season 2019/20 Reduction that it/they would otherwise have borne in accordance with paragraphs 2.3 and 6, above

7.2 Instead, the number of Promoted Clubs in Seasons 2020/21 and 2021/22 that will be required to bear shares of the Season 2019/20 Reduction, calculated in accordance with paragraph 6.1, above, will be reduced by the number of Re-Promoted Clubs

7.3 In that event, the League will utilise a portion of the fees that it would otherwise have been required to provide to the Re-Promoted Club(s) under Rule D.25 (ie, the ‘parachute payments’) to ensure that the quantum of the Promoted Clubs’ Reduction Contribution remains at the level calculated in accordance with paragraph 6.2, above

D. Illustrative example

8. Given the complexity of the calculation methods referred to in this paper, attached at Annex One is a worked example of applicable process, drafted on the assumption that the Season 2019/20 Reduction totals £330 million.
Appendices to the Rules

Illustrative Example: Scenario - Season Completion with £330m Reduction

Total Season 2019/20 Broadcast Revenue is based on forecast. Actual allocation of reduction will be calculated on actual results at the end of the Season. Thus Revenue % Share will alter.

Para 5.1

At the end of Season 2019/20, calculate the Total Season 2019/20 Broadcast Revenue due to each Club and Relegated Club without giving effect to the reduction. Thus determining each Club’s Revenue % Share of the pre reduction revenue.

Competition Interruption - Squad Management Protocol

A. Introduction

1. This document details a range of measures that Clubs have agreed, pursuant to Rule C.18, may be implemented by the Board in the event that it considers them necessary to ensure the completion of a Competition. In accordance with Rule C.19, they may be implemented by written notice to Clubs (‘Implementation Notice’).

2. Any of the below, though more particularly elements of Section B, may be subject to future overriding FIFA regulations and be updated accordingly as a result.

B. Postponement of League Matches

Guidance

3. Following the issue of an Implementation Notice, the Board will only permit the rearrangement or postponement of a League Match in exceptional circumstances, which will be judged on a case-by-case basis.

4. However, by way of guidance to Clubs:
   
   i. Permission will not be granted to postpone a League Match where the applicant Club has 14 or more Players listed on its Squad List available
   
   ii. Where the Club has fewer than 14 such Players available to participate in the relevant League Match, the Board may permit the application, save where one or more of the following scenarios applies:
       
       a. One or more of the Club’s Squad List Players’ inability to participate is attributable to a failure by the Club or the Player concerned to comply with any medical (or other) protocol issued by the Board in accordance with Rule C.18 (‘Protocol’)
       
       b. One or more of the Club’s Squad List Players’ inability to participate is as a result of the Player being subject to Government-mandated isolation following a return from overseas
       
       c. The Club was able to utilise a Replacement Player (as defined at paragraph 11, below) but, for whatever reason, failed to do so

5. Further, in respect of any application by a Club to reschedule or postpone a League Match due to concerns regarding insufficient Squad List Players, the Board will also give consideration to:
   
   i. The number of registered Under 21 Players (and their relevant experience) available to the Club at the relevant time. Clubs will be expected to utilise appropriately experienced Under 21 Players. This will include any Under 21 Player who has made a first team appearance for:
       
       a. The Club
       
       b. Another Premier League or EFL club
       
       c. An overseas club
   
   ii. The relevant position(s) of the Squad List Player(s) who is/are unavailable (for example, the availability of appropriately experienced goalkeepers)

6. For the avoidance of doubt, the Board believes that it would be extremely difficult to realistically apply and enforce any sort of subjective weighting against the level of a Player who may become unavailable for whatever reason.

Process

7. Any application by a Club for the Board to exercise its discretion to rearrange or postpone a League Match must be:
   
   i. Made as far in advance of the relevant League Match as reasonably practicable
   
   ii. Accompanied by all evidence that the Club wishes the Board to consider in support of its application

8. If the Club’s application is turned down by the Board, the Club must complete the fixture.
9. In the event that the Club refuses to complete the fixture, and the Board determines that a Club has:
   i. Failed to use its best endeavours to ensure that a League Match takes place on the scheduled time and date; and/or
   ii. Causes the postponement of a League Match, the matter will be dealt with in accordance with Section W (Disciplinary). In the event that the matter is referred to the Chair of the Judicial Panel, who appoints a Commission to hear the complaint, that Commission will have the sanctioning powers set out at Rule W.49.4 (including the power to deduct points to be scored in a League Match).

C. Squad management

10. Following the issue of an Implementation Notice, the provisions of this Section C will apply, subject to the rules and regulations of FIFA and The FA.

11. In the event that a Club loses one or more Players from its Squad List in place prior to the interruption of the Competition, whether due to:
   i. The Player’s contract expiring and the Club and Player being unable to agree a new contract or an appropriate extension
   ii. The Player being on loan and the two Clubs/clubs and Player being unable to agree an appropriate extension
   iii. The Player refusing to train or play due to concerns over COVID-19 or equivalent
   iv. The Player self-isolating because they have been in close contact with someone showing symptoms of COVID-19 or equivalent
   v. The Player becoming infected with COVID-19 or equivalent or becoming injured due to the increased volume of League Matches,

   the Board will only consent to the replacement of the lost Player(s) in its Squad List with:
   vi. Any player who was registered with (and eligible to play for) the Club prior to the suspension but who was not included in the Squad List
   vii. A Player who is returning to the Club following an expired loan with another club and then only in the circumstances detailed at paragraph 12.i, below, (in either case, a ‘Replacement Player’).

12. Further, in considering whether to grant consent for the Replacement Player to be added to the Squad List outside of a Transfer Window, the Board will be mindful of the following factors:
   i. In accordance with FIFA Regulations, the Player must have been on loan to a club in a league which has been curtailed. If subsequent FIFA Guidance relaxes this restriction that will be reflected accordingly
   ii. Where a Player previously available to the Club has become unavailable due to the expiry of his contract or a loan, what steps the Club has taken to agree an appropriate extension with that Player (and his parent Club/club, as appropriate)
   iii. The availability of ‘appropriately experienced Under 21 Players’ (as referred to at paragraph 5.i, above) registered to the Club
   iv. The guidance in respect of goalkeepers set out in the League’s Squad Limits Guidance Note
   v. Whether the Player had previously been on the Club’s Squad List during the relevant season

13. Clubs retain the ability under Rule U.1 to field Under 21 Players without restriction.

D. Full Strength Teams

14. Rule L.19 requires Clubs to field a full-strength team in every League Match.

15. The League’s Squad Limits Guidance Note provides that ‘where a team is drawn exclusively from its Squad List as submitted to the Premier League, then such team will be classed as “full strength” for the purposes of this Rule.’

16. The Rule requiring full strength teams should remain unamended to protect the integrity of the competition and ensure fairness to all.

17. The Board will not consider the Rule to have been breached where a team fielded by a Club (ie, its starting eleven) is comprised solely of Players from its Squad List. However, while all cases will be considered on their merits, where a team fielded by a Club features Players who are not on its Squad List, when other Players from its Squad List are available to play, it may elect to take disciplinary action in accordance with Section W (Disciplinary) of the Rules.
E. Disciplinary approach

18. Following the issue of an Implementation Notice, the following disciplinary and procedural provisions shall apply in respect of breaches of any Protocol.

19. As with all disciplinary matters, ultimately any allegation of a breach of a protocol will be dealt with on its facts, on a case-by-case basis. However, given the critical importance of adherence to Protocols in place following an interruption to a Competition and the unanimous view of Clubs that breaches should be dealt with swiftly and with significant consequences, the Board envisages adopting the following approach:

i. Where an alleged breach of a protocol is reported the Board will consider a range of factors, including those set out in the following non-exhaustive list:

   a. The extent to which the breach has compromised the safety of one or more other Relevant Persons
   b. The extent to which the breach was intended to secure (and/or did secure) a competitive advantage
   c. The state of mind of those committing the breach (eg, inadvertent, negligent or intentional)
   d. The number of individuals involved in the breach
   e. Whether the breach represents a repeated breach of the Protocol by the Club

ii. Having considered these factors, the Board will determine which of the following three categories the breach falls into, and take the disciplinary action set out in the adjacent column:

<table>
<thead>
<tr>
<th>Nature of breach</th>
<th>Board approach</th>
</tr>
</thead>
<tbody>
<tr>
<td>Minor breach</td>
<td>Warning and reprimand, which are retained on file</td>
</tr>
<tr>
<td>Standard breach</td>
<td>Fine of up to £25,000 (in line with its summary jurisdiction)</td>
</tr>
<tr>
<td>Significant breach</td>
<td>Refer the matter to a Commission</td>
</tr>
</tbody>
</table>

20. Where the Board refers a breach to a Commission, Section W of the Rules provides that a prescribed timetable is ordinarily followed, resulting in a period of at least a month before a hearing is convened and an award issued (Clubs have 14 days to respond to a complaint, with the Board having a further 14 days to reply, before a directions hearing is convened to set out a further timetable, again with the parties able to agree abridged timetables). However, all of the relevant timeframes can be abridged either with the consent of the Chair of the Judicial Panel/Commission or the agreement of the parties (see Rule W.28).

21. The Board considers it essential that allegations of breaches of a Protocol are dealt with as expeditiously as possible, given the condensed timeframes in which the remainder of the relevant season will be completed. To that end, it proposes that, in every case where an alleged breach of a Protocol is referred to a Commission:

i. The complaint should be issued by email (rather than recorded delivery post) and is deemed to be received on the same day (rather than three days after posting)

ii. The Chairman of the Judicial Panel should be required to appoint a Commission within 24 hours of the matter being referred to him

iii. Within 24 hours of their appointment, the Commission must convene a directions hearing to determine a timeline for resolving the case and to consider the matters set out at Rule W.35 (rather than such a hearing being convened after submissions have been exchanged)

iv. The presumption will be that all cases should be dealt with within seven days, save that:

   a. either the Board or an affected Club can apply to the Commission at the directions hearing for an extended timetable in exceptional circumstances
   b. where the Board considers that urgent provisional measures are required (for example, where ongoing conduct of a Club is demonstrably risking the safety of one or more individuals), it may apply to the Chairman of the Judicial Panel for these timelines to be abridged further

9.3.2 it is in respect of only one Ordinary Share.
10.1 If a Member

10.1.1 enters into a Company Voluntary Arrangement pursuant to Part 1 of the Insolvency Act 1986 (“the 1986 Act” which expression shall include any statutory modification or re-enactment thereof for the time being in force) or a compromise or arrangement with its creditors under Part 26 of the Act, or it enters into any compromise agreement with its creditors as a whole; or

10.1.2 lodges, or its shareholders or directors lodge, a Notice of Intention to Appoint an Administrator or a Notice of Appointment of an Administrator at the Court in accordance with paragraphs 26 and 29 of Schedule B1 to the 1986 Act or it or its shareholders or directors make an application to the Court for an Administration Order under paragraph 12 of Schedule B1 to the 1986 Act or where an Administrator is appointed or an Administration Order is made in respect of it (“Administrator” and “Administration Order” having the meanings attributed to them respectively by paragraphs 1 and 10 of Schedule B1 to the 1986 Act); or

10.1.3 has an Administrative Receiver (as defined by section 251 of the 1986 Act) or a Law of Property Act Receiver (appointed under section 109 of the Law of Property Act 1925) or any Receiver appointed by the Court under the Senior Courts Act 1981 or any court appointed Receiver or any other Receiver appointed over any of its assets which, in the opinion of the Board, are material to the Club’s ability to fulfill its obligations as a Member; or

10.1.4 has its shareholders pass a resolution pursuant to section 84(1) of the 1986 Act to voluntarily wind it up; or

10.1.5 has a meeting of its creditors convened pursuant to section 95 or section 98 of the 1986 Act; or

10.1.6 has a winding up order made against it by the Court under section 122 of the 1986 Act or a provisional liquidator is appointed over it under section 135 of the 1986 Act; or

10.1.7 ceases or forms an intention to cease wholly or substantially to carry on its business save for the purpose of reconstruction or amalgamation otherwise in accordance with a scheme of proposals which have previously been submitted to and approved in writing by the Board; or

10.1.8 enters into or is placed into any insolvency regime in any jurisdiction outside England and Wales which is analogous with the insolvency regimes detailed in Articles 10.1.1 to Articles 10.1.6 hereof,

then the Board may at any time thereafter by notice in writing call upon the relevant Successor to transfer the Ordinary Share held by such Member to such person as the Board shall direct at a price of £1 and on receipt of such notice the Member shall thereupon cease to be entitled to be a Member of the League.

10.2 If any Member shall cease to be entitled to be a member of the League pursuant to the provisions of the Rules, then that Member, shall, on receiving notice in writing from the Board to that effect, transfer its Ordinary Share to such person as the Board shall direct at a price of £1.

10.3 Any Member ceasing to be entitled to be a member of the League as referred to in Article 10.1 or 10.2 shall, as from the date of receiving the notice therein referred to, have no rights in relation to the Ordinary Share held by it save in relation to Articles 81 and 82.

10.4 If any Member or its Successor (as the case may be) shall fail to transfer such Member’s Ordinary Share in accordance with and within seven days of the notice in writing by the Board calling for the transfer of the same, the Board may authorise any Director to execute a transfer thereof in favour of a person entitled to be a member of the League and a transfer so executed shall be as valid and effective as if the same had been executed by the Member or its Successor (as the case may be) and the transferee shall be entered into the register of Members as the holder of such Ordinary Share accordingly.

10.5 On registration of the transfer of an Ordinary Share held by a Member, executed by such Member, its Successor or any Director (as the case may be) pursuant to the provisions of this Article 10, the Member shall cease to be a Member.

11.1 No fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any Ordinary Share.

11.2 If the Board refuses to register a Transfer of an Ordinary Share, the Board shall, within two months after the date on which the instrument of transfer was lodged with the Company, send to the transferee notice of the refusal.

11.3 The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Board refuses to register shall be returned to the person lodging it when notice of the refusal is given.

Excess Shares

12.1 In the event that the maximum number of Association Football clubs entitled to be members of the League in accordance with the Articles or the Rules is less than the number of Ordinary Shares then in issue then, unless the excess of such Ordinary Shares shall be purchased by the Company or otherwise redeemed in accordance.

Memorandum & Articles of Association
Articles of Association

with the provisions of the Act, such excess Ordinary Shares shall be transferred to and be registered in the name of the Secretary and, whilst so registered, such Ordinary Shares shall carry no voting, dividend or other rights, including on any winding up of the Company.

12.2 On any change of the Secretary, any Ordinary Shares so registered in the name of the Secretary shall forthwith be transferred into the name of the person holding such office following such change and in the event that such shares shall not be so transferred within fourteen days of the change of the Secretary, the Board may authorise any Director to execute a transfer of such shares in favour of the Secretary for the time being of the Company and a transfer so executed shall be as valid and effective as if the same had been executed by the holder of such shares and the transferee Secretary shall be entered in the register as the holder of such Ordinary Shares accordingly.

Alteration of Share Capital

13. The Company may by Resolution cancel Ordinary Shares which, at the date of the passing of the Resolution, have not been issued and allotted or agreed to be issued and allotted to any Association Football club entitled thereto and diminish the amount of its share capital by the amount of the shares so cancelled.

14. Subject to the provisions of the Act, the Company may by special resolution reduce its share capital, any capital redemption reserve and any share premium account.

Purchase of Own Shares

15. Subject to the provisions of the Act, the Company may purchase its own shares (including any redeemable shares) and make a payment in respect of the redemption or purchase of its own shares otherwise than out of distributable profits of the Company or the proceeds of a fresh issue of shares.

Rules

16.1 The Company may by Resolution make and adopt and from time to time amend the Rules for the purpose of regulating all matters affecting the organisation and management of the League to the extent not provided for in, and so far as the same do not conflict with, the provisions of the Articles.

16.2 Unless otherwise stated in the Articles or the Rules, the provisions of the Articles shall prevail in the event of any conflict with any of the provisions of the Rules.

General Meetings

17.1 A General Meeting may be convened by the Board at any time.

17.2 If there are at any time less than two Directors then a continuing Director or the Secretary may convene a General Meeting for the purposes referred to in Article 57.1.

17.3 The Board shall convene each year at approximately quarterly intervals not less than four General Meetings (to include an annual general meeting) to be held at such time and at such place as the Board shall determine.

17.4 The Board (and if there are less than two Directors, a continuing Director or the Secretary) shall on receipt by the Company of the requisition to that effect from two or more Members forthwith proceed to convene a General Meeting (other than an annual general meeting) for a date not later than:

17.4.1 twenty eight clear days after the receipt of such requisition if it is signed by less than two thirds in number of the Members; or

17.4.2 fourteen clear days after the receipt of such requisition if it is signed by two thirds or more in number of the Members; or

17.4.3 twenty one clear days after receipt of such requisition if the meeting is for any of the purposes referred to in Articles 18.1.2, 18.1.3, or 18.1.4.

Notice of General Meetings – End of Season 2019/20, Season 2020/21 and Season 2021/22

17A.1 This Article 17A shall apply in replacement of Article 18 for the period beginning from its date of adoption and expiring on the date of the first annual general meeting convened following the conclusion of Season 2021/22. On its expiry, it shall automatically cease to apply and be deemed deleted from the Articles.

17A.2 At least twenty-one clear days’ notice in writing shall be given for:

17A.2.1 any annual general meeting;

17A.2.2 any meeting at which it is proposed to pass a special resolution or an elective resolution; and

17A.2.3 any meeting at which it is proposed to pass a Resolution appointing a person as a Director.

Memorandum & Articles of Association
At least five clear days’ notice in writing shall be given for any meeting at which it is proposed to make, amend or adopt a Rule that the Board considers necessary or advisable in light of the COVID-19 pandemic.

No fewer than two clear days’ notice in writing shall be given for any General Meeting at which the Board intends to table a Curtailment Resolution. For the avoidance of doubt, no Member (or group of Members) may table a Curtailment Resolution at any time.

At least fourteen clear days’ notice in writing shall be given for any General Meeting not otherwise covered by Articles 17A.2, 17A.3 or 17A.4.

Notice of General Meetings

1. At least twenty one clear days’ notice in writing shall be given for:
   1.1 any annual general meeting;
   1.2 any meeting at which it is proposed to pass a special resolution or an elective resolution;
   1.3 any meeting at which it is proposed to pass a Resolution appointing a person as a Director; and
   1.4 any meeting at which it is proposed to make, adopt or amend the Rules.

2. No fewer than two clear days’ notice in writing shall be given for any General Meeting at which the Board intends to table a Curtailment Resolution. For the avoidance of doubt, no Member (or group of Members) may table a Curtailment Resolution at any time.

3. At least fourteen clear days’ notice in writing shall be given for any other General Meeting.

The notice of a General Meeting shall specify the time and place of the meeting, the general nature of the business to be transacted and shall include a statement that a Member entitled to attend and vote is entitled to appoint one or two proxies to attend and vote instead of that Member and that a proxy need not also be a Member and, in the case of an annual general meeting, shall specify the meeting as such.

By elective resolution passed at a General Meeting of Shareholders held on 3rd December 1998 it was resolved that the provisions of Section 369(4) and Section 378(3) of the Companies Act 1985 (as amended by the Companies Act 1989) are to have effect in relation to the Company as if, for the references, in those sections, to 95%, there were substituted references to 90%.

Accordingly any agreement of the members to the calling of a general meeting on short notice (Section 369) or to consider a special resolution at a General Meeting on short notice, requires the agreement of a majority of 90% (rather than 95%) in number, of the members having the right to attend and vote at a meeting.

Notice of any General Meeting shall be given to the Special Shareholder, all the Members, any Successor of a Member and to each Director and the auditors.

The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any member or person entitled to receive notice shall not invalidate the proceedings at that meeting.

No business shall be transacted at any General Meeting unless a quorum is present. Save as otherwise provided in these Articles, two thirds in number of the Members shall constitute a quorum for all purposes.

If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting such a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Board may determine. If at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting the notice of the meeting shall be deemed to be, and the meeting shall be, cancelled.

The Chair, or, in his or her absence, a Director shall preside as chair of the meeting. If none is willing to act as chair, or if not present within fifteen minutes after the time appointed for holding the meeting, the Members present shall elect another Director or one of the Representatives of a Member who is present to be the chair of the meeting.

Notwithstanding that he is not a Member, a Director shall be entitled to attend and speak at any General Meeting.

The chair of the meeting may, with the consent of a General Meeting at which a quorum is present (and shall, if so directed by the meeting), adjourn the meeting from time to time and from place to place but no business shall be transacted at an adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for thirty days or more notice shall be given in accordance with Article 18 specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise it shall not be necessary to give any such notice.
27. Except where the Act specifies that a particular resolution of the Company requires a greater majority, two-thirds of such Members who are present and who vote by their Representative or by proxy at a General Meeting of which notice has been duly given shall be required for the passing of all resolutions of the Company.

28. A resolution put to the vote of a General Meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands, a poll is duly demanded. Subject to the provisions of the Act, a poll may be demanded:

28.1 by the chair of the meeting; or
28.2 by at least two Members,

and a demand by a person as Representative of or proxy for a Member shall be the same as a demand by the Member.

29. Unless a poll is duly demanded, a declaration by the chair of the meeting that a resolution has been carried or carried unanimously or by a particular majority or lost, or not carried by a particular majority, and an entry to that effect in the minutes of the General Meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.

30. The demand for a poll may, before the poll is taken, be withdrawn, but only with the consent of the chair of the meeting and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

31. A poll shall be taken as the chair of the meeting directs and he or she may fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

32.1 A poll demanded on the election of a chair of the meeting or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the chair of the meeting directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.

32.2 No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

33. In accordance with the Act, a resolution in writing signed on behalf of two thirds of the Members by a Representative of each of them shall be as valid and effective as if it had been passed at a General Meeting duly convened by notice appropriate thereto and held, except where the Act specifies that a particular resolution of the Company requires a greater majority, in which case a resolution in writing signed on behalf of such greater majority of the Members by a Representative of each of them shall be as valid and effective as if it had been passed at a General Meeting duly convened by notice appropriate thereto and held. Any such resolution may consist of several documents in the like form each signed on behalf of one or more of the Members by a Representative of each of them.

Votes of Members

34. Every Member present at a General Meeting by a Representative or proxy shall have one vote whether on a show of hands or on a poll.

35. No objection shall be raised to the qualification of any Representative or proxy except at the General Meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting shall be valid. Any objection made in due time shall be referred to the chair of the meeting whose decision shall be final and conclusive.

Representatives

36.1 Any director or the secretary of a Club shall be entitled to act as the Representative of the Club at, and for all the purposes of business at, any General Meeting. A Club may separately or additionally, by resolution of its directors, authorise any of its employees as it thinks fit (not being a director or the secretary as aforesaid) to act as the Representative of the Club at any General Meeting. The Board may require reasonable evidence of any such authorisation.

36.2 A Representative shall be entitled to exercise all the powers of a Member for whom he acts as Representative.
36.3 Each Club shall, on becoming a Member, or when so requested by the Secretary, give notice to the Secretary, setting out, in such order or priority as the Club shall determine, details of each of its directors, secretary and any employee who has been authorised by the Club to act as its Representative at General Meetings and shall from time to time send to the Secretary details of any changes in such persons.

36.4 A Representative shall be entitled to attend and where appropriate vote at a General Meeting notwithstanding that the member of which he is the Representative has appointed a proxy to attend the same.

Proxies
37.1 An instrument appointing a proxy shall be in writing, signed on behalf of the Member by one of its directors or its secretary or any of the Member’s employees authorised by the Member to sign the same and shall be in the usual common form or in such form as the Board shall approve.

37.2 Unless otherwise indicated on the instrument appointing the proxy, the proxy may vote or abstain from voting as such proxy shall think fit.

38. The instrument appointing a proxy and (where such instrument is not signed by a director or the secretary of a Member) a copy of the authority under which it is signed shall be in writing and shall:

38.1 be deposited at the League Office or with the Secretary no later than 48 hours prior to the time appointed for the commencement of the General Meeting which the person or persons named in the instrument propose to attend unless otherwise specified in the notice convening such General Meeting; or

38.2 in the case of a poll taken more than forty eight hours after it is demanded, be deposited as aforesaid after the poll has been demanded and before the time appointed for the taking of the poll; or

38.3 where the poll is not taken forthwith but is taken not more than forty eight hours after it was demanded, be delivered at the General Meeting at which the poll was demanded to the chair of the meeting or to the Secretary.

39. The chair of the meeting may in his or her discretion permit the appointment of a proxy other than as provided herein if the circumstances arise which prevent a Member attending a General Meeting.

Voting
40.1 A maximum of two Representatives or proxies of a Club shall be entitled to attend General Meetings but, in the event that more than one of such Representatives or proxies shall attend then, whilst such Representatives or proxies shall be entitled to speak, only the Representative present who is senior in order of priority in the notice referred to in Article 36.3 or, (if no Representative but more than one proxy is present), only the first named proxy shall be entitled to vote at such General Meeting on behalf of the Club.

40.2 Unless otherwise agreed by the Board or by a majority of the Members present at any General Meeting, no other Representative, proxy or any other person representing a Club shall be entitled to attend General Meetings and in any event such person, shall not be entitled to speak thereat unless invited to do so by the chair of the meeting.

41. A vote given or poll demanded by the Representative or proxy of a Member shall be valid notwithstanding the previous termination of the authority of the person voting or demanding a poll unless notice of such termination was received by the Company at the League Office (or at such other place at which the instrument of proxy was duly deposited) before the commencement of the General Meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the General Meeting or adjourned meeting) the time appointed for taking the poll.

Number and Appointment of Directors
42. The Board shall consist of not less than two Directors one of whom shall be the Chair and one of whom shall be the chief executive.

43. A Director need not hold any shares of the Company to qualify him as a Director but he shall be entitled to attend and speak at all General Meetings.

44. No person shall be appointed or re-appointed as Chair or as a Director except pursuant to a Resolution and unless:

44.1 such person is proposed by the Board and notice of intention to propose such person is included in the notice of the General Meeting at which the Resolution is to be proposed; or
44.2 where the General Meeting has already been convened, not less than fourteen and, where the General Meeting has not already been convened, not less than twenty two and, in any case not, more than thirty five clear days before the date appointed for a General Meeting, a notice signed by a Member has been given to the Company of the intention to propose that person for appointment or re-appointment; and

44.3 in each case, appointment or re-appointment has been or is endorsed by the Special Shareholder (such endorsement not to be unreasonably withheld, refused or delayed).

45. The terms and conditions relating to the appointment or re-appointment of (including the remuneration and other terms and conditions of service of) the Chair or any other Director, shall be determined by the Audit and Remuneration Committee.

46. Subject to the requirements of the Act, and without prejudice to any claim or rights in respect of any breach of contract between the Company and such person, the Members may by Resolution terminate the appointment of the Chair of any Director (as the case may be).

Powers of the Board

47. Subject to the Memorandum and the Articles the affairs of the Company shall be managed by the Board subject always to any directions from time to time given and any policy resolved upon by the Members in General Meeting.

48. The Board shall:

48.1 manage the affairs of the Company including the operation of the League and the operation and implementation of the Rules;

48.2 exercise all powers of the Company but subject always to such powers of supervision and policy direction as the Members in General Meeting may from time to time exercise or give;

48.3 take such executive steps as it considers necessary to give effect to any policy resolved upon by the Members in General Meeting;

48.4 make such recommendations to the Members on such matters of importance to the Company as it considers appropriate; and

48.5 subject to the provisions of the Articles and the Act, determine any and all matters of procedure to be followed by the Company.

49. The Board shall not in relation to any dealings relating to television, broadcasting, sponsorship or like transactions or other matters materially affecting the commercial interests of the Members enter into any contract or agreement or conduct themselves in any way as would bind the Company to any contract or agreement without the prior authority or approval by Resolution of the Members.

50. No alteration of the Memorandum or the Articles nor any direction of the Members shall invalidate any prior act of the Board which would have been valid if that alteration had not been made or that direction had not been given.

Delegation of the Board’s Powers

51. Subject to the Articles, the Directors may delegate any of the powers which are conferred on them under the Articles and which are not specifically reserved to the Directors only:

51.1 to such person or committee;

51.2 by such means (including by power of attorney);

51.3 to such an extent;

51.4 in relation to such matters or territories; and

51.5 on such terms and conditions, as they think fit.

52. If the Directors so specify, any such delegation may authorise further delegation of the Directors’ powers by any person to whom they are delegated. The Directors may revoke any delegation in whole or part, or alter its terms and conditions.

53. Committees to which the Directors delegate any of their powers must follow procedures which are based as far as they are applicable on those provisions of the Articles which govern decision making by Directors.

54. Subject always to Article 53, the Directors may make rules solely in relation to procedure for all or any committees, which prevail over rules of procedure derived from the Articles if they are not consistent with them.

Borrowing Powers

55. The Board may with the prior approval or authority of a Resolution exercise all the powers of the Company to borrow or raise money and to mortgage or charge its assets and, subject to Section 80 of the Act, to issue debenture stock and other debt securities as security for any debt, liability or obligation of the Company or of any third party.
Disqualification and Removal of Directors

56. The office of a Director shall be vacated upon the happening of any of the following events:

56.1 if he resigns his office by notice in writing under his hand to the Secretary sent to or left at the League Office;

56.2 if he becomes bankrupt or makes any arrangement or composition with his creditors generally;

56.3 if he is, or may be, suffering from mental disorder and either:
   56.3.1 he is admitted to hospital in pursuance of an application for admission for treatment under the Mental Health Act 1983 or, in Scotland, an application for admission under the Mental Health (Scotland) Act 1984; or
   56.3.2 an order is made by a court having jurisdiction (whether in the United Kingdom or elsewhere) in matters concerning mental disorder for his detention or for the appointment of a receiver, curator bonis or other person to exercise powers with respect to his property or affairs;

56.4 if he dies;

56.5 if he ceases for any cause to hold office as Chair or chief executive; or

56.6 if he ceases to be a Director by virtue of any provision of the Act or becomes prohibited bylaw from being a director.

57.1 In the event of a vacancy occurring on the Board, the continuing Director(s) shall forthwith convene a General Meeting for the purpose of appointing a Director to fill that vacancy and may appoint as a Director a person who is willing to act including as acting Chair. An acting Director so appointed shall hold office until the General Meeting convened as aforesaid shall be held and if not reappointed thereof shall vacate office at the conclusion thereof.

57.2 Pending such General Meeting an acting Chair or other Director (as the case may be) appointed as aforesaid shall be treated as and shall have all the powers and duties of the Chair or Director (as the case may be) for all the purposes of the Articles.

Directors’ Expenses

58. A Director and any person appointed by the Board under Article 51 may be paid all reasonable travelling, hotel, and other expenses properly incurred by them in connection with their attendance at meetings of the Board or otherwise in connection with the discharge of their duties.

Directors’ Interests

59. Subject to the provisions of the Act and provided that he has disclosed to the Members the nature and extent of any material interest which he has, and obtained the consent of the Members by Resolution, a Director notwithstanding his office:

59.1 may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is otherwise interested;

59.2 may be a director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any body corporate promoted by the Company or in which the Company is otherwise interested; and

59.3 shall not, by reason of his office, be accountable to the Company for any benefit which he derives from any such office or employment or from any such transaction or arrangement and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.

60. For the purpose of Article 59:

60.1 a general notice given to the Members that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified; and

60.2 an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his.

Proceedings of the Board

61. Subject to the provisions of the Articles and the Rules, the Board may regulate its proceedings as it thinks fit. A Director may, and the Secretary at the request of a Director shall, call a meeting of the Board. Any question arising at a meeting of the Board on which the Directors are not unanimous shall be referred to the Members at the next General Meeting.
62. The quorum for the transaction of the business of the Board shall be whichever
number is required for a majority of Directors to be in attendance.

63. If the number of Directors is less than two, the continuing Director may act only for the
purpose of calling a General Meeting or for the purposes referred to in Article 57.1.

64. The Chair shall be the chair of all meetings of the Board or in his or her absence one
of the Directors present.

65. All acts done by a meeting of the Board, or by a person acting as a Director (as
provided by the Articles) shall, notwithstanding that it be afterwards discovered
that there was a defect in the appointment of the Director or such other person or
that any of them was disqualified from holding office, or if a Director, had vacated
office, or was not entitled to vote, be as valid as if every such person had been duly
appointed and was qualified and, if a Director, had continued to be a Director and
had been entitled to vote.

66. A resolution in writing signed by the Directors shall be as valid and effective as if it
had been passed at a meeting of the Board and may consist of several documents
in the like form each signed by one of the Directors.

67. Without prejudice to Article 66, a meeting of the Board may consist of a conference
between the Directors who are not in one place, but where each is able (directly or
by telephonic communication) to speak to the other, and to be heard by the other
simultaneously. A Director taking part in such a conference shall be deemed to be
present in person at the meeting and shall be entitled to vote or be counted in a
quorum accordingly. In relation to any meeting of the Board reference to the word
“meeting” in the Articles shall be construed accordingly.

68. Unless authorised by a Resolution to do so, a Director shall not vote at any meeting
of the Board or on any resolution concerning a matter in which he has, directly or
indirectly, an interest or duty which is material and which conflicts or may conflict
with the interests of the Company but shall nevertheless be counted in the quorum
of Directors present at that meeting.

69. Subject to the provisions of the Act, the Secretary shall be appointed by the Board
subject to ratification by the Members in General Meeting for such term, at such
remuneration and upon such terms and conditions as the Board thinks fit and
any Secretary so appointed may be removed by the Board or by Resolution of the
Members.

70. The Board shall cause minutes to be made in books kept for the purpose of all
proceedings at General Meetings, of all Resolutions passed by the Members and
of all meetings of the Board, including the names of the Directors present at each
of such Board meetings. The Board shall cause all such minutes to be circulated to
Members within fourteen days of the date of any such meeting.

71. The Seal shall only be used pursuant to the authority of the Board. The Board may
determine who shall sign any instrument to which the Seal is affixed and unless
otherwise so determined it shall be signed by the two Directors or one Director
and the Secretary. Any document signed by two Directors or one Director and the
Secretary or one Director in the presence of a witness who attests the signature
and expressed (in whatever form of words) to be executed by the Company has
the same effect as if executed under the Seal.

72.1 No dividend shall be declared or paid in respect of any share except pursuant to a
Resolution in General Meeting.

72.2 For the avoidance of doubt, Article 72.1 shall not affect the provisions relating to
payments to Members in respect of broadcasting or sponsorship or other income
received by the Company which shall be as laid down from time to time in the Rules
and which shall be implemented by the Board in accordance with the Rules.

73. No member or other person has any right to inspect any accounting record or
book or document of the Company unless:
73.1 he is entitled by law;
73.2 he is authorised to do so by the Board; or
73.3 he is authorised to do so by a Resolution.
Notices

74.1 A notice calling a meeting of the Board need not be in writing.

74.2 Any other notice to be given to or by any person pursuant to the Articles shall be in writing.

75. Governing Body Endorsement Requirements for Players
2021/2022 Season (4 June 2021 onwards)

The rules and criteria set out in this document will apply for the 2021/22 season and will be effective from 4 June 2021. The criteria will be reviewed in late 2021 in order that revised criteria can be issued in advance of the winter transfer window in January 2022. For any queries regarding these criteria or the application process, please contact Freddie Carter (Player Status Department) at Freddie.Carter@thefa.com (or registrations@thefa.com) or on 0844 980 8200 # 4818.

The FA is the approved governing body for Football in the UK. The FA has the ability (subject to other requirements being met) to issue a Governing Body Endorsement for a player, coach or manager who is intended to participate in any of the following:

- any match that has been organised and/or sanctioned by The FA, FIFA or UEFA;
- any match that has been organised by either the Premier League or the English Football League and that has also been sanctioned by The FA; or
- any match or category of match whereby consent of the FA has been given for that player, coach or manager’s club to play.

Please note that this guidance should be reviewed in conjunction with the relevant advice issued by the Home Office. The FA is not registered to give advice on immigration routes or processes or to advise on an individual’s immigration status and clubs should fully apprise themselves of their duties and responsibilities as sponsors. Information on aspects of immigration policy and law can be found on the Home Office website at www.gov.uk/browse/visas-immigration. You may also wish to seek advice from an Office of the Immigration Services Commissioner (OISC) registered advisor or someone who is appropriately qualified but otherwise exempt from such a registration requirement, for example, a qualified solicitor. The UK Visas and Immigration Centre can be contacted on 0300 123 2241.

If a club is seeking a GBE during a transfer window, any application should be submitted to The FA by midday on the relevant transfer deadline day (at the latest) in order for The FA to process the application that day. If a club signs and registers a Player who does not have a GBE, it should do so in the knowledge that the Player may not be granted a GBE if his application does not comply with the terms of these criteria and the Player may not be able to undertake any employment duties for the applicant club. Clubs are also advised to allow sufficient time for entry clearance or leave to remain to be granted. The time taken may vary depending upon where the player is making his application from. A guide to visa processing times is available on the Home Office website at: www.gov.uk/visa-processing-times.

Please note that an individual’s personal and immigration history may be taken into account when their application is being considered.

Youth Player means a Player who is born on or after 1 January 2000.

GBE Status

1. A Player can register for a club without a GBE but, in order to play any football or undertake any employment duties for the club (including participation at training and in friendly matches), he must have obtained a GBE, been assigned a Certificate of Sponsorship by that club and secured leave to remain under T2 or T5 of the PBS (subject to satisfying any other eligibility requirements of The FA and any competitions the club participates in).

2. A club can apply for a GBE for a Player at any time during the Season. In order to apply for a GBE, a club must hold a valid Sponsor’s Licence under T2 and/or T5 of the PBS. In order to apply for and obtain a valid Sponsor’s Licence, a club must have obtained an endorsement letter for a Sponsor’s Licence from the FA. If a Club’s Sponsor’s Licence is revoked, any Player who has obtained a GBE in order to play for the Club may have his leave curtailed and may have to make a change in employment application which must be granted before the Player can undertake any employment duties for the new club.

3. Clubs in the Premier League or English Football League are eligible for a Sponsor’s Licence. Clubs in other leagues within the men’s football pyramid are not permitted to field Players unless:

   a. The Player has obtained a visa outside the GBE system which permits them to play football (on such terms as they in fact play); and
b. The Player’s employment by the club complies with the terms and conditions of their visa and any relevant immigration law, including the Immigration Rules (or any successor legislation), and including but not limited to in relation to the requirements regarding professional sportspersons.

4. If The FA grants an application for a GBE for a Player in accordance with these criteria, the club is permitted to assign a Certificate of Sponsorship to the Player for the period covered by the GBE. The GBE must be presented to the Home Office when the club applies for entry clearance on behalf of a player, which must be done within 3 months of a Certificate of Sponsorship being assigned. Any Certificate of Sponsorship and a copy of the player’s biometric residence permit must be submitted to The FA by the club within 3 months of being assigned. Clubs must keep a copy of the relevant page of the Player’s passport evidencing their entitlement to work and contact details for the Player, which must be provided to The FA upon request. The club will also have to comply with any other criteria set by the Home Office in order to secure leave to remain under T2 or T5 of the PBS.

5. A GBE under T2 of the PBS will be granted for three years or the length of the player’s contract (whichever is shorter) and a GBE under T5 of the PBS will be granted for twelve months or the length of the player’s contract (whichever is shorter). A Player will not be eligible to play for the club beyond the expiry date of the GBE unless the club has applied for and obtained an Extended GBE before the existing GBE has expired in accordance with these criteria and the PBS.

Extensions to or transfers of a GBE

6. An Extended GBE under T2 of the PBS can be obtained for three years or the length of the player’s contract (whichever is shorter). If a GBE was granted for less than twelve months under T5 of the PBS, an Extended GBE can be obtained to extend the period of the Player’s GBE to a total of twelve months and the application can be made within the country. If a Club wishes to grant an Extended GBE under T5 of the PBS to extend the period of the Player’s GBE to over twelve months, the Player must leave the country before the expiry of the twelve month period and make an application for an Extended GBE under T5 of the PBS.

7. A Player who has been granted a GBE under T5 of the PBS can apply (in country) to transfer to a GBE under T2 of the PBS, provided that application is made within twelve months of the T5 GBE being granted. The club must submit a new application for a GBE and provide a pass certificate, or other written confirmation containing an appropriate reference number, from an accredited English language test centre that the Player has passed the English language test required to secure leave to remain under T2 of the PBS (in addition to the documents listed in paragraph 17).

8. A Player who has been granted a GBE must submit a new application for a GBE if he wishes to permanently transfer (or has permanently transferred) to another club. If the GBE is granted, the player must submit a change of employment application to the Home Office, which must be granted before the Player can undertake any employment duties for the new club.

9. Any application for an Extended GBE (in accordance with paragraph 6), a transfer of a GBE (in accordance with paragraph 7) or a new club application for a GBE (in accordance with paragraph 8) shall be considered as follows:

a. if the Player’s International Appearances meet the Auto Pass Percentage set out in Table 1 of the criteria, a new or Extended GBE will be granted (as appropriate).

b. if the Player’s International Appearances do not meet the Auto Pass Percentage set out in Table 1 of the criteria, but the value of the Player’s Domestic Minutes for the applicant Club is at least 30% a new or Extended GBE will be granted (as appropriate).

c. if the Player does not satisfy the requirements in either paragraph a or b above, the club must submit details of the Player’s Domestic Minutes for the last 12 months and any other information which it considers to be relevant to its application to The FA. The FA will then provide this information to the Relevant Interested Parties by email. The FA and the Relevant Interested Parties shall consider this information, and any other information which they deem to be relevant in their absolute discretion, to determine whether the player remains of sufficient quality to be awarded a GBE. The FA and the Relevant Interested Parties shall make a decision by simple majority and if a majority of The FA and the Relevant Interested Parties recommend that the player should be awarded a GBE, a new or Extended GBE will be granted (as appropriate).

d. The player shall not have a new or Extended GBE granted (as appropriate) other than in accordance with paragraphs a or b above.

10. If a Player:

a. does not turn up for employment;

b. is absent for more than 10 working days without permission;

c. has his contract terminated during the period that a GBE is effective;

d. is no longer sponsored by the club for any other reason; or
Application Process

17. A club must submit any application for a GBE to The FA’s Player Status Department along with any evidence in support of the application, including:
   a. A fully completed application form (see Appendix 1).
   b. A fully completed application spreadsheet (see Appendix 2).
   c. A transfer agreement (or loan agreement) in respect of the Player (in draft or final form).
   d. A playing contract in respect of the Player (in draft or final form).
   e. Written evidence to support any claim made by the applicant club that a Player was Unavailable for Selection for a particular match, including the reason(s).
   f. Written evidence to support any claim made by the applicant club that exceptional circumstances prevented the Player from achieving 15 points (where appropriate, in accordance with paragraph 25).
   g. Written evidence to support any claim made by the applicant club that a Youth Player has significant potential and is of sufficient quality to enhance the development of the game in England and justify the Exceptions Panel recommending that a GBE be awarded (where appropriate, in accordance with paragraph 25).

18. The club must also pay an administration fee of £500 plus VAT for each application, which must be paid before the application will be considered by The FA. Each club shall bear its own costs in respect of any application.

19. If any information submitted as part of the GBE application process is amended (including the terms and conditions of a Player’s contract):
   a. before a GBE has been granted and before the Player is registered with The FA, the club must inform The FA who may require a new application to be submitted (and a new fee to be paid);
   b. after a GBE has been granted but before the Player is registered with The FA, the club must inform The FA who may require a new application to be submitted (and a new fee to be paid);

Temporary Transfers/Loans

12. If a Player who has been granted a GBE in accordance with these criteria is loaned to another club during the period of validity of the GBE, the Player’s club must notify the Home Office of the loan and change of location via the Sponsor Management System within 10 working days (regardless of the jurisdiction in which the loanee club is based). The loaning club will retain responsibility as the Player’s sponsor.

13. If a Player is loaned from an English Club to another English Club (a “Domestic Loan”), no GBE application will be required by the loanee club. If the Player is loaned from an English Club to a club affiliated to another Home Association, or another National Association, the governing body endorsement process of that association will have to be satisfied by the loanee club.

14. If a Domestic Loan is made permanent, the new club will be required to submit an application for a GBE (which must comply with the requirements set out in these criteria). If the GBE is granted, the player will need to make a change of employment application. Provided the Domestic Loan continues until the date on which the change of employment application is granted, the Player can continue to play for the new club in the interim period.

15. If a Player is loaned from a club affiliated to another National Association (including any Home Nation) to an English Club, a GBE application will be required (which must comply with the requirements set out in these criteria).

16. When a Player returns to his parent club after a loan period, no GBE application will be required by the parent club (provided the GBE remains valid beyond the date of the Player’s return).

GBEs will not be issued in respect of Players who are trialling with an English Club. If a Club wishes to trial a Player, it should contact the Home Office.
20. If a new application is required in accordance with paragraph 19, it will be assessed by reference to the criteria set out in this document and the Club must comply with paragraphs 17-18 of these criteria in respect of the new application. The FA may also inform the Home Office who may curtail the Player’s right to work.

Criteria

21. All Players shall be assessed in accordance with paragraphs 31-44.

22. The FA will grant a GBE if the Player’s International Appearances meet the Auto Pass Percentage set out in Table 1 of the criteria.

23. If a Player is not granted a GBE in accordance with paragraph 22 above, The FA will grant a GBE if a Player achieves 15 or more points in accordance with paragraphs 31-44.

24. The Club may request that an Exceptions Panel consider the application if:
   a. a Player achieves between 10 and 14 points in accordance with paragraphs 31-44 and the Club can evidence that exceptional circumstances prevented the Player from achieving 15 points; or
   b. if the Player is a Youth Player, the Club can evidence that the Youth Player shows significant potential and is of sufficient quality to enhance the development of the game in England.

25. If the Club requests an Exceptions Panel, the procedure in paragraphs 45-53 shall apply.

26. If a Player is not granted a GBE in accordance with paragraph 22, 23 or paragraphs 45-53, he will have no further opportunity to apply for a GBE in the same transfer window unless his circumstances change and will not be eligible to play for the applicant club.

Calculations

27. If a Player has played for two (or more) clubs during the Reference Period, or a Player is or has been a Free Agent during the Reference Period, the Player’s Continental Minutes, Player’s Domestic Cup Minutes and Player’s Domestic Minutes (each, the “Minutes”) will be calculated in accordance with paragraphs 28-29 below.

28. For each of the Minutes criteria, the applicant club should calculate a weighted average (using the annex to the application form at Appendix 1) as follows:
   a. Calculate the number of days during the Reference Period the Player has been registered for each/any club or no club (as appropriate).
   b. Calculate the percentage of the overall Reference Period that each of those periods of time represents.
   c. Calculate the percentage of Minutes played as a proportion of the total Available Continental Minutes, Available Domestic Cup Minutes or Available Domestic Minutes (respectively).
   d. Multiply each of the numbers at (b) by their corresponding number at (c).
   e. Add each of the numbers at (d) to find the weighted average value for the Minutes.

29. If only one of the clubs played in a Continental Competition, the Player’s Continental Minutes shall be the percentage the Player played in for that club.

30. If the calculation of a Player’s International Appearances, Player’s Domestic Minutes, Player’s Domestic Cup Minutes or Player’s Continental Minutes (or any other percentage) results in:
   a. a decimal number of .5 or higher, the number will be rounded up to the next whole number; or
   b. a decimal number of lower than .5, the number will be rounded down to the next whole number.

Player’s International Appearances

31. A Player shall be granted the number of points set out in Table 1 in respect of the Player’s International Appearances.
34. If a Player is eligible for points in multiple columns of Table 2, including where:
   a. the Player has played in two domestic league competitions during the Reference Period;
   b. a Youth Player made his first appearance in more than one band during the Reference Period; or
   c. a Youth Player has made his first appearance for the senior team of a club during the Reference Period but has also played in a sufficient percentage of minutes to be eligible for points elsewhere,

   the Player shall be granted the higher of the points he is eligible for in Table 2.

Player's Domestic Minutes

32. A Player shall be granted the number of points set out in Table 2 in respect of the Player's Domestic Minutes.

### Exceptions Panels

Please note that Exceptions Panels will not be available after the summer transfer window in 2021.

45. If a club requests an Exceptions Panel in accordance with paragraph 24, The FA will appoint an independent panel of three members, which shall include one legally qualified chair and two panel members who have relevant experience at the top level of the game (the “Panel Members”).

46. The FA may also, at its absolute discretion, refer any question in relation to the interpretation or application of any aspect of these criteria to either a legally qualified chair of the Exceptions Panel or an Exceptions Panel (as appropriate) to determine. Any decision made by a chair of the Exceptions Panel or an Exceptions Panel under this paragraph shall be final and binding.

47. A fee of £5,000 plus VAT will be charged for every Exceptions Panel, which must be paid by the club before the application will be considered by the Exceptions Panel.

48. The club will be notified of the identity of the Panel Members and have the opportunity to challenge the appointment of any Panel Member on the basis of an actual or perceived conflict of interest. Each Panel Member shall also have the opportunity to declare an actual or perceived conflict of interest (of him or herself or any other Panel Member) to the Chair or, if the conflict of interest relates to the Chair, to The FA. The Chair, or The FA respectively, shall then determine whether the Panel Member should be excluded from participating in the application. If the Panel Member is excluded from participating in the application, The FA will appoint a replacement Panel Member (to whom this paragraph shall also apply).

49. The Exceptions Panel can request any further information from The FA’s Player Status Department, the applicant club or any third party (via The FA’s Player Status Department) that it deems necessary, in its absolute discretion, in order to make its decision. If an Exceptions Panel meeting has been convened or is in progress when a request for further information is made, the Chair may adjourn the meeting to allow the information to be gathered. Where it is able to do so, the applicant club or The FA’s Player Status Department will supply the further information to the Exceptions Panel within a reasonable timescale.

50. The Exceptions Panel shall only recommend to The FA that a GBE be granted if it is satisfied that either:

- a. exceptional circumstances prevented the Player from achieving 15 points, and if those exceptional circumstances did not apply, the Player would have achieved 15 points; or
- b. the Youth Player shows significant potential and is of sufficient quality to enhance the development of the game in England and justify the Exceptions Panel recommending that a GBE be awarded.

51. The Exceptions Panel will make its decision, based on the papers submitted to it, at an in-person or virtual meeting at which The FA’s Player Status Department will provide appropriate secretarial support. Each Panel Member has one vote and the decision will be made by a simple majority, with the chair having a casting vote.

52. If the Exceptions Panel recommends to The FA that a GBE be granted, The FA will consider whether to grant a GBE (but is under no obligation to do so).

53. Written reasons for the decision will be supplied by the Exceptions Panel to the applicant club. An anonymised summary of each decision will be made available (on a confidential basis) to all Stakeholders and Stakeholders may make these summaries available to clubs in the Premier League or English Football League.
